CAMBRIDGE UNIVERSITY	20

NOTE—*The pages which follow give a selection only of certain of the publications of the Cambridge University Press. A complete catalogue may be obtained post-free on application as below.*

A Bulletin containing notes on the recent publications of the Press is published three times a year, the particulars given being such as seem sufficient to indicate the nature of the books. Thus, of each book the title, author, size, number of pages and price are stated. As a rule, part or the whole of the Preface or Introduction is also given, as well as the table of Contents and a selection from such press notices as have appeared prior to the issue of the Bulletin.

This Bulletin is published in January, April, and October, and will be posted regularly free of charge to any address sent for that purpose to Mr. C. F. Clay, Manager, Cambridge University Press, Fetter Lane, London, E.C.

The Latest Commentary on

St. Paul's Epistle to the Galatians

By the Rev. CYRIL W. EMMET, M.A. **3s. 6d.** net.

This Epistle has been set for the Universities Preliminary Examination 1913 and 1914.

The Commentary has a distinctive character as taking the point of view that Galatians was written before the Apostolic Council, Acts xv., and is therefore the earliest of the Pauline Epistles. Both in the Introduction and in the Notes the writer has had in mind the needs of the general reader, but full account has been taken of the work of the most recent writers on St. Paul, both English and German.

An important New Series

POETRY AND LIFE

General Editor—PROF. WILLIAM H. HUDSON

Staff Lecturer in Literature to the University Extension Board of the University of London.

A series of Monographs on the Poets, in which the principal work of each poet is shown in its proper relation to the life of its author. Each volume contains a representative selection of the poet's work printed in chronological order in the story of his life. The poems are illuminative of the life, and the "life" of the poems. To students of English poetry these little books cannot fail to be inspiring, for in the earlier stages of study, poetry is most valued and loved when it is made to seem human and vital.

The volumes vary in size according to the necessities of each. Usually the price will be **8d.** and **10d.**, in neat cloth binding. Size 6¾ × 4¼ inches.

THE ATHENÆUM.—"We find them admirable for the purpose of introducing young readers to the works of good poets. There can be no doubt in the minds of those who are concerned with teaching English literature in the middle and higher forms of secondary schools that the biographical method of interpretation rouses an interest which disconnected selections of poetry can never attain."

The Publishers will be pleased to forward to any address their new complete Catalogue and a Descriptive Circular of above with Professor Hudson's General Preface.

ADAMS PRIZE. 1912.

The Subject selected for the Adams Prize in 1912 is

The Theory of Radiation.

The experimental scrutiny of the spectra of gaseous substances has amassed much knowledge, already expressed in semi-empirical formulae, relating to the structure of spectra, whether composed of discrete lines or of bands, and also relating to the influence of various physical causes, such as the admixture of other substances, on the relative intensities of the lines.

The nature of the magnetic influence on lines and bands which is exhibited in the Zeeman effect awaits closer investigation; and the classification of the lines of a spectrum which it suggests may afford further clues towards the assembling of those groups of lines which are possibly in some way components of one fundamental mode of vibration.

A critical discussion of some of the problems of molecular dynamics which are associated with these phenomena is proposed. This discussion might proceed either from some hypothesis of structure of the molecules of matter, or from comparison by way of analogy with the properties of known types of vibrations. Questions relating to the constitution of natural radiant energy in statistical equilibrium might also come up for consideration.

Each Essay shall be accompanied by a full and careful abstract, pointing out the parts which the author considers to be new, and indicating the parts which are regarded as of more importance than the rest.

The Prize is open to the competition of all persons who have at any time been admitted to a Degree in this University.

The Essays must be sent to the Vice-Chancellor on or before the last day of December 1912.

Each Essay shall bear a motto, but not the Candidate's name, and be accompanied by a sealed envelope bearing the same motto and containing the Candidate's name, degree and address.

A Candidate is at liberty to send in his Essay either written, but not in his own hand, or printed or type-written.

The value of the Prize is about £250.

The Prize may be awarded to one Candidate or may be divided between Candidates of equal merit.

Each Candidate to whom an Adams Prize has been awarded shall publish his Essay, provided always that, with the consent of the Adjudicators, this condition shall be deemed to be fulfilled by the publication of the Essay, or of the original parts of such Essay, in the Transactions of a learned Society, or in a scientific journal. A copy of such Essay as published, shall be presented to the University Library, to the Library of St John's College, and to each of the four Adjudicators.

Parallel Straight Lines.

When a straight line cuts two other straight lines, if

(i) a pair of alternate angles are equal,

or (ii) a pair of corresponding angles are equal,

Triangles and Rectilinear Figures.

The sum of the angles of a triangle is equal to two right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by those sides equal, the triangles are congruent.

If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal; and the converse.

If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

$$k(a+b+c+\ldots) = ka+kb+kc+\ldots,$$
$$(a+b)^2 = a^2+2ab+b^2,$$
$$(a-b)^2 = a^2-2ab+b^2,$$
$$a^2-b^2 = (a+b)(a-b).$$

The square on a side of a triangle is greater than, equal to, or less than he sum of the squares on the other two sides, according as the angle con-ained by those sides is obtuse, right, or acute. The difference in the cases f inequality is twice the rectangle contained by one of the two sides and he projection on it of the other.

Loci.

The locus of a point which is equidistant from two fixed points is the erpendicular bisector of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight nes consists of the pair of straight lines which bisect the angles between ie two given lines.

The Circle.

A straight line, drawn from the centre of a circle to bisect a chord hich is not a diameter, is at right angles to the chord; conversely, the erpendicular to a chord from the centre bisects the chord.

There is one circle, and one only, which passes through three given oints not in a straight line.

In equal circles (or, in the same circle) (i) if two arcs subtend equal ngles at the centres, they are equal; (ii) conversely, if two arcs are equal, ney subtend equal angles at the centres.

In equal circles (or, in the same circle) (i) if two chords are equal, they it off equal arcs; (ii) conversely, if two arcs are equal, the chords of the rcs are equal.

Equal chords of a circle are equidistant from the centres; and the onverse.

The tangent at any point of a circle and the radius through the point re perpendicular to one another.

If two circles touch, the point of contact lies on the straight line rough the centres.

The angle which an arc of a circle subtends at the centre is double that hich it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal; and, if the line oining two points subtends equal angles at two other points on the same de of it, the four points lie on a circle.

The angle in a semicircle is a right angle; the angle in a segment reater than a semicircle is less than a right angle; and the angle in a gment less than a semicircle is greater than a right angle.

The opposite angles of any quadrilateral inscribed in a circle are sup-ementary; and the converse.

If a straight line touch a circle, and from the point of contact a chord drawn, the angles which this chord makes with the tangent are equal to ie angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle the ctangle contained by the parts of the one is equal to the rectangle con-ained by the parts of the other.

Proportion: Similar Triangles.

If a straight line is drawn parallel to one side of a triangle, the other vo sides are divided proportionally; and the converse.

If two triangles are equiangular their corresponding sides are proportional; and the converse.

If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle, and likewise the external bisector externally.

THE SPECIAL BOARDS FOR PHYSICS AND CHEMISTRY and for BIOLOGY AND GEOLOGY in joint meeting assembled issue the following notice with regard to the First Part of the Examination for the Natural Sciences Tripos.

In the papers set in Part I. of the examination the questions in all the subjects will be of a comparatively elementary character, and will be such as to test a knowledge of principles rather than of details. Specimens may be exhibited for description and determination.

In Physics the questions will be limited to the elementary and fundamental parts of the subject, and, in particular, special attention will be paid to the definition of physical quantities, the general principles of measurement, the configuration and motion of a material system, the laws of motion, the comparison of forces and of masses and the properties of bodies. In Sound, Light, Heat, Electricity and Magnetism, only the fundamental laws, their simpler applications, and the experiments which illustrate them, will be required.

In Chemistry the questions will relate to the leading principles and experimental laws of Chemistry, the properties of the commoner elements and their principal compounds, the outlines of Metallurgy, and simple qualitative and quantitative analysis.

In Mineralogy the questions will be confined to elementary Crystallography, the general properties of minerals and the special characters of those species only which are of common occurrence or of well-known mineralogical importance.

In Geology the questions will be limited to Physical Geography, the interpretation of the structure of the crust of the earth and the history of its formation, so far as to involve only the elementary parts of Palæontology and Petrography.

In Botany the questions will relate to the elementary parts of Vegetable Morphology, Histology, and Physiology; and to the principles of a natural system of classification as illustrated by the more important British Natural Orders. Candidates will be required to describe plants in technical language. Questions will not be set on Vegetable Palæontology or the Geographical Distribution of Plants.

In Zoology and Comparative Anatomy minor details will not be included in the questions relating to classification. Geographical distribution of animals is held to be a part of Zoology, and Comparative Anatomy includes the structure of extinct as well as of recent forms.

Human Anatomy will include the mechanism of the human body, the comparison of its parts with those of lower animals, its development, &c.; but the questions will be of a simple and elementary character.

In Physiology the questions will be of a comparatively elementary character.

A practical examination will be held in each of the above subjects.

If he shall have obtained honours in any of the honours examinations of the University other than the first part of the Law Tripos, he shall so satisfy the examiners in the first or, at his option, the second part.

If he shall have obtained honours in the first part of the Law Tripos but not in any other of the honours examinations, he shall so satisfy the examiners in the second part.

If he shall not have obtained honours in any of the honours examinations, he shall so satisfy the examiners in both parts, and may present himself for the two parts in the same year or in different years.

2. The above regulation as to graduates proceeding to the degree of Bachelor of Law came into force immediately after the publication of the class list for the Law Tripos of 1889: but every person who was at that time entitled to proceed to the degree of Bachelor of Law without further examination continues to be so entitled.

II. Master.

1. On proceeding to the degree of Master of Law no further examination or exercise shall be required of a candidate who under the regulations for the Law Tripos has become entitled to proceed to the degree of Bachelor of Law, provided he has attained the standard of a first class in both parts of the Law Tripos: but no such candidate shall

for this purpose, be allowed to enter for a part in which he has already been examined. In other cases no one shall incept in Law unless he has obtained permission under these Regulations.

2. Every Applicant for such permission must be a Bachelor of Law or a Master or Bachelor of Arts.

5. The dissertation (which may be in print or in manuscript and published or unpublished) may, if the Board think fit, be referred to one or more persons appointed by the Committee, who may or may not be members of the Committee, and who shall have a discretionary power to examine the Candidate either orally or in writing upon the subject of the dissertation and shall report thereon to the Committee.

The applicant is required to state, generally in a preface to his dissertation and specifically in notes, the sources from which his information is taken, the extent to which he has availed himself of the work of others, and the portions of the dissertation which he claims as original.

6. If the Committee shall be of opinion that the work of reporting on the dissertation is such as to require remuneration, they may direct that a fee of two guineas be paid from the University Chest to each referee.

7. If the Committee shall be of opinion that the dissertation is of sufficient merit to entitle the Candidate to incept in Law, their resolution to that effect with the names of those present and of those voting on either side shall be entered on the minutes of the Board, and a copy of the resolution certified by the Chairman of the Board shall be sent to the Vice-Chancellor for preservation in the Registry, and the Vice-Chancellor shall publish the name of the Candidate as being permitted to incept in Law.

A copy of the dissertation shall also be deposited in the University Library.

8. No Candidate shall be present at the deliberations of the Committee respecting his own case.

9. No final resolution of the Committee on the subject of granting permission to incept shall be taken except at a meeting at which not less than two-thirds of the members of the Committee are present. No such resolution shall be carried unless a majority of those members of the Committee who are present vote in its favour.

10. If the Committee shall be of opinion that the permission should not be granted, the Chairman of the Board shall inform the Candidate of the fact.

11. Every Graduate who presents himself for a Part of the Law Tripos but not as a Candidate for Honours, and every Graduate who, without having previously obtained Honours in or satisfied the Examiners in either part of that Tripos, submits a dissertation under these Regulations shall pay a fee of three guineas. Such fees shall be paid to the Regius Professor of Civil Law until the Professorship shall come under the provisions of Statute B, and thereafter shall be paid to the Registrary for the University Chest.

12. In the above Regulations the term 'the Degree Committee' shall mean a Committee constituted in accordance with clause 3 of the Regulations for Students in Science and Letters (see p. 152).

Provided that every person who was then entitled to proceed to the Degree of Master of Law without further examination or test continues to be so entitled.

14. A Candidate may be admitted Inceptor in Law on paying to the University the fee of twelve pounds at the end of six years from the end of his first term of residence, provided that not less than two years have elapsed since his inauguration.

15. An Inceptor of Law is created Master, without personal attendance, on the Tuesday immediately preceding the last day of Easter Term.

III. Doctor.

1. A Master of Law desirous of proceeding to the Degree of Doctor of Law shall make his application in writing to the Chairman of the Special Board for Law and shall send therewith a copy of the original contributions to the advancement of the science or study of law upon which his claim for the degree is based, and such application shall be referred to the Degree Committee of the said Board.

2. If the Committee shall be of opinion that such contributions constitute *prima facie* a qualification for the degree, they shall obtain reports upon them from not less than two persons, who may or may not be members of the Committee. These reports shall be treated as confidential documents.

3. If the Committee shall be of opinion that the work of reporting upon such contributions is such as to require remuneration, they may direct that a fee not exceeding five guineas shall be paid from the Chest to each referee.

4. If the Degree Committee be of opinion that the dissertation submitted by the Student is not of sufficient merit to serve as a qualification for the Certificate of Research, they may decide that the Student shall not be allowed again to submit to them a dissertation until after the lapse of such time as they think fit, and the Chairman shall inform the Student of this decision.

18. The statement drawn up by the Degree Committee shall be forwarded by the Chairman to the Registrary, who shall embody it in a Certificate of Research in a form approved by the General Board of Studies. LOCAL EXAMINATIONS AND LECTURES.

THE extra-mural work conducted by the Local Examinations and Lectures Syndicate falls under three heads: I. The Local Examinations; II. The Examination of Schools; III. The Local Lectures.

I. THE LOCAL EXAMINATIONS.

(i) LOCAL EXAMINATIONS FOR SENIOR AND JUNIOR STUDENTS.

These Examinations were instituted in 1858. They are conducted at various places throughout the country by means of printed papers set by a central body of Examiners and worked by the candidates in the presence of Examiners sent down for that purpose. For seven years the Examinations were open to boys only. In 1865, a Grace of the Senate admitted girls also to the Examinations for 1865, 1866, 1867; and in 1867 girls were put permanently on the same footing as boys. The Examinations in the year 1907 were held for the first time in July as well as in December.

Candidates are admitted to the Examinations without limit of age, but Senior Students cannot be placed in one of the Honour Classes unless they are under 19, and Junior Students cannot be placed in one of the Honour Classes unless they are under 16. Every Candidate pays to the Syndicate a fee of £1. The local expenses of providing an Examination room, stationery, &c., are borne by the local Committee of Management at each centre of Examination, and to meet these expenses a local fee is charged to each Candidate by the local Committee. This fee is usually from five to ten shillings.

Senior Candidates can procure exemption from the Previous Examination on the following terms:—

From Part I. by passing in the Gospel (including the Greek text), in Latin, and in Greek, or, from the Classical Papers only by passing in Latin and Greek;

From the Mathematical Papers of Part II. by passing in Arithmetic, Geometry, and Algebra; from the English Essay by passing also in English Composition; and from the Paper on Paley's *Evidences* and its substitutes, by passing also in Religious Knowledge or in Logic or in Chemistry or in Physics;

From the Additional Subjects by shewing a sufficient degree of merit either in Applied Mathematics, or in French, or in German.

The Senior Certificate is also accepted under certain conditions as affording exemption from Responsions in the University of Oxford, from the Matriculation Examination of the University of London; of the Universities of Manchester, Liverpool, Leeds, and Sheffield; of the University of Birmingham; and of the University of Wales.

Other exemptions afforded by the Junior and Senior Local Examinations are set forth in the Regulations.

(ii) Preliminary Local Examination.

A Preliminary Local Examination, to which only Students under 16 are admissible, and in which no Students are placed in any Honour Class unless they are under 14, was instituted in 1895. This Examination is held in July and December at the same time as the Examinations for Senior and Junior Students. Every Candidate pays to the Syndicate a fee of 10*s*. 6*d*.

(iii) Higher Local Examination.

Examinations for Women above 18 years of age (now above 17 years of age) were instituted in 1869, and made permanent in 1871. They were thrown open to Men in 1873. They take place in June, and there is a supplementary Examination in December. Candidates must have completed seventeen years of age before the first day of the month in which the Examination is held, or must have obtained a Cambridge Senior Local Certificate, or an Oxford Senior Local Certificate, or a Higher Certificate of the Oxford and Cambridge Schools Examination Board or a Matriculation Certificate of the University of London. The Syndicate are prepared to consider applications for admission to the Examination from students under 17 years of age who hold the Matriculation Certificates of other Universities. Each Candidate pays to the Syndicate a fee of £1. 10*s*., and £1 for each subsequent Examination.

Candidates are exempted from the Classical papers of Part I. of the Previous Examination if they pass at the same Higher Local Examination in the Latin and Greek set books and Latin Unprepared Translation and from the paper on the Greek Gospel if they also pass at the same or another Examination in the Greek Text of the New Testament: from the Mathematical papers of Part II. if they pass at the same Examination in Arithmetic, Geometry and Algebra; and from the English Essay if they also pass at the same or another Examination in English Language and Literature: and from the paper on Paley's *Evidences* and its substitutes, if they also pass at the same or another Examination in General Old Testament History or General New Testament History or Logic or Chemistry or Physics or Elementary Chemistry and Physics: from the Additional Subjects if they pass in French or German or Statics and Dynamics.

A Higher Local Honour Certificate admits to Tripos Examinations members of Girton and Newnham Colleges who have resided during a sufficient number of terms, provided that the Student has passed in Group B and in Group C.

The Higher Local Examination is accepted as a qualification for the admission of Women to the First Public Examination in the University of Oxford provided that they have passed in (*a*) Arithmetic, (*b*) two of the five Languages Latin, Greek, French, German, Italian, (*c*) either Geometry or Algebra.

(iv) Certificates of Proficiency in Modern Languages and in Religious Knowledge.

The Certificates are designed for teachers who desire a satisfactory proof of their practical knowledge of the subjects with a view to teaching them in schools.

Three Certificates in Modern Languages have been established, namely in (1) French, (2) German, (3) English. The English Certificate is designed for foreign students, but is not limited to them.

The Examinations for the Modern Language Certificates, which are open to candidates who have completed the age of 20 years on 1 June of the year of examination, will be held in June of each year at the Cambridge and London (City) centres of the Higher Local Examination. The fee for each Certificate is £3, or for Candidates who have previously entered for the Higher Local Examination, £2. 10*s*.

The Certificate of Proficiency in Religious Knowledge, for which students may sit at any Higher Local centre, will be awarded to Candidates who in the course of two consecutive years have reached a sufficiently high standard in six papers in the Religious Knowledge group of the Higher Local Examination. The fee will be 10*s*. in addition to the ordinary Higher Local fees.

II. EXAMINATION AND INSPECTION OF SCHOOLS.

The Syndicate is prepared to undertake the Examination or Inspection of Schools. In 1911 sixty-eight schools were thus examined or inspected.

A School may be examined partly by means of the Local Examinations and partly by means of a School Examination.

The Syndicate also undertakes examinations for the award of Scholarships on behalf of Colonial Governments, County Councils, and other public bodies.

III. LOCAL LECTURES.

The purpose of the Local Lectures and Classes (popularly known a "University Extension") is to provide the means of higher educatio for persons of all ranks and of both sexes engaged in the regular occupa tions of life. Lecturers are sent to deliver courses of lectures in provincia towns, each lecture being preceded or followed by a "class" for mor detailed instruction. The charge, inclusive of everything but loc expenses, for a course of 12 lectures and classes is £50. The fir courses were arranged by the University of Cambridge in 1873, and th work has been taken up by other Universities and has been carried o in the country with increasing success. In 1886 powers were obtaine to affiliate Lecture Centres to the University, and the following a now affiliated:—Exeter, Leicester, Northampton, Southport.

Full particulars as to the Local Examinations and the Examination of Schools can be obtained from J. H. FLATHER, M.A., Secretary for Examinations, and as to Local Lectures from the Rev. D. H. S. CRANAGE, M.A., Secretary for Lectures, at the Office of the Syndicate, Syndicate Buildings, Mill Lane, Cambridge.

OXFORD AND CAMBRIDGE SCHOOLS EXAMINATION BOARD.

THIS Board was formed in accordance with Articles of Agreement signed on Nov. 8, 1873, by representatives of the two Universities.

The Board examines such Schools as have a regularly constituted Governing Body, or prepare a fair proportion of their boys for the Universities, or in any other way give evidence of providing an education of the highest grade. It also grants Certificates to boys under education at School, who are examined under its authority. A Certificate Examination may be combined with the Examination of any School to which the Board appoints Examiners. Candidates under education at a School to which the Board does not appoint Examiners, and from which only a few Candidates are entered, are examined at a few convenient centres. The Board also undertakes the Inspection of Schools at any time during the School year, except when the Examinations are going on.

A School Examination, held under the authority of the Board, may be of one or more of the following kinds:—

(*a*) Such an Examination in the general work of the School, extending either to the whole School or to portions of the School to be selected with the approval of the Board, as will enable the Examiners to report generally upon the School work.

(*b*) Such an Examination in any main subject or subjects of instruction, extending either to the whole School or to portions of the School to be selected with the approval of the Board, as will enable the Examiners to report on the standard reached in that subject or subjects.

(*c*) Such an Examination of the highest division of the School as will enable the Examiners to report upon the general work of that division, and, if required, to place the boys in order of merit, and to award exhibitions, scholarships, and prizes.

There is one Examination for Higher Certificates in each year in July.

The Examination for Higher Certificates includes the following Subjects:—Group I. (1) Latin. (2) Greek. (3) French. (4) German. (5) Spanish. (6) Arabic.

Group IV. (1) Natural Philosophy (Mechanical Division). (2) Natural Philosophy (Physical Division). (3) Natural Philosophy (Chemical Division). (4) Natural Philosophy (Experimental Science). (5) Physical Geography and elementary Geology. (6) Biology. (7) Music.

Every Candidate is required to satisfy the Examiners in at least four Subjects taken from not less than three different groups, and no Candidate is permitted to offer more than six Subjects. If however a Candidate satisfy the Examiners in one subject taken from Group II. or IV., he may offer three subjects taken from Group I.; also a Candidate who already holds a Higher or School Certificate may offer four subjects taken from not less than two different groups.

The Board also examines Girls under the same Regulations as for Boys, with four additional Regulations providing for the option of substituting Italian for Greek, and for being examined in Drawing, and for passing the required four subjects two at a time.

About five weeks after the Examinations, a list of all Candidates who have passed is published. To each successful Candidate a Certificate is given, signed by the Vice-Chancellors of the Universities of Oxford and Cambridge, specifying (*a*) the subjects in which the Candidate has passed merely, (*b*) the subjects in which he has passed with distinction. These Certificates confer exemption, under certain conditions, from various Examinations held by public bodies, including the Previous Examination in the University of Cambridge, and the Examination for Responsions in the University of Oxford.

There is an Examination for School (or Leaving) Certificates in each year, in July, and another in December.

This Examination includes the following subjects:—Group I (1) Latin, (2) Greek, (3) French, (4) German; Group II (1) Elementary Mathematics, (2) Additional Mathematics; Group III (1) Scripture Knowledge, (2) English, (3) English History, (4) Outlines of Geography, with special reference to British Isles, (5) English History-and-Geography; Group IV (1) Mechanics, (2) Physics, (3) Chemistry, (4) Physics-and-Chemistry.

A Candidate who takes III (5) must not take III (3) or III (4); and a Candidate who takes IV (4) must not take IV (2) or IV (3).

There is an Examination for Lower Certificates in each year, in July.

This Examination includes the following subjects:—Group I. (1) Latin, (2) Greek, (3) French, (4) German, (5) Arabic, (6) Spanish; Group II. (1) Arithmetic, (2) Additional Mathematics; Group III. The same candidate cannot offer both IV (2) and IV (4).

Candidates must satisfy the Examiners in five subjects taken from not less than three groups, of which Groups I. and II. must be two; and must answer the questions so as to satisfy the Examiners that they have an adequate knowledge of English Grammar and Orthography. Girls can pass the required subjects at two Examinations.

Benson, M.A., Magdalene College; W. T. A. Barber, M.A., Gonville and Caius College.

Hon. Principal of the Training College: Walter Durnford, M.A., Vice-Provost of King's College.

Vice-Principal, Master of Method and Lecturer on Education: S. S. F. Fletcher, M.A., King's College.

Lecturers and Supervisors of Practice { F. G. Blandford, M.A., Corpus Christi. C. Fox, M.A., Christ's College.

Lecturer on School Management: J. Wallis, M.A., Head Master of Paradise Street School.

Director of Studies to Secondary Department: F. G. Blandford, M.A.

Lecturers to Secondary Department: C. Fox, M.A., W. H. S. Jones, M.A.

Bursar, W. G. Bell, M.A.

The College consists of two departments, a Primary and a Secondary.

(a) Primary Department.

1. Candidates for admission to the Primary Department must be qualified as Three Year Students reading for a Degree according to the Regulations of the Board of Education, and must have complied with the conditions laid down by the Board of Education for Students taking University Degrees.

2. Before candidates are admitted they will be required to produce (1) a certificate of birth; (2) satisfactory testimony as to moral character from two responsible persons; (3) testimonials from Head Teachers and Managers of Schools in which they have been trained. Also in accordance with the Regulations of the Board of Education for the Training of Teachers, "(*a*) the medical officer of the College must certify that the state of their health is satisfactory, and that they are free from serious bodily defect or deformity; and (*b*) they must execute an indenture showing that they intend *bonâ fide* to adopt and follow the profession of teacher in a Public Elementary School or Training College."

3. All students must become matriculated students of the University, either as members of a College or of Fitzwilliam Hall. They must enter the Training College at the beginning of October and cannot be admitted after October 21, the day fixed by the University for matriculation. There is no examination for matriculation at Cambridge. The University year begins in October and ends in June: it consists of three terms amounting to about twenty-five weeks in all. Residence is obligatory during this period, but students of the Training College may find some further residence necessary in order to complete their practical training.

4. A fee of three guineas is charged for admission to the Training College but the whole of the grant allowed by the Board of Education will be paid to the students in instalments as received.

It has been found by experience that the minimum expenditure of Members of the Training College residing economically in lodgings, during the twenty-five weeks of necessary residence, is between £65 and £75 a year, exclusive of clothes and travelling expenses.

Since the opening of the College a number of Students have held Exhibitions or Scholarships given by certain Colleges or by Fitzwilliam Hall to members of the Training College. It is probable that this assistance will be continued in the future, but the exact number available in each year is uncertain.

(b) Secondary Department.

Students in the Secondary Department must ordinarily be graduates of this or some other University, but the Governing Body may admit other students at their discretion. The course of training is for a year, which may be spent wholly at the Training College, or partly under supervision in some school approved of by the Governing Body. They must attend such courses of lectures on the Theory, History and Practice of Education, and do such work in connection with them, as the Governing Body may from time to time prescribe. They must attend such Criticism, Model and Visiting Lessons given in connection with the Training College as the Governing Body may order. They shall give at least 60 days' teaching in a Practising School connected with the College.

The Theoretical work consists of lectures on the Theory, History and Practice of Education, on School Method and other kindred subjects, given by the Lecturers, who also guide the reading of the students and set and correct papers done by them. For the practical work special arrangements are made for each student to be placed for one or more terms in charge of an experienced Master at one or other of the three Schools in

Cambridge, the Perse, County, and the Leys Schools. During the period of school-practice insisted on by the Board of Education, each Master superintends the work of the student during the whole time he is in school, and in addition gives him private instruction in questions relating to school work and discipline. The Masters are in close touch with the Staff of the Training College, so that an efficient supervision of both sides of the work is maintained. The Headmasters of several Public Schools away from Cambridge have kindly consented to receive students for continuous periods of teaching and observation.

The Students prepare for the Syndicate's examination, which they usually take at the end of their course.

The fee payable for the above course is £22. 10*s*. payable in terminal instalments of £10. 10*s*. 0*d*. for the 1st term, £7. 10*s*. 0*d*. for the 2nd term, £4. 10*s*. 0*d*. for the 3rd term.

A Free Studentship will be awarded for the year 1912—13, and probably for subsequent years.

Applications for admission and enquiries are to be addressed to the Principal of the College, at Warkworth House, Cambridge.

A Student who has obtained Honours in Part I. or in some other Honour Examination, may be a Candidate for Part II. provided that he has kept seven terms and that twelve terms have not passed after the first of the seven.

In Part II. the italic letters appended to the name of a candidate denote the subject or subjects for which he is placed in the first class. The letter *a* denotes the compulsory subjects; a_1, Ethics and Metaphysics: a_2, Ethics and Political Philosophy. The special subjects are denoted by *b*, History of Philosophy; *c*, Advanced Psychology and Psychophysics; *d*, Advanced Logic and Methodology; and *e*, Advanced Political Economy. The combination of two letters, thus *b* with *c*, indicates that a candidate has obtained a first class on the combined result of the two subjects. The asterisk denotes special distinction.

THE THOMAS BARNES SCHOLARSHIP.

John Barnes, Esq. of the Middle Temple, London, proposed to place the sum of £2000, 3 per cent. Consolidated Bank Annuities in the names of certain Trustees, upon Trust, that during the life of his Sister Anne Barnes, the dividends and annual income thereof should be applied for her use and benefit, or, upon certain contingencies, for the benefit of the said Trustees, and that after her death the said Bank Annuities should be transferred to the Chancellor, Masters and Scholars of this University, upon Trust, for the foundation of a Scholarship, to be called "The Thomas Barnes Scholarship," in memory of his Brother Thomas Barnes, M.A., deceased, late of Pembroke College. This proposal was accepted by Grace, Feb. 7. 1844, under the following Regulations:

1. That the first Election of a Scholar on this foundation shall take place as soon as conveniently may be after the decease of the said Anne Barnes, and all subsequent Elections as soon as conveniently may be after the Scholarship shall have become vacant.

2. That the Vice-Chancellor, the Regius Professor of Divinity, the Lucasian Professor of Mathematics, and the two Members of the Senate appointed by Grace to examine for the Bell Scholarships, each for the time being, or their respective Deputies to be appointed by Grace of the Senate, shall elect the Scholars on

this foundation, in such manner as they shall determine upon. but that in all such Elections they shall govern themselves conscientiously by the following rule: "In his eligendis præcipua ratio semper habeatur ingenii, doctrinæ, virtutis, et inopiæ: ut quo magis quisque ex eligendorum numero his rebus antecellat, eo magis, ut æquum sit, præferatur." Of the three Examiners, other than the Regius Professor of Divinity and the Lucasian Professor, two shall examine, specially but not exclusively, in Classics and one in Mathematics.

3. That the Candidates for the Scholarship shall be Undergraduates in their first year, and that Undergraduates shall be deemed to be in their first year, if of not more than one year's standing from the time of their first residence; and that this further qualification shall be requisite, viz., that the Candidates shall have been educated on the Foundation of Christ's Hospital, St Paul's School or the Merchant Taylors' School, in the city of London, and shall have come to the University directly from one of those Schools but that, if in any case there be found no Candidate so circumstanced, who in the opinion of the Electors is fit to be elected then the said Scholarship for that turn only shall be thrown open to all the Undergraduates of the University, who are, according to the terms above specified, in their first year.

4. That every Scholar elected on this Foundation shall promise in writing to take a Degree in the most regular manner, by performing the Exercises and undergoing the Examinations appointed by the University for that purpose, and, in case of such promise being broken, the Scholarship shall be *ipso facto* vacant.

5. That the Scholar shall be entitled to the profits of the Scholarship for a period of four years, unless he shall before the expiration of that period die, degrade, go out in a Bye Term, or be rusticated or expelled, in either of which cases the Scholarship shall be *ipso facto* vacant.

6. That the profits of the Scholarship, consisting of the dividends of the said Bank Annuities, shall be paid to the College Tutor of the Scholar for the time being, for the use of such Scholar, as soon as may be after the days on which the said dividends become due.

7. That the said Electors shall be the Auditors of the accounts of this institution.

8. That, when the Electors meet to elect a Scholar, the business shall be entered upon by having the Deed of Foundation, as far as it relates to the Scholarship, read aloud by one of the Electors to the rest.

9. That the University shall have power to alter and determine from time to time, by Grace of the Senate, the Regulations respecting the persons who are to examine the Candidates and elect the Scholars.

The following are the Regulations:

1. The Electors to these Scholarships shall be the Vice-Chancellor, the Regius Professor of Divinity, the Lucasian Professor of Mathematics, and the two Members of the Senate, appointed by Grace to examine for the Bell Scholarships, provided that, in case any of the *ex officio* Electors be prevented from taking part in the Examination, a Deputy shall be appointed in each case by Grace of the Senate. Of the three Examiners, other than the Regius Professor of Divinity and the Lucasian Professor, two shall examine, specially but not exclusively, in Classics and one in Mathematics.

Other things being equal, Candidates born in the West Riding of the County of York shall have the preference.

3. The Examination shall commence on the Monday next after the second Sunday in Lent.

4. The names of the Candidates for the vacant Scholarships shall be made known to the Vice-Chancellor by their respective Tutors not later than the Monday next before the commencement of the Examination.

5. Each Scholar when elected in his first year of residence shall be entitled to receive one-half of the annual profits of the endowment for a period of three years, unless he shall before the expiration of that period die, or be rusticated or expelled, in any of which cases the Scholarships shall be *ipso facto* vacant.

6. If at any time a Scholarship shall become vacant before the expiration of the term of three years, another Scholar shall, as soon as conveniently may be, be chosen for the remainder of the said term from among Undergraduates of the same year as that of the Scholar whose Scholarship has been vacated before the proper time.

7. Neither of these Scholarships shall be tenable with a Bell Scholarship or with the Barnes Scholarship.

The Rev. Robert Tyrwhitt, M.A. Fellow of Jesus College who died in 1817, by his Will bequeathed £4000 for the promotion of the study of Hebrew.

The Senate in 1818 decreed the foundation of three Scholarships increased in 1826 to six. The following are the Regulations (Grace of October 22, 1907):

1.—That there shall in future be six Scholarships, called Tyrwhitt's Hebrew Scholarships.

2.—That the candidates for these Scholarships shall be, first (*actualiter*) Bachelors of Arts or Inceptors who are not of sufficient standing to be created Masters of Arts; or secondly, Students in the Civil Law or Medicine, of not less than four or more than seven years' standing, who shall be required, before they are admitted to become candidates, to produce certificates from their respective Professors, that they have kept the exercises necessary for the degree of Bachelor of Law or Physic.

3.—That out of the net annual proceeds of Mr Tyrwhitt's Benefaction the sum of £180 be divided among the six Scholars, in the proportions hereinafter specified.

4.—That the electors to these Scholarships shall be the Regius Professor of Hebrew and two members of the Senate, to be nominated by the different Colleges according to the cycle of Proctors, and appointed by Grace of the Senate at the last Congregation in November in every year; and that these electors shall conduct the examination.

5.—That, if the Regius Professor of Hebrew shall decline, or

prevented from examining, a deputy shall be appointed by a Grace of the Senate.

6.—That the appointment, when requisite, of such deputy by Grace of the Senate take place at the first Congregation of the Lent Term of the year, and that the deputy so appointed continue in office until the first Congregation in the Lent Term of the following year.

7.—That the examination for these Scholarships commence annually on the second Tuesday in May; and that persons intending to be candidates send in their names before the twenty-fifth day of April.

8.—That two Scholars be elected in each year; that the first in the order of merit of these two receive an annual stipend of £40, and the second an annual stipend of £20, for three years from the time of election. That in case of equality of merit the stipend of each be £30 or £20 at the discretion of the electors.

9.—That, should it appear in any case to the majority of the electors that no one of the candidates is deserving of a Scholarship with the stipend of £40 a year, it shall be competent for them to elect one or two Scholars, each with a stipend of £20 a year. The electors shall also have power in each year of awarding out of the surplus of the Benefaction, provided that this will allow of their so doing, one gratuity of not more than £40 to a candidate, who, although not elected to a Scholarship, shall have acquitted himself with credit in the examination.

10.—That each elector appointed by Grace of the Senate, who takes part in the examination, shall receive the sum of £5.

11.—That after the payment out of the proceeds of Mr Tyrwhitt's Benefaction of such Scholarship or Scholarships and such gratuity as may be awarded by the electors under the provisions of Regulations 8 and 9, and the remuneration of the electors, the surplus may be expended in the promotion and encouragement of Hebrew Literature. Any portion of this surplus may be invested and added to the capital of the Benefaction on the recommendation of those with whom the control of the income rests.

12.—That the control of the surplus of Mr Tyrwhitt's Benefaction mentioned in Regulation 11 shall rest with the Vice-Chancellor, the Reader in Talmudic, the University Lecturer in Aramaic and the electors to the Scholarships.

13.—That notwithstanding the name of these scholarships, it shall be competent for the electors to set simple passages for translation from Aramaic into English, together with questions arising out of the same.

WHEWELL SCHOLARSHIPS FOR INTERNATIONAL LAW.

The Rev. William Whewell, D.D., late Master of Trinity College, made provision by his will for the establishment of Scholarships of International Law, which were accepted by Grace of the Senate, Dec. 12, 1867.

The following Regulations were approved by Grace of the Senate May 12, 1898.

1. There shall be eight Scholarships in the University of Cambridge to be called Dr Whewell's Scholarships of International Law. Four of them shall be of the value of £100 a year and four of the value of £50 a year. Provided that if the clear surplus rents and income appropriated for the endowment of the Scholarships shall in any year fall short of the amount required to pay the Scholars in full, then for that year the payments to the Scholars shall abate proportionately but so that the payments made shall not in such case be less than the whole of such clear rents and income for that year.

2. The Electors shall be the Vice-Chancellor, the Master of Trinity College, the Regius Professor of Civil Law, the Professor of Moral Philosophy, the Downing Professor of the Laws of England, and the Professor of Political Economy. The election of the Scholars and the decision of such other questions as may come before the Electors shall be by a majority of the Electors, and in case of an equality of votes the Master of Trinity College shall have a double or casting vote.

3. An Examination and election shall be held every year between the division of the Michaelmas Term and the end of the Year, and the names of Candidates together with such evidence of their age and moral character as may be required must be sent to the Secretary of the Council of Trinity College on or before the last day of October next preceding the Examination.

4. The Scholarships shall be open to all persons whether already members of the University or not who are under the age of twenty-

five on the 1st day of January next ensuing after the election and who shall have produced satisfactory evidence to the Council of Trinity College of their age and that they are of good moral character. Provided that no one who has once gained a Scholarship shall be allowed to present himself for examination in any subsequent year.

5. Two Scholarships one of the value of £100 a year and one of the value of £50 a year shall be offered for competition at each annual examination. Provided that it shall be competent for the Electors at their discretion to leave either or both of such Scholarships vacant or to divide such Scholarships taken together equally between two or among three Candidates.

6. Subject to these regulations every Scholar shall hold his Scholarship for two years from the 1st day of January next after his election. And every Scholar who has not resigned, forfeited or been deprived of his Scholarship may be re-elected but without examination, to a Scholarship for a further period of two years on submitting to the Electors on or before the 29th day of September immediately preceding the vacating of his Scholarship being no more than two years from the 1st day of January next after his first election to a Scholarship, a dissertation or other piece of work on International Law which the Electors shall deem sufficient. Provided that the Scholarship to which any Scholar is re-elected may be of the value of either £100 a year or £50 a year notwithstanding that the Scholarship to be vacated by him may be of less or greater value. Provided also that it shall not be competent for the Electors to make any such re-election as shall increase (either immediately or by the operation of Rule 5 hereof in subsequent years) the total annual sum payable in respect of the Scholarships beyond the sum of £600 or such other sum as may for the time being be the full annual value of all the Scholarships including vacant Scholarships then subsisting.

7. Every person elected to a Scholarship shall be required

(i) If not already a matriculated member of the University to matriculate forthwith,

(ii) If not already either a member of some College or Hostel in Cambridge or a Non-Collegiate Student of the University to become forthwith a member of Trinity College. Provided that any person elected to a Scholarship and being already a member of another College or a Hostel in Cambridge or a Non-Collegiate Student of the University shall be entitled upon application but shall not be required to become a member of Trinity College.

8. Every Scholar shall during his tenure of the Scholarship keep every Term by residence in accordance with the regulations of the University with reference to the residence of persons *statu pupillari* unless and until he shall either before or after or partly before and partly after his election have kept by residence at least six Terms.

9. Every Scholar who is required by these rules to matriculate shall forfeit one-third of his stipend for the year in respect of every Term previous to that in which he matriculates: and every Scholar who is required by these rules to keep Terms by residence shall forfeit one-third of his stipend for the year in respect of every Term which he fails to keep by residence.

10. Every Scholar who being required to matriculate shall have failed for 6 months after his election to matriculate or who being required to keep Terms by residence shall have failed for three consecutive Terms to keep a Term by residence shall thereupon forfeit his Scholarship and be disqualified for re-election. Provided always that the Council of Trinity College may for grave cause approved by them relieve any Scholar from any forfeiture or disqualification incurred under this or the preceding rule.

11. If any person shall have held a Scholarship for a part only of the year he shall be entitled subject to the provisions herein contained regarding forfeiture of emoluments) to one-third of the stipend of such Scholarship for the year in respect of each Term or part of a Term greater than one-half during which he shall have held the Scholarship.

12. All monies arising from the clear surplus rents and income aforesaid which by reason of the vacancy of any Scholarship or the forfeiture under these regulations of the stipend or any part of the stipend of any Scholarship shall not be applied to the payment of the Scholars in any year may if the Council of Trinity College so direct be employed either for making up the amount required to pay the Scholars in full in other years in which such clear rents and income may fall short of such amount of for increasing by such sum and for such period as the Council of Trinity College may think fit the value of any one or more or the existing Scholarships or for providing one or more temporary additional Scholarships of such value or values and subject to such regulations and conditions as the Council of Trinity College may think fit. Provided that subject to the power by this regulation reserved to the Council of Trinity College and so far as the same shall not be exercised all such monies shall be invested and the income thereof appropriated for endowing additional Scholarships or increasing the stipends of the Professorship and the existing Scholarships for the time being in the manner directed by Dr Whewell in his will for the investment and appropriation of certain funds forming part of his residuary personal estate.

13. Any Scholar shall be entitled to one set of chambers in one or other of the Whewell's Courts upon application, provided that any set be vacant at the time, on condition of paying the usual rent, rates, taxes, charges for servants, &c.; and the Council of Trinity College shall assign at their discretion such set of chambers being vacant to any scholar claiming this privilege: but subject to any regulations made by the Council of Trinity College affecting members of the College generally no Scholar shall be compelled to reside in either of the said Courts.

14. In case any Scholar, not being a member of Trinity College, shall claim to reside within the precincts of the said Courts, it shall be competent for the Council of Trinity College to deduct from the stipend due to him by virtue of his Scholarship such sums as he may stand indebted in to the Trust for rent, rates, taxes and other charges above mentioned: and every such Scholar shall be subject to the payment of gate and other fines in the same manner as if he were a member of Trinity College residing in one or other of the above-named Courts.

15. In case any Scholar, not being a member of Trinity College but residing in either of the said Courts, shall be guilty of irregular insubordinate or disorderly conduct or of any offence whatsoever against the good order and discipline of the College, the Council of Trinity College may cancel the privilege in his case of residing in either of the said Courts.

16. If it shall be proved to the satisfaction of the Council of Trinity College that any Scholar, whether resident within the precincts of the said Courts or not, has been guilty of any scandalous offence, they may deprive such Scholar of the emoluments of his Scholarship for such time as they think proper, or they may deprive him of his Scholarship altogether.

17. No Scholar shall be entitled by virtue of his Scholarship to obtain provisions of any kind from the College butteries or kitchens but every Scholar, not being a member of Trinity College but residing within the precincts of the said Courts, shall be at liberty to obtain such provisions from his own College or elsewhere provided that all rules prohibiting the supply to students of Trinity College of liquors during certain hours and of provisions of any kind from shops or inns in the town on Sundays and all similar rules which at present exist or may be made from time to time shall be equally applicable to all Dr Whewell's Scholars resident within the said Courts, whether they be members of Trinity College or not.

18. These regulations shall come into force as soon as they have been adopted by the Council of Trinity College and save as hereinafter provided all other regulations for Dr Whewell's Scholarships shall be rescinded from that date, provided that all Scholars elected before the 1st day of January 1898 shall continue to hold their Scholarships respectively for the periods limited by and subject in all respects to the conditions contained in the regulations in force at the time of their respective elections.

The sum of £73. 7*s.* 6*d.*, ing the surplus of a Fund raised for the purpose of procuring a rsonal memorial in Cambridge of Dr Lightfoot, was added to

the Endowment of this Scholarship in 1893. The following are the Regulations:

1. The Scholarships shall be three in number; they shall be assigned after examination, and shall be open for competition to all members of the University who, having resided at least one year and being still in residence or having taken their first degree, are under 25 years of age, when the Examination begins; but no one who has been elected to one of these Scholarships, shall be allowed to compete again.

2. Each Scholarship shall be tenable for three years.

3. After the payment of the Examiners, as hereinafter directed, one-third of the residue of the annual interest arising from the Fund shall be paid to each Scholar.

4. If at any time a Scholarship is not adjudged owing to the want of duly qualified Candidates, or is vacated by death or resignation or by any other cause, the sums which would have been paid to the holder shall be invested and added to the principal.

5. The Examination shall be conducted by two Examiners to be nominated by the Council and appointed by Grace of the Senate. So far as is found convenient, one Examiner in each year shall be a member of the University of Cambridge and the other a member of the University of Oxford.

6. The Examiners shall be appointed before the close of the Lent Term of the year preceding that in which they are required to examine.

7. Each Examiner shall receive £15.

8. The Examination shall commence in each year on the second Tuesday in the Easter Term.

9. The Examination shall consist of three parts:

This portion may consist of a definite period or periods, or of a definite transaction or transactions, or of a biography or biographies.

(*b*) A choice of subjects for Essays, of which the Candidates shall be required to select one or more, as the Examiners may direct.

Gibbon, Decline and Fall (Ed. Bury), Chs. xvii—xxxi.
Gwatkin, Studies of Arianism.
Dill, Roman Society in the last century of the Western Empire.
Milman, Latin Christianity, Vols. ii—viii, p. 33.
Creighton, History of the Papacy, Vols. i—iv.
Hausser, Period of the Reformation (English Translation).
Ranke, History of the Popes, Vol. i. ii (English Translation).
Philippson, La Contre-révolution religieuse au xvi^e^ siècle.

10. In determining the selected portion of History, and in

etting the subjects for Essays, regard shall be had, as far as possible, to the special object of the foundation, which is the encouragement of the study of Ecclesiastical History in itself and in connexion with General History: and the range of choice in both cases shall be limited to the period between the Accession of Marcus Aurelius (A.D. 161) and the Fall of the Holy Roman Empire (A.D. 1806).

11. If the Examiners are unable to agree between two Candidates, the papers of such Candidates shall be submitted to the Regius Professor of Modern History, or if the Regius Professor of Modern History is one of the Examiners, to the Dixie Professor of Ecclesiastical History. The Professor to whom the papers of the Candidates are thus submitted shall award the scholarship to one or other, or divide it between the two, at his discretion.

12. Besides the name of the successful Candidate, the Examiners shall likewise publish the names of those who have acquitted themselves in the Examination so as to deserve honourable mention.

13. The first Examination for one of these Scholarships shall be held in the Easter Term, 1873: and one Scholarship shall be offered for competition in the same term in each succeeding year. The interest, which shall accrue from time to time before this scheme comes into full operation, shall be invested and added to the principal.

14. The list of books mentioned in the 9th regulation may be revised from time to time by agreement between the Hulsean Professor of Divinity, the Regius Professor of Modern History and the Dixie Professor of Ecclesiastical History for the time being; but any change on which they may agree shall be submitted to the Vice-Chancellor and shall not take effect without his consent.

15. The Senate shall have power from time to time to make such changes in the above regulations as may appear desirable; provided always that the object of the foundation as mentioned in the preamble be strictly respected, and provided likewise that no change be made during the lifetime of the founder without his consent.

BALFOUR STUDENTSHIP.

On the death in July, 1882, of Francis Maitland Balfour, M.A., F.R.S., Fellow of Trinity College, who had been elected on May 31, 1882, Professor of Animal Morphology, a Balfour Memorial Fund was raised by subscription; and investments made from it, £5000 Metropolitan Railway Debenture Stock, and £1500 London and North Western Railway Debenture Stock, were accepted by the Senate by Grace of June 14, 1883, with regulations for the administration of the Fund.

The administration is entrusted to Managers in conjunction with the Special Board for Biology and Geology. Eventually the Managers are to be three in number, to be elected by the Board for periods of five years in each case.

The income from the Fund is to be applied

(1) To endow a Studentship to be called the Balfour Studentship, the holder of which shall devote himself to original research in Biology, especially Animal Morphology.

(2) To further by occasional grants of money original research in the same subject.

The Studentship is to be of the net annual value of £200, or such larger sum as the University may from time to time determine. If at any time the annual income from the Fund is less than £200, the whole is to be paid to the Student.

The Managers nominate to the Studentship and the Board elects. There is no competitive examination, and the Student need not be a member of the University. He must devote himself to original Biological research under penalty of deprivation. The place and the nature of his studies are subject to the approval of the Managers; but, except with leave to the contrary, he must pursue his studies within the University for at least three terms during tenure. The tenure is for three years, but may be renewed for the whole or part of a second period of three years.

Any balance of the income from the Fund is to be devoted to the furtherance of original research in Biology, especially Animal Morphology, by grants for such purpose to the Balfour Student or to any other person engaged in such research.

The University may under specified conditions and with specific exceptions alter the regulations, and may on the recommendation of the Financial Board vary the investments from time to time.

The Managers of the Craven Fund are the Vice-Chancellor and five other persons appointed by Grace of the Senate on the nomination of the Special Board for Classics.

HARKNESS SCHOLARSHIP.

Mrs Pearson, of Penrith, being desirous of promoting the study of Geology and Palæontology in memory of her brother, Robert Harkness, sometime Professor of Geology at Queen's College, Cork, bequeathed to the University the sum of £1750 and the residue of her personal estate for the foundation of a Scholarship for proficiency in the Science of Geology, including Palæontology, to be called the "Harkness Scholarship." Mrs Pearson dying in 1884, the residue of her personal estate amounted to about £1900.

The following Regulations were approved by Grace of the Senate, March 10, 1887:

1. There shall be a Scholarship to be called the Harkness Scholarship which shall be awarded annually for proficiency in Geology including therein Palæontology.

2. Any member of the University shall be eligible to the Scholarship who has passed some final Examination for the degree of Bachelor of Arts provided that on the day of election not more than three years have elapsed since the 19th day of December next following the said final Examination.

3. A Scholar shall be elected in the month of June in each year by a Board of Electors consisting of the Vice-Chancellor, the Woodwardian Professor of Geology, the Examiners in Geology for the Natural Science Tripos for that year and those for the preceding year, and one additional Elector who shall be nominated by the Special Board for Biology and Geology and appointed by the Senate in the Michaelmas Term of every third year, and who shall hold office for three years.

If the place of such additional Elector shall become vacant before the end of the three years, a successor shall be appointed in like manner for the remainder of the three years.

No business shall be transacted unless three members of the Board be present.

4. The names of candidates shall be made known to the Vice-Chancellor not later than May 31 in each year.

5. In making the award the Electors shall have regard to proficiency in Geology including therein Palæontology, and to promise of future work.

6. The Electors shall have authority to take any steps they think advisable to enable them to ascertain the qualifications of the candidates; any necessary expenses incurred by them in so doing shall be charged on the Fund.

7. The Scholar shall receive one moiety of the net annual income of the Fund upon election and the other moiety at the Christmas next following.

8. In case no person be deemed worthy of the Scholarship the income for that year shall be placed to a Reserve Fund.

9. The Board of Electors may if they think fit make a grant to be paid out of the Reserve Fund to the Scholar to assist him in prosecuting Geological or Palæontological researches.

10. In case the Reserve Fund at any time exceed £250 the excess over £250 shall be carried to the Capital Fund.

JOHN LUCAS WALKER STUDENTSHIP AND EXHIBITIONS.

Mr John Lucas Walker having left by will in 1886 to the then Attorney-General a sum of money to be spent in the promotion, without regard to sect or party, of Scientific or Literary Research, or of either of those objects in Cambridge or in London or in both places, the following Scheme and Regulations were submitted by the Attorney-General to the University, and accepted by Grace of the Senate, March 10, 1887.

1. The Fund shall be called the "John Lucas Walker Fund," and shall be devoted to the furtherance of original research in Pathology.

2. The Trust Fund shall consist of £4,162 North-Eastern Railway per Cent. Debenture Stock and £4,120 London and North-Western Railway 4 per Cent. Debenture Stock, invested in the name of "The Chancellor, Masters and Scholars of the University of Cambridge," and of any other monies from time to time invested by the Managers pursuant to the powers hereinafter mentioned, and of the dividends or income from time to time arising from such investments.

3. The administration of the Fund shall be entrusted to the Professor of Pathology in the University of Cambridge, in conjunction with a Board consisting of three Managers.

The Regius Professor of Physic in the University of Cambridge, the Professor of Physiology in the University of Cambridge, and the President of the Royal College of Physicians of London, shall be the Managers.

No resolution of the Managers shall be valid unless approved of by at least two Managers, at a meeting to which all the Managers have been summoned.

4. In case a Deputy shall be appointed in accordance with the provisions of Stat. B, ch. xi, §§ 8 and 9 of the Statutes of the University of Cambridge, to discharge the duties of any of the three Professors aforesaid, such Deputy shall, for all the purposes of these regulations, take the place and exercise the powers of the Professor whose Deputy he is, during such time as he may be acting as such Deputy.

5. The income of the Trust Fund shall from time to time as and when received be paid to the Managers and placed to a separate account, and shall be applied from time to time as follows:—

(1) To endow a Studentship to be called the John Lucas Walker Studentship, the holder of which shall devote himself to original research in Pathology.

(2) To further original research in Pathology, by additional Studentships or Exhibitions, Prizes or Grants, at Cambridge or in London.

6. The Studentships, Exhibitions, and Prizes may be held by and awarded to persons of either sex, and words of the masculine gender hereinafter used shall import the feminine.

Regulations respecting the John Lucas Walker Studentship.

7. The Studentship shall be of the annual value of £200, or of such larger annual sum, not exceeding £300, as the Managers shall from time to time determine.

8. Three months before the date at which, in due course, the Studentship would become vacant, or immediately upon the occurrence of any casual vacancy, the Professor of Pathology shall give such public notice thereof as the Managers may think desirable; and the Professor of Pathology shall report to the Managers upon the qualifications of all candidates whose names are sent in to him. The Professor of Pathology shall at the same time nominate one of the candidates as the person best qualified, in his opinion, for election, and the Managers shall either elect the person so nominated, or such other of the candidates as the three Managers may unanimously agree to elect.

9. The nomination and election shall be made so that the newly-elected Student may be able to enter upon the Studentship as soon as the vacancy occurs, or as soon after as is practicable.

10. The Studentship shall not be awarded by the result of a competitive examination.

11. Subject to the foregoing provision, the Professor of Pathology or the Managers may take such steps as they may think fit to ascertain the qualifications of the candidates.

12. The Student shall not necessarily be a member of the University of Cambridge.

13. The Student during his tenure of the Studentship shall devote himself to original Pathological research, and shall not systematically follow any business or profession, or engage in any educational or other work, which, in the opinion of those entrusted with the administration of the Fund, would interfere with his original enquiries. In any books, papers, or publications in which the Student may publish the results of the investigations carried on during his Studentship, he shall, where practicable, describe himself as the "John Lucas Walker Student."

14. If the Professor of Pathology shall at any time learn that the Student is following any such business or profession, or has undertaken any such work as will in the opinion of such Professor interfere with his original enquiries, he shall at once call upon him to desist from the same, and if he shall refuse or neglect so to do, the Professor of Pathology shall report the circumstances to the Managers, and the Managers may, if they think fit, remove such Student from the Studentship.

If the Professor of Pathology shall be of opinion that, through any other causes, such as confirmed ill health or want of diligence, the Student is not fulfilling and is not likely to fulfil the objects of the Studentship, he shall report accordingly to the Managers, and the Managers may, if they see fit, remove such student from the Studentship.

If, during his Studentship, a Student is appointed a Professor, or elected to and accepts a Fellowship, other than an Honorary Fellowship, he shall vacate his Studentship as from the day on which such appointment or election takes effect.

15. The place and nature of the studies of the Student shall be subject to the approval of the Professor of Pathology, provided that the Student shall be bound to pursue his studies within the University during at least three terms of his tenure of the Studentship, unless the Professor of Pathology shall, with the approval of the Managers, dispense with such requirement for special reasons. The Professor of Pathology shall take such steps as he may think necessary to satisfy himself as to the diligence and progress of the Student, and may require from him any reports or other information on the subject of his studies which he may think desirable

16. The Studentship shall, subject as hereinbefore mentioned, be tenable for three years, at the end of which time a fresh nomination and election shall take place; but it shall be lawful for the Professor of Pathology, if he shall think fit, to recommend, and for the Managers, if they shall think fit, to elect, for a second period not exceeding two years, any Student whose labours during the period of his holding the Studentship shall have been of such exceptional promise that it would, in the opinion of the Professor of Pathology and of the Managers, be clearly in the interests of Pathological research that such Student should continue to hold the Studentship for such further period.

17. The income of the Studentship shall be payable to such Student from the date of his appointment, and shall be paid to the Student by equal quarterly payments, the payment for each quarter being made in advance.

18. If, after due notice of a vacancy, there shall be, in the opinion of the Managers, no suitable candidate for the Studentship, it shall be lawful for the Professor of Pathology, with the approval of the Managers, to suspend the election for a time not greater than one year, and if at the expiration of such time there shall, after notice of the vacancy given, be no suitable candidate as aforesaid, the election may be again suspended in the same way, and so on until, in the opinion of the Managers, there shall be a suitable candidate for the Studentship.

19. The income of the Studentship during any vacancy shall be added to the Reserve Fund hereinafter mentioned.

Regulations respecting the John Lucas Walker Exhibitions and Prizes.

20. Exhibitions or Prizes may from time to time be awarded by the Managers to any person in respect of any essay, discovery, or meritorious service connected with or conducing to the Science of Pathology.

21. No Exhibition or Prize shall exceed the value of £50, and not more than £50 shall be expended in any one year in such Exhibitions or Prizes.

22. No Exhibition or Prize shall be awarded to any person during the tenure by such person of the John Lucas Walker Studentship.

Regulations respecting the Balance of Income.

23. The balance of the income of the Trust Fund, after providing for the Studentship Exhibitions and any Prizes which may have been awarded, and for any necessary expenses connected with the management and application of the Trust Fund, may be devoted to the furtherance of original research in Pathology.

24. Grants for this purpose may be made by the Managers on the recommendation of the Professor of Pathology, either to the John Lucas Walker Student or to any other person engaged in such research, subject to any conditions made by the Professor of Pathology with the approval of the Managers.

25. Any unapplied balance of income of the Trust Fund shall be carried to a Reserve Fund.

26. The Reserve Fund, or any portion of it, may be from time to time invested by the Managers in the name of the Chancellor, Masters and Scholars of the University of Cambridge in such manner as they shall think fit.

27. Grants may be made from the Reserve Fund in the same way as from the annual income.

28. If on any occasion the Professor of Pathology shall recommend, and the Managers shall be of opinion that a second John Lucas Walker Student should be appointed, and the Funds at the disposal of the Managers will admit of such appointment, such second Student may be

appointed in the manner aforesaid; such Studentship shall be tenable for such period not exceeding three years, and shall be of such annual value, not exceeding £200, as the Professor of Pathology, with the approval of the Managers, may determine. The stipend of such second John Lucas Walker Studentship shall be payable out of the Reserve Fund, and for this purpose the Managers may have recourse as well to the capital as the income of the Reserve Fund.

29. These regulations, except regulation 1 and regulation 29, shall be subject to alteration, by Grace of the Senate, at any time after five years from the date of the acceptance of the Fund by the University, provided that the regulations marked 5, 7, 10, 12, 13, 20, 21 and 23 shall not be altered before the expiration of fifty years from the aforesaid acceptance, and that in all cases the main object of the Fund, viz., the furtherance of original research in Pathology, shall be adhered to.

1. The Fund shall be called the Prendergast Fund, and shall be devoted to the furtherance of study and research in the Greek Language, Literature, History, Philosophy, Archaeology and Art.

2. The trustees of the Fund shall be the Master Fellows and Scholars of Trinity College.

3. The income of the Fund shall be applied in the first instance to the maintenance of a student to be called the Prendergast Student, whose duty it shall be to devote himself to study or research in the Greek Language, Literature, History, Philosophy, Archaeology or Art.

In the first instance one of the four appointed electors shall be appointed for five years, one for four years, one for three years, and one for two years. All subsequent appointments shall be made for four years. If any of the four appointed electors shall die, resign, or become incapable of acting, another person shall be appointed in like manner in his place for the remainder of the

time for which he was appointed. All the powers of the electors may be exercised by a majority of those present at a meeting duly summoned, provided that three electors at least be present.

7. Any member of the University shall be eligible to the Studentship who has passed some final examination for the degree of Bachelor of Arts, provided that on the day appointed for the election in any year not more than four years have elapsed since the 19th day of December next following the said final examination.

8. It shall be the duty of the Student to devote himself to study or research as aforesaid, according to a course proposed by himself and approved by the electors, provided that such course may in special cases be altered or varied with the consent of the electors.

9. A Student shall be elected once in every two years at such time and in such manner as the University may by Grace determine.

10. The electors shall have authority to take any steps they think advisable to enable them to ascertain the qualifications of the Candidates; provided that the Studentship shall not be awarded by competitive examination.

11. The Studentship shall be tenable for one year, of which some considerable portion, to be determined by the electors, shall be spent away from Cambridge; provided that the electors may for sufficient cause relax this condition in special cases.

12. The emolument of the Student shall be £200, provided that the income of the Fund be capable of bearing such charge, to be paid by half yearly payments, each payment to be made in advance, subject as regards the second payment to the electors being satisfied that the Student is diligently carrying out his course of study or research.

13. If after due notice of a vacancy, there shall be in the opinion of the electors no suitable candidate, it shall be lawful for the electors to suspend the election for a time not greater than one year.

14. The income of the Fund not payable to any Student shall be paid to a Reserve Fund from which grants may be made in furtherance of study or research as aforesaid, or any necessary expenses may be defrayed which may be incurred in ascertaining the qualifications of a candidate. Any portion of the Reserve Fund may on the recommendation of the electors be invested by the Trustees and added to the Capital of the Fund.

15. The Studentship shall not be tenable together with the Craven Studentship.

16. A Student shall be capable of re-election.

CLERK MAXWELL SCHOLARSHIP.

In 1887, Mrs Clerk Maxwell bequeathed the residue of her estate, amounting to about £6000, to the University for the purpose of founding a Scholarship in the Cavendish Laboratory at Cambridge. The following regulations were sanctioned by Grace of the Senate, June 12, 1890.

1. The Fund shall be called the Capital Fund of the Clerk Maxwell Scholarship and shall be invested in the name of The Chancellor Masters and Scholars of the University of Cambridge.

2. A Scholarship to be called the Clerk Maxwell Scholarship shall be instituted in the University in connexion with the Cavendish Laboratory,

for the advancement by original research of Experimental Physics and especially of Electricity, Magnetism, and Heat.

3. The person elected to the Scholarship shall be called the Clerk Maxwell Student in Experimental Physics.

4. Any member of the University who has been a student for one Term or more in the Cavendish Laboratory shall be eligible for the Scholarship.

5. The Electors to the Scholarship shall be the Cavendish Professor of Experimental Physics and the Lucasian Professor of Mathematics, and in case of any difference of opinion between them the final decision shall rest with the Master of Trinity College or with some one specially appointed by him for this purpose.

6. In case a Deputy shall be appointed in accordance with the provisions of Statute B, chapter XI. sections 8 and 9 of the Statutes of the University of Cambridge, to discharge the duties of either of the two Professors aforesaid, such Deputy shall, for all the purposes of these Regulations, take the place and exercise the powers of the Professor whose Deputy he is, during such time as he may be acting as such Deputy.

7. The Electors in electing the Student shall be guided by the promise shewn by the candidate of capacity for original research in Experimental Physics, and shall take such steps as they may think desirable to enable them to form a judgment of such promise.

8. The Student so elected shall devote himself under the direction of the Cavendish Professor to original research in Experimental Physics within the University; he may however carry on his researches elsewhere if he has first obtained the written permission of the Cavendish Professor to do so.

9. The Scholarship shall be tenable for three years, and a Student who has once held the Scholarship shall not be capable of re-election.

10. The net annual income of the Capital Fund shall be paid to the Student in equal quarterly instalments, and the first instalment shall be paid on and the tenure of his Scholarship date from the quarter day next after his election.

11. The Student shall not during his tenure of the Scholarship systematically follow any business or profession or engage in any educational or other work which in the opinion of the Cavendish and Lucasian Professors would interfere with his duties as Student.

12. If the Cavendish Professor and the Lucasian Professor shall be of opinion that the Student by engaging in some business or occupation or from confirmed ill health or want of diligence, or from other causes, is not fulfilling the conditions of the Scholarship, they shall report their opinion to the Special Board for Physics and Chemistry and the Board may then if they see fit remove the Student from the Scholarship.

13. Not later than one month before the date at which in due course the Scholarship becomes vacant or immediately upon the occurrence of any casual vacancy the Cavendish Professor shall give such public notice thereof as the Electors may think desirable. The election shall be made as soon after the vacancy as is practicable, and the result communicated to the Vice-Chancellor for publication to the Senate.

14. If after due notice of the vacancy has been given there shall be in the opinion of the Electors no suitable candidate for the Scholarship, the Electors may suspend the election for a time not greater than one year, and if at the end of that time after due notice of the vacancy has been given there shall again be no suitable candidate the election may be again suspended, and so on until a suitable candidate is found. Every such suspension of election shall be communicated to the Vice-Chancellor for publication to the Senate.

15. The income of the Scholarship during any vacancy shall be invested from time to time in the name of the Chancellor, Masters and Scholars of the University of Cambridge, and form part of the Capital Fund.

16. These Regulations except Regulations 1, 2, 5, 9, and 15 shall be subject to alteration by Grace of the Senate at any time after five years from the acceptance of the Capital Fund by the University, provided that in all cases the purpose of the foundation shall be adhered to, namely the advancement by original research of Experimental Physics, and especially of Electricity, Magnetism, and Heat.

ISAAC NEWTON STUDENTSHIPS.

In 1890 Mr Frank M^{c}Clean offered securities to the value of about £12,500, for the founding of Isaac Newton Studentships in Astronomy and Physical Optics. The offer was accepted and the following Regulations approved by Grace of the Senate, March 5, 1891.

1. The Fund shall be called the Isaac Newton Studentships Fund and shall be devoted to the encouragement of study and research in Astronomy (especially Gravitational Astronomy but including other branches of Astronomy and Astronomical Physics) and Physical Optics.

2. The Fund shall consist of the following securities: £3200 A Ordinary Stock of the Gas Light and Coke Company and £2100 B Stock of the South Metropolitan Gas Company or such stocks funds and securities as shall from time to time represent or be added to the aforesaid sums of stock.

3. The Trustees of the Fund shall be the Master Fellows and Scholars of Trinity College. The Trustees shall have power, during the lifetime of the donor Frank M^{c}Clean M.A. with his consent in writing and after his decease at their own discretion, from time to time to convert into money the Trust Fund or any part thereof and to re-invest the same in or upon any other stocks funds and securities, whether or not stocks funds and securities in or upon which investments can ordinarily be made by trustees, and so as that as far as may be practicable the income of the Trust Fund shall not be diminished below the present amount: and they shall not be responsible for any loss which may arise in the exercise by them of the aforesaid discretionary power.

4. In case and so often as the income of the Trust Fund shall fall short of the sum of £750 then in each year after payment of all expenses of and attending the execution of the trust and of the amounts payable to the Electors and to the Students or Student the residue of the income or so much thereof as shall be required to be invested for the purpose of raising the income to the aforesaid amount of £750 shall be added to and form part of the capital of the Trust Fund and be accordingly invested in or upon any such stocks funds and securities as aforesaid.

5. The income of the Fund shall be primarily applicable to the maintenance of three Students to be called the Isaac Newton Students whose duty it shall be to devote themselves to study and research in Astronomy (especially and including as aforesaid) and Physical Optics.

6. The persons eligible to the Studentships shall be members of the University who have been admitted to the degree of Bachelor of Arts and who shall be under the age of 25 years on the first day of January next preceding the date of election.

7. The Electors to the Studentships shall be the Vice-Chancellor, two Professors of the University to be nominated by the Council of the Senate, two Members of the Senate to be nominated by the Special Board for Mathematics and one Member of the Senate to be nominated by the Special Board for Physics and Chemistry, each of the said five Electors to be appointed by Grace on the nomination aforesaid at the second Congregation of the Michaelmas Term: all appointments shall be made for four years. If any of the five appointed Electors shall die resign or become incapable of acting another person shall be appointed in like manner in his place for the remainder of the time for which he was appointed. There shall be payable to each Elector out of the income of the Trust Fund in respect of each year of his tenure of office the sum of £7. 10*s*. All the powers of the Electors may be exercised by a majority of those present at a meeting duly summoned provided that three Electors at least be present. In every year there shall be in the Michaelmas Term a meeting of the Electors to consider any business which may present itself: and in the Lent Term a meeting for Election whereof due notice shall be given, and Candidates shall be invited to send in their applications to the Vice-Chancellor with testimonials and such other evidence of their qualifications and as to their proposed course of study or research as they may think fit.

8. The Electors shall take such steps as they think fit for ascertaining the intellectual qualifications of the Candidates and in particular they shall attach such weight as they may think fit to the place of a Candidate in the first and second parts or either of them of the Mathematical Tripos: they shall also take such steps as they may think fit for ascertaining the prospect that a Candidate if elected will *bona fide* and with due diligence devote himself to study and research in accordance with these Regulations.

9. It shall be the duty of the Student to devote himself during the tenure of his Studentship to study or research as aforesaid according to a course proposed by himself and approved by the Electors, provided that such course may in special cases be altered or varied with the consent of the Electors. The Student's course of study or research shall be pursued at Cambridge under such conditions as to residence and otherwise as the Electors may determine but the Electors may for special reasons direct or authorise the same to be pursued in any other place and under such conditions as they may think fit.

10. The meeting for Election shall be held and in the ordinary course one Student elected in the Lent Term in each year, the Studentship to date from the 15th day of April in the same year and to be tenable for three years.

Elections to additional Studentships (if any) provided for out of the Suspense Fund as hereinafter mentioned shall also be made at the Annual Election. But in any year whatever be the number of vacancies the Electors if in their opinion there shall be no suitable Candidate shall not be bound to make any election. And the Electors may if they think fit defer an election to a subsequent meeting in the same term.

11. The emolument of the Student shall be £200 per annum provided that the income of the Fund (after payment of all expenses of and attending the execution of the trust and the amount payable to the Electors) shall be capable of bearing such charge and shall be paid to the Student by equal half yearly payments subject as regards each payment to the Electors being satisfied that the Student is diligently carrying out his course of study or research, but so nevertheless that if by illness or any other grave cause the Student shall have been prevented from thus carrying out his course of study or research, the Electors shall take account of the circumstances and shall be at liberty to make to the Student the full payment for the half year.

12. If a Student shall in the opinion of the Electors fail in diligently carrying out his course of study or research, and in consequence thereof they shall have withheld from him two successive half year's payments of his Studentship it shall be lawful for the Electors as from the expiration of the last of the same two half years to remove the Student from his Studentship.

13. Subject to the payment of expenses as aforesaid and to the aforesaid payment to the Electors the income not payable to any Student or so much thereof as is not hereinbefore required to be added to the capital of the Trust Fund shall be paid to a Suspense Fund which shall be applicable to the purchase of any instruments or apparatus required by a Student in his course of study or research or for the payment of any extraordinary expenses. All such instruments or apparatus shall in the absence of any arrangement to the contrary be regarded as the property of the trust and may be disposed of in such manner as the Electors think fit, or the same may at any time be sold and the produce thereof added to the Suspense Fund. The Trustees shall have power to make at any time such temporary investments as they shall think fit of the Suspense Fund or any part thereof, the income arising therefrom to belong to the Suspense Fund. If at any time the amount of the Suspense Fund shall admit thereof the Trustees may authorise the Electors either to continue for one additional year the Studentship of any Student who in the opinion of the Electors shall have by his diligent and successful carrying out of his course of study or research deserved the same or they may authorise the Electors to elect to an additional Studentship or Studentships tenable for a year or for two years. The Suspense Fund shall be spent as far as may be for the purposes aforesaid or any of them and shall not ordinarily be allowed to accumulate to an amount exceeding £1000.

14. A Student elected to a Studentship tenable for less than three years shall not thereby become incapable of election (in lieu or at the expiration thereof) to a Studentship tenable for three years but except as aforesaid a Student shall not be capable of re-election.

15. These Regulations except Regulations 1, 2, 3, 4 and 5 shall be subject to alteration by Grace of the Senate but in the lifetime of the said Frank McClean only with his consent in writing and so always that the main object of the Fund namely the encouragement of study and research in Astronomy (especially Gravitational Astronomy but including other branches of Astronomy and Astronomical Physics) and Physical Optics be adhered to.

GERSTENBERG STUDENTSHIP.

Founded by Mrs Philipps in memory of her brother, Arnold Gerstenberg, B.A., late of Trinity College, with the object of promoting the study of Moral Philosophy and Metaphysics among students of Natural Science, both men and women, under the conditions contained in the following Regulations (Grace of May 19, 1892).

1. As soon as the sum of £2,000 shall have been transferred to the Master, Fellows and Scholars of Trinity College, as Trustees, there shall be established a Studentship to be called "The Arnold Gerstenberg Studentship."

2. A Board of Managers shall be constituted consisting of the Knightbridge Professor of Moral Philosophy, the Professor of Mental Philosophy and Logic, when and as soon as such Professor is appointed, two members elected by the Special Board for Moral Science, one member elected by the Special Board for Physics and Chemistry and one member elected by the Special Board for Biology and Geology. The elected members of the Board of Managers shall ordinarily be elected for a period of six years: provided that at the first election, the member elected by the Special Board for Biology and Geology, and one of the members elected by the Special Board for Moral Science, shall be elected for three years only. In the case of any vacancy occurring among the elected members of the Board of Managers from any other cause than the expiration of the time of tenure a new member shall be elected without delay by the Special Board which elected the person whose substitute he is: and the person elected to fill such vacancy shall continue a member of the Board as long as the person whose substitute he is would have continued.

3. The examiners or adjudicators who shall award the Studentship shall be nominated by the Board of Managers and elected by Grace of the Senate. Such examiners or adjudicators may be members of the Board or other persons, and shall receive such payment as the Board may from time to time determine.

4. The Studentship shall be awarded after competition by means of examination or essay, or both combined, as the Board of Managers may from time to time determine.

5. The time at which the examination is to be held, or before which essays are to be sent in, together with the subject or subjects of the examination or essay, shall on each occasion be fixed and published at least one year previously by the Board of Managers, or if the Board think fit by the examiners or adjudicators, provided that the subject or subjects fixed shall be among those comprised within the range of Psychology, Logic, Moral and Metaphysical Philosophy, and History of Philosophy.

6. The Studentship shall be open to men and women who in the Examination for Part I. or Part II. of the Natural Sciences Tripos have acquitted themselves so as to deserve honours: provided that eighteen complete terms shall not have elapsed between the first term of the residence of any candidate and the time at which the examination is held, or before which essays are to be sent in.

7. Except as hereinafter provided in Regulation 11, the candidates for the Studentship must declare their intention, if successful, of pursuing a course of Philosophical study.

8. Except as hereinafter provided in Regulation 11, the Studentship shall be awarded once in every three years, unless in any year there be no properly qualified candidates, and shall be tenable for two years, upon the condition that at the end of the first year the Student's progress in Philosophical study is satisfactory. The Board of Managers may require such proof of this as they think expedient.

9. The Student shall receive in each year by way of stipend the income derived from the capital of the trust for the time being for a period of eighteen months, after deducting the sum required for the payment of examiners or adjudicators.

10. If at any time a Studentship is not awarded owing to the want of properly qualified candidates, or is vacated by death or resignation or by non-fulfilment of the condition mentioned in Regulation 8 or by any other cause, the sums which would have been paid to the holder shall be invested and added to the principal.

11. It shall be in the power of the Board of Managers at any time to suspend Regulations 7 and 8, and, in the place of a Studentship tenable under those Regulations to substitute a Studentship free from all conditions as to subsequent study but tenable for one year only: and it shall be the duty of the Board to make this substitution temporarily or permanently, if the Studentship offered under the above Regulations has on two successive occasions not been awarded, owing to the want of properly qualified candidates. The Studentship thus substituted shall be offered for competition at intervals of not more than two years, so long as the substitution is maintained.

12. The Senate shall have power from time to time to make such changes in the above Regulations as may appear desirable: provided always (1) that the object of the foundation be strictly respected, such object being the promotion of the study of Moral Philosophy and Metaphysics among students of Natural Science, both men and women, (2) that no change be made during the lifetime of the foundress without her consent.

13. If at any future time the Examination for the Natural Sciences Tripos shall not be open to both men and women or if for any reason it shall be rendered impossible to fulfil the conditions laid down in the above scheme of Regulations then it shall be lawful for Mrs Philipps if living and after her death for the Trustees to frame fresh Regulations for the Studentship but so that any new Regulations shall be such as will be calculated to carry out in the best possible way the object with which the Studentship was founded and no other.

Provided that if the Regulations so framed fail to obtain the assent of the University then the trust-money shall be handed over to some University in the United Kingdom whose Examinations for degrees are open to both men and women and which is willing to carry out the object with which the Studentship was founded: such University to be chosen by Mrs Philipps if living, and after her death by the Trustees: and in the case of the trust-money being handed over as aforesaid to another University, the receipt of the proper officer shall be a complete discharge of the original Trustees from all liability connected with the trust.

Provided further that if there shall be a failure so to hand over the trust-money to such other University, or if for any other cause there shall be a failure of the object of the foundation, then the person who for the time being is the heir-at-law of Mrs Philipps shall be entitled to the trust-money absolutely.

LEVY STUDENTSHIP IN BIO-CHEMISTRY.

Founded by a Committee formed to perpetuate the memory of the late Mr Benn Wolfe Levy. The offer of the Committee was accepted by Grace of the Senate, March 10, 1910. The following Regulations were approved by Grace of the Senate, March 10, 1910.

1. The Fund shall be called the Benn W Levy Fund, and shall be devoted to the furtherance of original research in Bio-Chemistry.

2. The Trust Fund shall consist of
£1500 New South Wales 3½ per cent. Inscribed Stock 1930/50
£1550 Queensland 3½ per cent. Inscribed Stock 1945
invested in the names of :

The Chancellor, Masters and Scholars of the University of Cambridge and Eliot Levy of "Lismore," Aigburth Drive, Liverpool, Lancashire, and on the death or retirement of Eliot Levy, or any substitute, a relative of Benn W. Levy if so desirous may on the nomination of the next of kin of Benn W. Levy be appointed as Trustee in place of Eliot Levy, or such substitute, to the intent that a relative of Benn W. Levy may from time to time be appointed one of the Trustees

and of any other monies from time to time invested by the Managers pursuant to the powers hereinafter mentioned, and of the dividends or income from time to time arising from such investments, and such investments may, from time to time, be varied for other investments in which trust funds may be invested.

3. The administration of the Fund shall be entrusted to the Reader in Chemical Physiology in the University of Cambridge, in conjunction with a Board consisting of six Managers. The Managers shall be: The President of the Royal College of Physicians of London, and five members of the University approved by Grace of the Senate, namely, two nominated by the Special Board for Medicine, two nominated by the Special Board for Biology and Geology, and one nominated by the Special Board for Physics and Chemistry, each to serve for four years. On the occasion of the first appointment the Special Board for Medicine and the Special Board for Biology and Geology shall each appoint one Manager to serve for four years and one for two years. Retiring Managers shall be re-eligible. No resolution of the Managers shall be valid unless approved of by at least two Managers, at a meeting to which all the Managers have been summoned.

4. The income of the present Trust Fund not exceeding £100 per annum shall from time to time as and when received be paid to the Managers and placed to a separate account, and shall be applied from time to time:

To endow a Studentship to be called The Benn W. Levy Studentship, the holder of which shall devote himself to original research in Bio-Chemistry.

Any income from the Trust Fund not applied for the purpose aforesaid or accruing during any vacancy in the Studentship shall be accumulated and added to the capital of the fund and when such Trust Fund together with such accumulated income shall amount to £4000 the full income of such Trust Fund and accumulated fund shall be applied for the purposes of the said studentship but the Managers shall have power at any time and from time to time to apply the accumulations or any part thereof to make good any deficiency in the income of £100 per annum in any year.

5. The Studentship shall be open to Members of the University of Cambridge who have been admitted to a degree or to Members of Girton or Newnham Colleges who have acquitted themselves so as to deserve honours and have fulfilled the conditions respecting length of residence which Members of the University are required to fulfil before being admitted to a degree and shall be awarded to the ablest student who without such studentship would not be able to pursue such studies and may be awarded to and held by persons of either sex, and words of the masculine gender herein used shall import the feminine.

6. Three months before the date at which, in due course, the Studentship would become vacant, or immediately upon the occurrence of any casual vacancy, the Reader in Chemical Physiology shall give such public notice thereof as the Managers may think desirable, and the Reader in Chemical Physiology shall report to the Managers upon the qualifications of all candidates whose names are sent in to him. The Reader in Chemical Physiology shall at the same time nominate one of the candidates as the

person best qualified, in his opinion, for election, and the Managers shall either elect the person so nominated, or such other of the candidates as the Managers present may unanimously agree to elect.

7. The nomination and election shall be made so that the newly-elected Student may be able to enter upon the Studentship as soon as the vacancy occurs, or as soon after as is practicable.

8. The Studentship shall not be awarded by the result of a competitive examination.

9. Subject to the foregoing provision, the Reader in Chemical Physiology and the Managers may take such steps as they may think fit to ascertain the qualifications of the candidates.

10. The Student during the tenure of the Studentship shall devote himself to original research in Bio-Chemistry, and shall not systematically follow any business or profession, or engage in any educational or other work, which, in the opinion of those entrusted with the administration of the Fund, would seriously interfere with his original enquiries. In any books, papers, or publications in which the Student may publish the results of the investigations carried on during his Studentship, he shall, where practicable, describe himself as The Benn W. Levy Student.

11. If the Reader in Chemical Physiology shall at any time learn that the Student is following any such business or profession, or has undertaken any such work as will in the opinion of such Reader seriously interfere with his original enquiries, he shall at once call upon him to desist from the same, and if he shall refuse or neglect so to do, the Reader in Chemical Physiology shall report the circumstances to the Managers, and the Managers may, if they think fit, remove such Student from the Studentship.

If the Reader in Chemical Physiology shall be of opinion that through any other causes, such as confirmed ill-health or want of diligence, the Student is not fulfilling and is not likely to fulfil the objects of the Studentship, he shall report accordingly to the Managers, and the Managers may, if they see fit, remove such Student from the Studentship.

12. The place and nature of the studies of the Student shall be subject to the approval of the Reader in Chemical Physiology, provided that the Student shall be bound to pursue his studies within the University during at least three terms of his tenure of the Studentship, unless the Reader in Chemical Physiology shall, with the approval of the Managers, dispense with this requirement for special reasons. The Reader in Chemical Physiology shall take such steps as he may think necessary to satisfy himself as to the diligence and progress of the Student, and may require from him any reports or other information on the subject of his studies which he may think desirable.

13. The Studentship shall, subject as hereinbefore mentioned, be tenable for one or two years at the option of the Managers, at the end of which time a fresh nomination and election shall take place; but it shall be lawful for the Reader in Chemical Physiology, if he shall think fit, to recommend, and for the Managers, if they shall think fit, to elect, for a further period not exceeding one year, any Student whose labours during the period of his holding the Studentship shall have been of such exceptional promise that it would, in the opinion of the Reader in Chemical Physiology and of the Managers, be clearly in the interests of research in Bio-Chemistry that such Student should continue to hold the Studentship for such further period.

14. The income of the Studentship shall be payable to such Student from the date of his appointment, and shall be paid to the Student by equal quarterly payments, the payment for each quarter being made in advance.

15. If, after due notice of a vacancy, there shall be, in the opinion of

the Managers, no suitable candidate for the Studentship, it shall be lawful for the Reader in Chemical Physiology, with the approval of the Managers, to suspend the election for a time not greater than one year, and if at the expiration of such time there shall, after notice of the vacancy given, be no suitable candidate as aforesaid, the election may be again suspended in the same way, and so on until, in the opinion of the Managers, there shall be a suitable candidate for the Studentship.

16. The income of the Studentship during any vacancy shall be added to the accumulation fund hereinbefore mentioned.

17. These regulations, except regulations 1, 4, 10 and 17, shall be subject to alteration by Grace of the Senate always provided that the main object of the Fund, namely the furtherance of original research in Bio-Chemistry, shall be adhered to.

(Grace of April 26, 1894.) A sum of about £1800 was offered to the University by certain members of the Old and New Testament Revision Companies for the purpose of forming an augmentation of the Hort Memorial Fund, this sum to be called the Revision Surplus Fund and to be administered by the managers of the Hort Memorial Fund. (Accepted by Grace of June 18, 1896.)

1. There shall be a Fund in the University called the "Hort Memorial Fund," which shall be devoted to the promotion of Biblical, Hellenistic, and Patristic Research.

The Managers shall also be empowered to receive donations, subscriptions, and bequests for the augmentation of the Capital of the Fund.

7. The accounts of the Managers shall be audited annually and published with the University Accounts.

8. These Regulations, except Regulation 1 and Regulation 8, shall be subject to alteration by Grace of the Senate, provided that the object of the Fund, viz. the promotion of Biblical, Hellenistic, and Patristic research, be adhered to.

9. Subject to the foregoing Regulations, it shall be lawful for the Managers from time to time to make, and if they see fit to vary, such Bye-Laws as may seem to them expedient for regulating their own proceedings and the administration of the Fund entrusted to their care.

MAITLAND MEMORIAL FUND.

THE Executive Committee of the Frederic William Maitland Memorial Fund offered the balance of the Fund (after providing a Bronze Bust) to the University of Cambridge to be held by it in Trust for the promotion of research and instruction in the History of Law and of Legal Language and Institutions. The offer was accepted by Grace of the Senate, Nov. 10, 1909, and the following Regulations were approved by Grace of the Senate, January 20, 1910.

1. There shall be a Fund in the University called The Frederic William Maitland Memorial Fund, which shall be devoted to the promotion of research and instruction in the History of Law and of Legal Language and Institutions.

2. The Capital of the Fund shall be invested, in the name of the Chancellor, Masters and Scholars of the University of Cambridge, in government securities or in other securities in which Trustees are by law allowed to invest Trust money. The University may, on the recommendation of the Financial Board, vary such investments from time to time.

3. The Administration of the Fund shall be entrusted to seven Managers. The Managers shall be the Vice-Chancellor and six other persons appointed by Grace of the Senate; two on the nomination of the

Council of the Senate, two on the nomination of the Special Board for Law, and two on the nomination of the Special Board for History and Archaeology. In the first instance one of the two persons appointed by each of the three nominating Bodies shall be appointed to serve for six years. All other appointments shall be made for four years. If any of the six appointed Managers shall die, resign, or become incapable of acting, the body by which he was nominated shall nominate some other person to be appointed Manager in his place for the remainder of the time for which he was appointed.

All the powers of the Managers may be exercised by a majority of those present at a meeting duly summoned, provided that three Managers at least be present.

4. The income arising from the Capital of the Fund shall be paid annually to the Managers, who shall also be empowered to receive subscriptions in augmentation of the annual income of the Fund. 5. Any unapplied balance of annual income shall be carried to a Reserve Fund.

Grants may be made from the Reserve Fund in the same way as from the annual income.

young men natives of the Counties of Wilts, Somerset or Gloucester, including the City and County of Bristol. By Grace of the Senate, December 7, 1893, Eighteen Scholarships were founded, of the annual value of £25, tenable for three years, six for proficiency in Hebrew, six for proficiency in Greek and Latin, and six for proficiency in Sacred Music.

HEBREW.

The stipend of the Scholar shall be two hundred pounds, provided that the income of the fund in the preceding two years amounts to that sum, or, if the income of the fund in the preceding two years does not amount to that sum, such smaller sum as may have accrued during those two years. It shall be paid in advance in equal half-yearly payments except that the second payment shall not be made unless the Scholar by a report of his work made to the Electors before the fifteenth day of December shall have satisfied them that he is fulfilling the object of the Scholarship. He shall make a similar report at the end of his tenure.

8. If the income of the fund for the two years preceding the election of a Scholar shall exceed two hundred pounds, the amount by which such income exceeds two hundred pounds shall be paid to a Reserve Fund from which grants may be made by the Electors in furtherance of study or research, or any necessary expenses may be defrayed which may be incurred in ascertaining the qualifications of a candidate. Any portion of the Reserve Fund may on the recommendation of the Electors be invested and added to the capital of the Fund.

9. If in any year there shall be in the opinion of the Electors no suitable candidate for the Scholarship, no election shall be made for that year and the stipend of the vacant Scholarship shall be paid to the Reserve Fund.

EVANS PRIZE.

A sum amounting to £300 offered to the University by several friends of the late Ven. Robert Wilson Evans, B.D., Archdeacon of Westmorland, formerly Fellow and Tutor of Trinity College, for the purpose of founding "a Prize or Prizes bearing the late Archdeacon's name, to be given annually to those Students who distinguish themselves in the Theological Examination at Cambridge," was accepted by Grace of the Senate, March 13, 1869.

The following are the Regulations:

1. The net proceeds of the Fund shall be given annually to that Student among the Candidates for Honours in the second part of the Theological Tripos who shall be judged by the Examiners to stand first in the Papers on Ecclesiastical History and the Greek and Latin Fathers. Candidates for this Prize must offer the papers of Section 3 with or without Additional Paper 3.

2. If in any year no Candidates be deemed worthy of a Prize, the amount for that year shall be carried to a reserve fund out of which the Examiners in any year shall be at liberty to grant an additional Prize of the same or of less value according as they may think fit and as the fund may suffice, or, if the Board for Theological Studies so determine, it shall be placed at the disposal of the Managers of the Hort Memorial Fund to be by them applied from time to time for the promotion of studies cognate to those for the encouragement of which the Prize was founded on terms and conditions similar to those on which grants are made from the Hort Memorial Fund, provided that any portion of the reserve fund may at any time on the recommendation of the Special Board for Divinity be invested and added to the capital of the Fund.

3. The Prize shall be called the Evans Prize.

4. A Student who has once obtained the Prize shall be disqualified from competing for it a second time.

5. It shall be competent to the University from time to time to make such changes in these Regulations as shall be judged fit; provided always that the proceeds of the Fund be given for excellence in some branch or branches of Theological Studies, and the Prize connected with the name of Archdeacon Evans.

DR JEREMIE'S SEPTUAGINT PRIZES.

In the year 1870 the late Very Rev. James Amiraux Jeremie, D.D., Dean of Lincoln, formerly Regius Professor of Divinity, offered the sum of £1000 to found two annual prizes for the encouragement of a critical study of the Septuagint Version of the Old Testament, and such other Hellenistic literature as may serve to illustrate the New Testament. This offer was accepted by Grace of the Senate, Dec. 8, 1870, under the following Regulations:—

1. There shall be two annual Prizes open for competition to all Members of the University who, having commenced residence, are not of more than three years' standing from their first degree.

2. The net proceeds of the Fund shall be divided into two equal parts (one for each prize), and the money may be laid out in books.

3. The Examination shall be held after the division and before the close of the Michaelmas Term, on a day of which due notice shall be given by the Vice-Chancellor.

4. The Examination shall consist of two printed papers and shall be concluded in one day.

5. The names of the Candidates shall be sent to the Regius Professor of Divinity at least one week before the day of examination.

6. The Divinity Professors shall in each year appoint two of their number, who shall conduct the Examination; but, if a Professor so appointed declines to examine, he shall be allowed to nominate a deputy, such nomination being subject to the approval of the Vice-Chancellor.

7. The Divinity Professors shall select as special subjects for examination in each year one or more books or portions of books taken from each of these three classes: (1) The Pentateuch and Historical Books in the Septuagint Version; (2) The Prophets and Hagiographa in the same; (3) The Apocryphal books, the works of Philo and Josephus, and other Hellenistic writings; and notice shall be given of the books or portions of books so selected in the Michaelmas Term of the year preceding the Examination.

8. The Examination shall be directed mainly, though not exclusively, to the selected books. It shall embrace translations and questions on the history, criticism and interpretation, of the books, and also on the relation of the Septuagint Version to the Hebrew original. Questions may also be set to test the Candidates' knowledge of the fragments of the other Greek Versions.

9. A Student, who has once obtained one of these Prizes, shall be disqualified from competing again.

10. If in any year one or both of these Prizes shall not be adjudged owing to the want of fit Candidates, the amount shall be added to the capital of the Fund.

11. It shall be competent to the University from time to time to alter these Regulations, provided that the object of the Founder be respected.

c. In a work or portion of a work of some standard English Divine, to be announced by the Examiners at the conclusion of the Examination of the preceding year.

12. That the Examiners shall be at liberty to institute a preliminary trial in all or any of the foregoing subjects, and to admit only such Candidates to the remainder of the Examination as shall have satisfied them in that trial.

PRIZES.

ESSAY AND VERSE PRIZES.

ADAM SMITH PRIZE.

THE Professor of Political Economy, A. Marshall, M.A., St John's College, having, in 1891, offered to the University a Triennial Essay Prize, the following Regulations proposed by Professor Marshall were confirmed by Grace of the Senate, March 5, 1891. In 1909 Professor Pigou offered to continue to give the Adam Smith Prize formerly given by Professor Marshall. The offer was accepted by Grace of the Senate, Nov. 25, 1909.

1. A Prize of £60, to be called the Adam Smith Prize, will be awarded in 1894, and thenceforward every three years till further notice, for an Essay on some unsettled question in Economic Science, or in some branch of Nineteenth Century Economic History or Statistics.

2. The subject of each candidate's Essay shall be selected by himself, subject only to the provision contained in Regulation 2* below. Candidates are however invited to consult the Professor of Political Economy with regard to their choice, and with regard to a suitable course of reading in connection with it.

2*. The subject selected by a candidate who has already gained the Cobden Prize may not be a subject for which that Prize was awarded to him or any subject closely cognate thereto. Such candidate must obtain in advance the approval of the Professor of Political Economy for the subject which he selects.

3. In awarding the Prize the Adjudicators shall be governed chiefly by the quality of the work to be done, and shall have regard to the constructive ability and the grasp of scientific principles rather than to the erudition displayed in it.

4. The Adjudicators shall be the Professor of Political Economy and an additional Examiner appointed by the Senate on the recommendation of the Special Board for Economics and Politics. The additional Examiner shall receive the sum of ten pounds.

5. It shall be in the power of the Adjudicators, if they think fit, to divide the Prize among two or three candidates, without declaring their Essays equal in merit.

6. The Essays shall be sent to the Vice-Chancellor on the first day of Full Easter Term 1894, 1897, and so on till further notice.

7. The Candidates shall be graduates of the University who at the time appointed for sending in the Essays have not completed four years from their first Degree.

ADAMS PRIZE.

SEVERAL members of St John's College having raised by subscription a Fund, producing about £80 per annum, for the purpose of establishing a Prize to be connected with the name of M Adams, in testimony of their sense of the honour he had conferre

on his College and the University by having been the first among the Mathematicians of Europe to determine from perturbations the unknown place of a disturbing Planet exterior to Uranus, offered the said Fund to the University; and it was accepted by Grace of the Senate, April 7, 1848 (altered by Grace, Feb. 23 1853).

The following are the present Regulations, Grace of March 10, 1910:

1. A Prize to be called "The Adams Prize" shall be awarded every two years for an Essay on some subject of Pure Mathematics, Astronomy, or other branch of Natural Philosophy.

2. The Adams Prize shall be open to the competition of all persons who have at any time been admitted to a Degree in this University.

3. The Adjudicators for the award of the Prize shall be the Vice-Chancellor and three persons appointed by Grace of the Senate, one on the nomination of the Council of the Senate, one on the nomination of the Special Board for Mathematics, and one on the nomination of the Council of St John's College.

4. The names of the three nominated Adjudicators shall be submitted to the Senate for appointment at a Congregation to be held before the division of the Term in the Lent Term of 1911 and of every second year thereafter.

5. As soon as may be after the appointment of the nominated Adjudicators, and not later than the end of the Term in which they are appointed, the four Adjudicators shall select and publicly announce the subject for the next Adams Prize. The Adjudicators shall give preference to a wide subject such as will give scope for treatment in various ways, rather than to a special problem which may prove to be intractable.

6. The Essays submitted by Candidates for the Prize shall be sent in to the Vice-Chancellor on or before the last day of December of the year next following that in which the subject is announced. Each Essay shall bear a motto, but not the candidate's name, and shall be accompanied by a sealed envelope bearing the same motto and containing the Candidate's name, degree, and address.

6*. Each of the Adjudicators appointed by Grace of the Senate shall receive the sum of ten guineas payable from the income of the Prize Fund, except in cases where no Essay is sent in.

7. Before the division of the following Easter Term, the Adjudicators shall draw up a list of the titles of all the Essays submitted to them, if any, which are of distinction, together with the mottos attached to them by the candidates, the list being divided into groups of nearly equal merit so far as seems right to the Adjudicators.

When one Essay is selected as of highest merit by the Adjudicators, the Adams Prize shall be awarded to the author of that Essay.

On occasions when no single Essay is selected as of highest merit, the Adams Prize shall be divided between the candidates whose Essays are placed in the highest group of the list aforesaid.

The Vice-Chancellor shall open the sealed envelopes bearing the mottos of the Essays which appear in the list drawn up by the Adjudicators and shall inform the Candidates of the result. Within a fortnight of the time of adjudication he shall publish the list drawn up by the Adjudicators, appending the names of those to whom a Prize has been awarded and also the names of the writers of the other Essays which are of distinction, in case they consent to their names being so published.

8. When the Adams Prize is awarded to one candidate he shall receive two years' net income of the Fund; when the Essays of two or more

candidates are adjudged to be of equal merit, that sum shall (subject as hereinafter provided) be divided equally between such candidates.

9. If on any occasion no award is made the net income of the Fund shall be carried to a Reserve Fund to be available on future occasions in whole or in part, with the consent of the Vice-Chancellor, for the increase of the value of the Adams Prize in cases where it is divided, as for the provision, when it seems desirable to the Adjudicators, of extra prizes, to be called Adams Prizes, when the Prize is awarded without division. Provided that if the Reserve Fund exceed four years net income of the Fund such excess may, at the discretion of the Vice-Chancellor, be added to the capital of the Fund.

10. Each Candidate to whom an Adams Prize has been awarded shall publish his Essay, provided always that, with the consent of the Adjudicators, this condition shall be deemed to be fulfilled by the publication of the Essay, or of the original parts of such Essay, in the Transactions of a learned Society, or in a scientific journal. A copy of such Essay, as published, shall be presented to the University Library, to the Library of St John's College, and to each of the four Adjudicators.

11. If at any time hereafter it appear to the Senate to be expedient to alter the foregoing scheme it shall be competent to the Council of St John's College, at the request of the Senate, to propose for its adoption an amended Scheme.

BURNEY PRIZE AND STUDENTSHIP.

The late Richard Burney, Esq., M.A., of Christ's College, Cambridge, previously to his death on Nov. 30, 1845, empowered his cousin, the Ven. Archdeacon Burney, to offer, through the Vice-Chancellor, to the University of Cambridge, the sum of £3,500 Reduced Three per Cent. Stock, for the purpose of establishing an Annual Prize, to be awarded to the Graduate, who should produce the best Essay on a subject to be set by the Vice-Chancellor.

On the day after this offer was communicated to the Vice-Chancellor, Mr Burney died; but his sister and executrix, Miss Jane Caroline Burney, made over to the University a sum amounting to £3720. 8*s*. 10*d*. by an Indenture dated Jan. 19, 1847.

REGULATIONS.

1. In lieu of the Burney Prize, which has been offered annually since 1847 "for the best English Essay on some moral or metaphysical subject, "on the existence, nature and attributes of God, or on the truth and evi"dence of the Christian religion," there shall be henceforth in the University a Burney Essay Prize and a Burney Studentship, and the dividend of the sum standing in the name of the Chancellor Masters and Scholars of the University for the purposes of the Burney Trust shall be applicable to the payment of such Prize and such Studentship and to the other purposes hereinafter described.

2. The subject for which the Burney Prize and the Burney Studentship shall be awarded shall be the Philosophy of Religion: these words being interpreted so as to include Christian Ethics and questions relating to the truth and evidence of the Christian Religion.

3. The Electors to the Prize and to the Studentship shall be the Vice-Chancellor, the Master of Christ's College (unless he hold the office of Vice-Chancellor, in which case a Deputy Elector shall be appointed in his place for that turn by Grace of the Senate), the Norrisian Professor of Divinity and two Members of the Senate who shall be appointed by Grace before the division of the Michaelmas Term, one on the nomination of the Special Board for Divinity and one on the nomination of the Special Board for Moral Science. At the first appointment the senior in standing of the two appointed Electors shall be appointed for three years and the junior for two years: all subsequent appointments shall be for two years. If either of the two appointed Electors die resign or become incapable of acting, another person shall be appointed in like manner in his place for the remainder of the time for which he was appointed. All the powers of the Electors may be exercised by a majority of those present at a meeting duly summoned, provided that three Electors at least be present.

4. The subject for the Essay shall be announced by the Electors and the Essays shall be sent in to the Vice-Chancellor at such dates as the Senate shall from time to time determine. The successful Candidate shall not be required either to print or to publish his Essay; but he shall deposit a copy of it in the University Library.

5. Any member of the University who has been admitted to the title of the degree of Bachelor of Arts shall be eligible for the Prize, provided that on the day appointed for sending in the exercises not more than three years shall have elapsed since the completion of his first degree.

6. The Electors shall have power, on any occasion on which they think it desirable, to appoint one or more Examiners not belonging to their own body to report on the Essays; and each Examiner so appointed shall be paid the sum of £5 out of the income of the Trust.

In the event of the Essays of two of the Candidates being deemed by the Electors to be of equal merit, if one of such Candidates be a member of Christ's College the Prize shall be adjudged to him.

7. The value of the Prize shall be such sum not less than £50 and not more than £80 as may be determined from time to time by Grace of the Senate.

8. The Prize shall not be awarded a second time to the same person.

9. The election to the Studentship shall be made annually at such time as the University shall determine.

10. Any member of the University who has been admitted to the title of the degree of Bachelor of Arts shall be eligible to the Studentship, provided that on the day appointed for the election in any year not more than four years shall have elapsed since the completion of his first degree.

11. The Electors may take such steps as they think fit to enquire into the qualifications of the Candidates for the Studentship, provided that it shall not be awarded by competitive examination. If the qualifications of two Candidates appear to the Electors to be equal, and if one of the two be a member of Christ's College, he shall be elected to the Studentship.

12. The Studentship shall be tenable for one year. A Student shall be eligible for re-election provided that he is within the limits of standing defined in section 10 hereof, and provided also that no person shall be re-elected to the Studentship more than once.

13. It shall be the duty of the Student to devote himself to study or research in the Philosophy of Religion, according to a scheme proposed

by himself and approved by the Electors, provided that such scheme may be modified with the consent of the Electors.

14. The value of the Studentship shall be £120 a year, or such larger sum as may be determined from time to time by Grace of the Senate payable by equal half-yearly payments (each payment to be made in advance), provided as regards the second payment that the Electors be satisfied that the student is diligently carrying out the scheme approved by them: provided also that the Student shall not be in receipt at the time of his appointment, from University or College endowments together with the Studentship, of more than £300 a year, and that he do not undertake without the sanction of the Electors during the term of his tenure of the Studentship any other work to which remuneration is attached.

15. A Burney Prizeman shall be eligible for the Studentship, and a Burney Student shall be eligible for the Prize: provided that they are within the limits of University standing required for the Studentship and for the Prize respectively.

16. The Burney Student may be required by the Electors to publish a thesis embodying the results of his study or research. In the event of a Burney Prizeman being elected to the Studentship the subject of his study or research may be the same as the subject of his Prize Essay, and if so he shall be required to publish a thesis embodying the results of his further study.

A Burney Student who publishes his thesis in accordance with these regulations shall cause to be delivered a copy thereof to the respective libraries of the Universities of Cambridge, Oxford, Dublin, and Edinburgh, and to the library of Christ's College, Cambridge, and also to each of the Electors.

17. If in any year there shall, in the opinion of the Electors, be no Essay sent in worthy of the Prize or no suitable Candidate for the Studentship, no Prize shall be awarded or no election shall be made for that year. Any income not required in any year for the purposes of the Trust as above defined shall be paid to a Reserve Fund out of which the Electors may if they think fit in any year award a second Prize, or a second Studentship, of such amount as they think fit and the state of the Fund allows, or they may at their discretion employ the Fund for the promotion of the study of the Philosophy of Religion in other ways, or any part of the Reserve Fund may be invested by the Financial Board on the recommendation of the Electors, and added to the capital of the Trust.

18. The University shall have power to alter and determine from time to time by Grace of the Senate the regulations respecting the persons who shall be the Electors to the Prize and the Studentship.

19. Subject to the foregoing regulations and to any additional regulations which may at any time be made by the University by Statute and approved by the King in Council it shall be lawful for the Electors from time to time to make and if they shall see fit to vary such rules as may seem to them expedient for regulating their own proceedings.

BURNEY PRIZE.

The subject for the Burney Essay Prize is announced by the Electors not later than the first day of February in each year, and the Essays must be sent in to the Vice-Chancellor on or before the first day of December in each year.

1. The Prize shall be called the Gedge Prize. It shall be offered for competition in every second year, and shall consist of the interest on the capital sum (£1000) for the two years next preceding.

2. Each candidate is required to state, generally in a preface to his Essay and specifically in notes, the sources from which his information is taken, the extent to which he has availed himself of the work of others, and the portions of the Essay which he claims as original. Provided that a candidate who has received a Certificate of Research from the University shall not be entitled to submit an Essay which is substantially the same as the Dissertation for which such Certificate of Research was granted.

3. Candidates for the Prize shall be members of the University who during six terms subsequent to the beginning of the term of their matriculation have studied in the University Laboratories or attended University Lectures and who at the time of the award of the Prize are of not less than five years and not more than seven years standing from matriculation. 7. The Examiners may require every candidate to deliver his Essay in the form of a Lecture and to demonstrate any experiments and researches mentioned therein.

8. The Prize shall be awarded by the Examiners; but the Examiners shall have full power to keep back the Prize if from want of originality or from any other cause no Essay be considered worthy.

9. The Examiners shall report to the Vice-Chancellor and to the Special Board for Biology and Geology whether any Essay has been sent in and what, if any, award has been made. The Vice-Chancellor shall thereupon announce the decision of the Examiners.

10. If in any year the Prize is not awarded, the interest on the capital sum for the two years next preceding shall be paid to the account of the Museum of Zoology.

RAYMOND HORTON-SMITH PRIZE.

In January, 1900, a fund of £500 Great Northern Railway 4 per cent. Preferred Converted Ordinary Stock, together with the dividend accrued thereon in August 1899, was offered to the University by Richard Horton Smith, Esq., M.A., one of Her Majesty's Counsel, and late Fellow of St John's College, in memory of his third son, Raymond John Horton-Smith, M.A., M.B., late Scholar of St John's College; who after a distinguished career in the University, and at St Thomas' Hospital in London, died on the 8th of October, 1899, in the 27th year of his age.

The desire of the donor was that a University Prize should be founded for the encouragement of Medicine and Pathology: and his offer was accordingly made subject to the approval by

the Senate of the conditions, which are set forth below in the form of Regulations for the proposed Prize.

The offer was accepted, and the Regulations were approved, by a Grace of the Senate on the 15th of March, 1900.

The following are the Regulations:

1. A University Prize, to be called "The Raymond Horton-Smith Prize," and to consist of the net yearly interest of the Fund given to the University by Richard Horton Smith, M.A., Q.C., formerly Fellow of St John's College, shall be awarded in the year 1900, and thenceforward annually.

2. The Prize shall be awarded to that Candidate for the Degree of Doctor of Medicine who shall in the judgment of the M.D. Degree Committee have presented the best Thesis for the Degree during the academical year; provided always that no person shall be eligible for the Prize who has not previously taken Honours in one of the Tripos Examinations of the University.

3. If on any occasion the Adjudicators shall be of opinion that no Thesis submitted is deserving of the Prize, the amount of the Prize for that occasion shall be carried to a Reserve Fund, from which grants may be made from time to time to Prizemen, on the recommendation of the M.D. Degree Committee towards the expense of printing their Theses, as provided in the following Regulation.

4. The Prize Thesis, or such portion of it as shall be approved by the M.D. Degree Committee, shall be printed, at the expense of the author if necessary, with or without the aid of a grant from the Reserve Fund; and copies thereof shall be sent by him respectively to the Vice-Chancellor, the Master of St John's College, the M.D. Degree Committee, the Downing Professor of Medicine, the Professor of Pathology, and the President of the Royal College of Physicians of London; to the Libraries of the University, of St John's College, and of the Royal College of Physicians of London; and to the Cambridge Philosophical Library.

5. Of the sum given to the Prizeman one-half at least shall be laid out in the purchase of books, the selection of which shall be with the Prizeman and the approval with the Vice-Chancellor. The books shall be stamped with the arms of the University on the backs and with the Horton-Smith armorial bearings on the sides.

6. The University shall have power to alter and amend from time to time this scheme by Grace of the Senate, on the recommendation of the Vice-Chancellor, the Master of St John's College, the Regius Professor of Physic, and the Downing Professor of Medicine, for the time being.

7. In case of any such alteration or amendment being made as is mentioned in the last preceding Regulation, regard shall always be had to the desire of the donor to found a Prize for the encouragement of Medicine and Pathology, and the names "Raymond Horton-Smith" shall always be used in connection with the Prize.

MAITLAND PRIZE.

The friends of Lieutenant-General Sir Peregrine Maitlan K.C.B., late Commander in Chief of the forces in South Indi being desirous of testifying their respect and esteem for h character and principles, and for his disinterested zeal in t cause of Christian truth in the East, raised a fund for t institution of a Prize in one of the Universities, and for t

establishment of two native Scholarships at Bishop Corrie's Grammar School at Madras,—such Prize and Scholarships to be associated with the name of Sir PEREGRINE MAITLAND.

In pursuance of the foregoing scheme, the sum of £1000 was given to the University of Cambridge in 1844 for the purpose of instituting a Prize, to be called "Sir PEREGRINE MAITLAND'S PRIZE," for an English Essay on some subject connected with the propagation of the Gospel, through Missionary exertions, in India and other parts of the heathen world. The prize is subject to the following Regulations.

1. That the Prize shall be given once in every three years, and shall consist of the accruing interest of the principal sum during the preceding three years.

The University shall also have power by Grace of the Senate to assign a payment to the Examiners for the Prize other than the Vice-Chancellor, such payment to be deducted from the amount that would otherwise be payable to the winner of the Prize.

2. That the subject shall be given out in the Michaelmas Term by the Vice-Chancellor, and the exercises sent in on or before the 10th day of November next following.

3. That the Candidates for the Prize shall be Graduates of the University, who are not of more than ten years' standing from admission to their first degree, when the exercises are sent in.

4. That the Examiners for the Prize shall be the Vice-Chancellor and two other members of the University, either Masters of Arts, or of degrees superior to the degree of Master of Arts, to be nominated by the Vice-Chancellor and approved by the Senate, and that their names shall be announced together with the subject of the Essay.

5. That the Essay be printed at the expense of the successful Candidate: and that fifty copies be distributed to each of the three following institutions:—The Society for the Propagation of the Gospel in Foreign Parts; the Church Missionary Society; Bishop Corrie's Grammar School at Madras.

Besides the £1000 before mentioned, the sum of £100 was given for the first Prize.

MEMBERS' PRIZES

The Representatives in Parliament of this University formerly gave four annual prizes of fifteen guineas each, which were adjudged by the Vice-Chancellor and Heads of Colleges, to two Bachelors of Arts, and two Undergraduates, for the best Dissertations in Latin prose, which were read publicly by them in the Senate-House on a day appointed near to the Commencement, and afterwards sent by them to the aforesaid Members. Of these prizes, two were open to all Bachelors of Arts, without distinction of years, if not of sufficient standing to take the degree of M.A.:—the other two were open to all Undergraduates who had resided not less than seven terms at the time when the exercises were to be sent in. The subjects were delivered out at the end of Michaelmas Term, and each candidate was required to send his exercise privately to the Vice-Chancellor, on or before the 31st of March, in the same manner as the exercises for the Chancellor's Medal. These prizes (confined until 1827 to Senior and Middle Bachelors) were established in 1752 by the Hon. Edward Finch and the Hon. Thomas Townshend, and were continued by the succeeding Members until 1870, when in lieu of four Prizes for Latin Essays of £15. 15*s.* each, the Representatives of the University in Parliament desired to give annually two Prizes of £31. 10*s.* each, one for an English Essay on some subject connected with British History or Literature, the other for a Latin Essay, each Prize to be open for competition to all Members of the University not of sufficient standing to be created Masters of Arts or Law; and the following Regulations were confirmed by Grace of the Senate, Nov. 11, 1869.

1. That there be two yearly Prizes of £31. 10*s.* each, to be called The Members' Prizes, the one for an English Essay on some subject connected with British History or Literature, the other for a Latin Essay.

2. That each of these Prizes shall be open for competition to all Students of the University who are not of sufficient standing to be created Masters of Arts or Law, or who being Students of Medicine are of not more than seven years' standing from Matriculation: provided that no Student, who has gained either Prize, shall be eligible for another Members' Prize given for an Essay in the same language.

3. That the subject for the English Essay shall be selected and the Prize adjudged by the Vice-Chancellor and two Examiners elected by Grace of the Senate at the last Congregation in February in each year. Except in cases where no essay is sent in, each of the two Examiners elected by Grace of the Senate shall receive the sum of five pounds payable from the interest of any reserve fund accumulated in respect of the Prizes so far as this interest shall suffice for the purpose, and for the remainder from the University Chest.

4. That the subject of the Latin Essay shall be selected and the Prize adjudged by the Vice-Chancellor and two Examiners elected by Grace of the Senate at the last Congregation in February in each year. Except in cases where no essay is sent in, each of the two Examiners elected by Grace of the Senate shall receive the sum of three guineas, payable from the interest of any reserve fund accumulated in respect of the Prizes so far as this interest shall suffice for the purpose, and for the remainder from the University Chest.

5. That the subjects both of the Latin and of the English Essay shall be given out at the end of the Lent Term, and the Essays sent in on or before the tenth day of November in each year.

6. Any Essay, which the Examiners at the time of adjudging the Prize shall unanimously declare to be in their judgment worthy of being published, shall be printed at the expense of the University.

7. These Regulations shall be subject to alteration from time to time by Grace of the Senate with the consent of the Representatives in Parliament for the time being of the University.

PRINCE CONSORT PRIZE.

At a meeting of the subscribers to the Prince Consort Memorial on June 12, 1883, it was resolved to transfer the surplus of the Memorial Fund to the University, with the object of founding "a Prize or Scholarship, to bear the Prince Consort's name, for the

promotion of Historical Studies in such manner as they may from time to time determine." This offer was accepted by the Senate on June 23, 1883.

The sum transferred to the University by the subscribers to the Prince Consort Memorial amounted to about £1850.

The following are the Regulations:—

1. There shall be established in the University a prize, called the "Prince Consort Prize," to be awarded for dissertations involving original historical research.

2. The prize shall be offered in alternate years, the first award to be made in the year 1888.

3. The income derived from the fund transferred to the University by the subscribers to the Prince Consort Memorial shall be applied, firstly, to provide a bronze medal or medals to be presented to those candidates whose dissertations appear to the adjudicators to deserve publication; secondly, to the payment of the adjudicators as hereinafter determined; thirdly, towards defraying the expenses of printing and publishing the said dissertations.

4. The prize shall be open to all graduates of the University who are under the age of twenty-seven years on the day appointed for sending in the dissertations, provided that they have not already obtained either the Prince Consort Prize or the Thirlwall Prize.

5. The adjudicators shall be the Regius Professor of Modern History, the Dixie Professor of Ecclesiastical History, the Professor of Ancient History, and two others who shall be elected by the Senate in the Lent Term of the year next but one before that in which the prize is to be awarded, one on the nomination of the Special Board for Classics, and one on the nomination of the Special Board for History and Archæology. Each elected adjudicator shall receive the sum of five pounds from the income of the fund.

6. The adjudicators shall in the Easter Term of the year next but one before that in which the award is to be made select and announce two or more subjects for dissertations, half the number of such subjects being chosen from the period of history before A.D. 800, and half from the period after A.D. 800, and also, if they think fit, one subject covering portions of both periods.

7. The dissertations shall be either on one of the subjects so announced, or on some other subject of historical research selected by the candidate. In the latter case the subject shall, at some time between the announcement of the subjects and the 15th of May in the following year, be communicated to the Regius Professor of Modern History for the approval of the adjudicators, who shall meet once in every term, if necessary, to approve or reject any subject so submitted to them; and their approval or rejection shall be communicated without delay to the candidate.

8. The dissertations shall be sent in to the Vice-Chancellor on or before the 31st of October in the year next after that in which the subjects are announced; and the adjudicators shall, on or before the 31st of January following, declare which of the dissertations, if any, are in their opinion deserving of publication.

9. The adjudicators shall decide to what extent the successful candidates shall be permitted to revise their dissertations.

10. Those dissertations which the adjudicators declare to be deserving of publication shall be published by the University, singly or in combination, in an uniform series, at the expense of the fund, under such conditions as the Syndics of the University Press shall from time to time determine.

11. If in any year the nett proceeds of the fund applicable in that year shall more than suffice for the expenses, the surplus shall be carried on to the current account; provided that, if and so soon as the sum standing to the credit of the current account shall be more than twice as large as the annual income of the fund, any further surplus shall be carried over to the capital account.

SEDGWICK PRIZE.

THE sum of £500 Scinde Railway Stock having been offered to the University, for the purpose of encouraging the study of Geology among the resident Members of the University and in honour of the Rev. Adam Sedgwick, Woodwardian Professor of Geology, the same was accepted by Grace of the Senate, Feb. 23, 1865, under the following conditions:—

1. That a Prize, to be called the Sedgwick Prize, shall be given every third year for the best Essay on some subject in Geology or the kindred sciences.

2. That the Examiners shall be the Professor of Geology and two persons to be appointed by Grace of the Senate on each occasion of the prize being adjudicated. Each of the Examiners appointed by Grace of the Senate shall receive the sum of five pounds payable from the income of the Prize Fund, except in cases where no Essay is sent in.

1 The Examiners also gave *notice*, that should no poem appear to them to possess distinguished merit, a premium of £100 would be adjudged. In 1851, and 1858, the premium of £100 was adjudged instead of the ordinary prize.

2 A second prize was this year adjudged to J. Gorle, Clare.

3 A prize of £20 was awarded to J. M. Neale, Trin. and T. Walker, Joh.

3. That, in case the Professor is prevented by illness or other cause from examining, a deputy shall be appointed by Grace of the Senate.

4. That the Prize shall be open to all Graduates of the University of Cambridge who have resided sixty days during the twelve months preceding the day on or before which the Essay must be sent in.

5. That the successful Candidate shall receive three years' net income of the Fund, or, if no Essay be thought worthy of a Prize, this amount shall be added to the capital of the Fund.

6. That the subject of the first Essay shall be given out by the Professor of Geology some time in the Lent Term of 1865.

7. The Examiners elected in 1885 shall hold office until the Lent Term of 1889, and the new Examiners shall be nominated in the October Term, 1888, in time to consult together and select a subject for the essays on which the award is to be made in the Lent Term, 1892, and so on every third year. (Grace Mar. 11, 1886.)

8. That the Essays must be sent in to the Registrary on or before October 1, 1867, in the usual form and manner: and so on every third year.

9. That the Examiners shall award the Prize some time in the Lent Term of 1868, and at the same time give out the subject for the next Essay; and so on every third year.

10. That the University shall have power to alter and amend this scheme from time to time by Grace of the Senate, on the recommendation of the Board of Natural Sciences.

SMITH'S PRIZES AND RAYLEIGH PRIZES.

The Rev. Robert Smith, D.D. Master of Trinity College, left in 1768 two annual prizes now amounting to about £23 each, to two commencing Bachelors of Arts, the best proficients in

Mathematics and Natural Philosophy. A sum of £812 was handed over to the University in 1908 by a number of scientific friends of Lord Rayleigh.

Until and including 1883 these Prizes were awarded by Examination.

By Grace of Feb. 11, 1909, the following are now the Regulations for the Smith's Prizes and the Rayleigh Prizes.

1. The two Smith's Prizes and one or more Rayleigh Prizes shall be awarded annually to those candidates who shall present the essays of greatest merit on any subject in Mathematics or Natural Philosophy. For this purpose the annual interest of the Smith's Prize endowment and the accumulated annual interest of the Rayleigh Prize Fund shall be placed at the disposal of the Adjudicators.

2. The essays shall be sent in to the Vice-Chancellor in each year between the last day of the Michaelmas term and the first day of the succeeding Lent term. The candidates shall be Bachelors of Arts, provided that at the time when the essays are sent in at least twelve and not more than fourteen complete terms shall have passed since the beginning of a candidate's first term of residence. Each candidate shall in his essay state what portion thereof, if any, he claims as original.

3. The Adjudicators for the award of the Smith's Prizes and the Rayleigh Prizes shall be the Vice-Chancellor and the Lucasian, Plumian, Lowndean and Sadlerian Professors.

4. In each year the Adjudicators shall publish a list of all the candidates whose essays are of distinction; the list being arranged into groups of equal merit as far as seems right to the Adjudicators. The title of each essay of distinction shall be stated with this list.

5. In years in which an order of merit is determined by the Adjudicators, the Smith's Prizes shall be awarded for the two essays of highest merit: and Rayleigh Prizes shall be awarded to such of the remaining essays, if any, as in the opinion of the Adjudicators are deserving of a prize.

6. In years in which more than two essays are determined to be of equal merit, and of higher merit than the others, the Adjudicators shall select two of the best essays at their discretion for the award of the Smith's Prizes, and for the remaining best essays Rayleigh Prizes shall be awarded.

In years in which one essay shall be determined to be of higher merit than all the others, and in which two or more essays are determined to be of equal merit next in order below the first mentioned to which the first Smith's Prize shall be awarded, the Adjudicators shall select one of the latter essays at their discretion for the award of the second Smith's Prize, and for the remaining such essays Rayleigh Prizes shall be awarded.

7. The value of a Rayleigh Prize shall be not greater than that of a Smith's Prize: but in a year in which more than one Rayleigh Prize is awarded, the values of all such Rayleigh Prizes shall be equal and of such value not exceeding that of a Smith's Prize as is permitted by the available balance of the Rayleigh Prize Fund.

8. The Adjudicators shall be at liberty to withhold the award of any or of all of the prizes, if they are of opinion that the number of essays worthy of a prize is insufficient for a complete award, or that there is no essay worthy of a prize. Unawarded balances of the annual interest of the Rayleigh Prize Fund shall be carried forward to the Fund so as to be available for the purpose of awards in future years.

9. The announcement of the award of the prizes shall be made before the end of the Easter Term of the academical year in which the essays are sent in.

THIRLWALL PRIZE.

The Committee of the Thirlwall Memorial in 1884 offered to the University a certain sum of money "for the purpose of instituting a prize in the University, to be called the Thirlwall Prize, for the best dissertation on some historical subject involving original research." This offer was accepted by the Senate by Grace of June 12, 1884.

The sum of money transferred to the University by the subscribers to the Thirlwall Memorial amounted to about £1200.

The following are the Regulations:—

1. There shall be established in the University a prize, called the "Thirlwall Prize," to be awarded for dissertations involving original historical research.

2. The prize shall be offered in alternate years, the first award to be made in the year 1889.

3. The income derived from the fund transferred to the University by the subscribers to the Thirlwall Memorial shall be applied, firstly, to provide a bronze medal or medals to be presented to those candidates whose dissertations appear to the adjudicators to deserve publication; secondly, to the payment of the adjudicators as hereinafter determined; thirdly, towards defraying the expenses of printing and publishing the said dissertations.

4. The prize shall be open to all graduates of the University who are under the age of twenty-seven years on the day appointed for sending in the dissertations provided that they have not already obtained either the Thirlwall Prize or the Prince Consort Prize.

5. The adjudicators shall be the Regius Professor of Modern History, the Dixie Professor of Ecclesiastical History, the Professor of Ancient History, and two others who shall be elected by the Senate in the

Lent Term of the year next but one before that in which the prize is to be awarded, one on the nomination of the Special Board for Classics, and one on the nomination of the Special Board for History and Archæology. Each elected adjudicator shall receive the sum of five pounds from the income of the fund.

6. The adjudicators shall in the Easter Term of the year next but one before that in which the award is to be made select and announce two or more subjects for dissertations, half the number of such subjects being chosen from the period of history before A.D. 800, and half from the period after A.D. 800, and also, if they think fit, one subject covering portions of both periods.

7. The dissertations shall be either on one of the subjects so announced, or on some other subject of historical research selected by the candidate. In the latter case the subject shall, at some time between the announcement of the subjects and the 15th of May in the following year, be communicated to the Regius Professor of Modern History for the approval of the adjudicators, who shall meet once in every term, if necessary, to approve or reject any subject so submitted to them; and their approval or rejection shall be communicated without delay to the candidate.

8. The dissertations shall be sent in to the Vice-Chancellor on or before the 31st of October in the year next after that in which the subjects are announced; and the adjudicators shall, on or before the 31st of January following, declare which of the dissertations, if any, are in their opinion deserving of publication.

9. The adjudicators shall decide to what extent the successful candidates shall be permitted to revise their dissertations.

10. Those dissertations which the adjudicators declare to be deserving of publication shall be published by the University singly or in combination, in an uniform series, at the expense of the fund, under such conditions as the Syndics of the University Press shall from time to time determine.

11. If in any year the nett proceeds of the fund applicable in that year shall more than suffice for the expenses, the surplus shall be carried on to the current account; provided that, if and so soon as the sum standing to the credit of the current account shall be more than twice as large as the annual income of the fund, any further surplus shall be carried over to the capital account.

WALSINGHAM MEDAL.

Lord Walsingham, High Steward of the University, having offered to give annually for three years a Gold Medal for the best Monograph or Essay giving evidence of original research in any subject coming under the cognisance of the Special Board for Biology and Geology, the offer was accepted, and the following Regulations were confirmed by Grace of the Senate, Dec. 3, 1891.

1. The Medal shall be called the "Walsingham Medal."

2. The Medal shall be awarded for an Essay embodying the results of original research; a series of disconnected papers shall not be accepted as an Essay. The original research may be on any Botanical, Geological, or Zoological subject; Zoology being understood to include Animal Morphology and Physiology, and an Essay on any subject of Chemical Physiology being valued according to its Physiological rather than its Chemical importance.

3. Candidates for the Medal shall be Graduates of the University

who at the time fixed for sending in the Essays are under the standing of Master of Arts, provided that those who have graduated as Advanced Students shall cease to be admissible as Candidates at the end of four years from the end of their first term of residence, and provided further that a Candidate who has proceeded to the Degree of B.A. under a Certificate of Research shall not be entitled to submit an Essay which is substantially the same as the Dissertation for which such Certificate of Research was granted. A Candidate who has been awarded a Medal once shall not compete again.

3*a*. An Essay written before the Candidate has come into residence shall not be accepted; further, each Candidate shall be required to state what part, if any, of the research submitted has been done before coming into residence.

4. The Medal shall be adjudged by the Special Board for Biology and Geology who shall have power to adjudge a bronze replica of the Medal as a second Medal in any year in which two Essays of nearly equal or of exceptional merit are received, but there shall be no publication of the names of candidates who send in commendable Essays unless they are awarded a Medal.

5. The Special Board for Biology and Geology shall cause a notice of the conditions of the award to be inserted in the *University Reporter* in the course of the Michaelmas Term of each year; and the Essays, which may be written, lithographed, or printed, whether previously published or not, shall be sent to the Chairman of the Special Board not later than the tenth day of October in the year next following.

6. The Special Board after the Essays have been received shall appoint a Committee to consider the merits of the Essays, to report to the Board, and to make such recommendation or recommendations they may think fit.

7. If the Special Board are of opinion that one of the Essays is worthy of the Medal, or that one of them is worthy of the Medal and another is worthy of the second Medal, their resolution to that effect shall be communicated to the Vice-Chancellor, who shall thereupon announce the award of the Medal or Medals; but if, in the opinion of the Board, no Essay be found to attain a sufficient standard of excellence, they shall be at liberty to reserve the Medal of that year for award as an additional Medal, in some subsequent year.

8. A copy of the successful Essay shall be sent to Lord Walsingham, the Donor of the Medal as soon as it is available in a printed form.

9. The above Regulations shall be subject to revision from time to time by the Special Board for Biology and Geology with the consent of the Donor of the Medal.

JOHN WINBOLT PRIZE.

In 1904 Mrs Winbolt offered to the University the sum of £500 in order to found an annual prize in Civil Engineering, in memory of her late husband, Mr John Steddy Winbolt, M.A., of Trinity College, to be called the John Winbolt Prize. The offer was accepted, and the following Regulations were confirmed by Grace of the Senate, Feb. 25, 1904:—

1. The prize shall be called the John Winbolt Prize in Civil Engineering. It shall be offered for competition in the year 1905 and thenceforward annually and shall consist of the net annual income of the fund.

2. The award shall be made by the Vice-Chancellor, the Professor of Mechanism and Applied Mechanics, and a Member of the Senate appointed by Grace on the nomination of the Council of the Senate in the Michaelmas term preceding the award. The Adjudicator appointed by Grace of the Senate shall receive the sum of three guineas payable from the University Chest, except in cases where no exercise is sent in.

3. Every candidate shall send to the Vice-Chancellor before May 1 in the year in which the prize is to be awarded an Exercise on some subject related to the Profession of a Civil Engineer. The Exercise shall be on a subject selected by the candidate, and shall be either an essay of a descriptive or critical character or a paper giving the result of independent research.

4. Candidates shall be Bachelors of Arts who are not of sufficient standing to Incept in Arts.

5. A candidate may not submit an Exercise substantially the same as one previously submitted by him for a Certificate of Research.

6. No candidate shall be eligible to whom the prize has already been awarded.

7. In cases of equality the Prize may be divided.

8. It shall be open to the Awarders in any year to declare that no Exercise has been submitted of sufficient merit; and in that case the income of the fund for the year shall be carried to a reserve fund from which an additional prize or prizes not exceeding £15 each in value may be awarded in any year in which the examiners so decide. If at any time the reserve fund amount to more than £100, the excess shall be added to the capital.

YORKE PRIZE.

Edmund Yorke, M.A., late Fellow of St Catharine's Hall, bequeathed a sum of £3989. 10*s.* 3*d.* 3 per cent. consolidated annuities for the purpose of founding a Prize for an Essay on the Law of Primogeniture. A scheme for carrying out the bequest received the sanction of the Court of Chancery, June 1, 1875: a capital sum of £3689. 1*s.* 7*d.* being transferred to the University.

The following are the Regulations:

1. That the Prize be called the "Yorke Prize," to be awarded annually.

2. Such Graduate shall not be of more than seven years standing from admission to his first degree at the time when the Exercises are directed to be sent in.

3. That the subject for each Essay be selected and the Prize adjudged by two or more Judges or Adjudicators selected and appointed by the Vice-Chancellor, the Master of Trinity College, and the Master of Magdalene College, and approved by Grace of the Senate.

4. That the subject for each Essay be announced and published before the end of November in each year, and that the Exercises be sent in before the first of December of the year next but one succeeding. That they be sent to the Vice-Chancellor in the same manner and form as are prescribed by the Regulations for the Chancellor's English Medal, and that the Prize be awarded before the first of February following.

6. That the Public Orator or one of the Professors or Public Functionaries of the University, who shall be able and willing to act, shall be invited by the Vice-Chancellor, the Master of Trinity College, and the Master of Magdalene College, to act as Adjudicator in the event of such difference of opinion between the paid Adjudicators as shall prevent them from adjudging the Prize, and that his decision in the case of any reference to him shall be conclusive.

7. That the successful competitor for a Prize shall print and publish his Essay at his own expense in such manner and within such period as the Vice-Chancellor and the Masters of Trinity and Magdalene Colleges shall from time to time direct, and that a copy thereof shall be sent to the University Library and to each of the Adjudicators.

8. That out of the income of the trust funds accrued due since the last previous adjudication of the Prize, the Adjudicators shall receive the amount payable to them, and that the residue of such income shall be paid to the successful competitor.

9. That if on any occasion the Adjudicators shall be of opinion that no Essay sent in is deserving of a Prize, the amount of the Prize for that occasion shall be invested in the purchase of £3 per cent. Consolidated Annuities to be added to the capital trust fund.

4. The Vice-Chancellor shall not be bound to award a Medal if no Exercise, which in his judgment is worthy of a Medal, shall be sent in.

The following Regulations were adopted for the Chancellor's Medal for an English Poem by Grace of the Senate, June 9, 1898:

1. A resident undergraduate may be a Candidate for the Chancellor's Medal for an English Poem in any year, if at the latest date on which Exercises can be sent in not more than seven complete Terms have passed after the Term in which he commenced residence.

2. The Examiners shall be the Vice-Chancellor, the Public Orator, the Regius Professor of Greek, and two additional Examiners appointed by the Senate in the Lent Term of each year on the nomination of the Council of the Senate. Each of the two additional Examiners shall receive the sum of three guineas payable from the University Chest, except in cases where no exercise is sent in.

3. On or before June 1 in each year the Vice-Chancellor shall give public notice of a subject for the English Poem, and all Exercises must be sent to the Vice-Chancellor on or before the first day of February next following, and must not exceed 200 lines.

4. Each Candidate shall send his Exercise privately to the Vice-Chancellor. The Exercises shall bear a motto but not the Candidate's name, and shall be accompanied by a sealed envelope bearing the same motto outside and containing the Candidate's name and College.

5. The Examiners shall not be bound to award the Medal if no Exercise which in their judgment is worthy of a Medal, shall be sent in.

6. The successful Candidate shall recite his poem in the Senate House on the day fixed for the recitation of Prize Exercises.

PATRONAGE

IN THE GIFT OF THE UNIVERSITY.

When a benefice becomes vacant, the Vice-Chancellor gives notice of the vacancy, and of the date by which application for the benefice shall be made. The selection of a clerk to be presented by the University to any vacant benefice is made by a Board consisting of the Vice-Chancellor and eight members of the Senate appointed by Grace, four nominated by the Council of the Senate and four by the Special Board for Divinity, such selection requires confirmation by Grace of the Senate.

CRANE's CHARITY FOR THE RELIEF OF SICK SCHOLARS.

John Crane, Apothecary in Cambridge, and M.A., died in 1654, and left by his Will money to buy an estate of £62 per annum[1], to be settled on the five corporations following, *viz.* the University of Cambridge, the towns of Wisbech, Cambridge, Lynn, and Ipswich[2]. The rents to be received by these in order, and to be applied by the University in their turn towards the relief of Sick Scholars. The distribution to be made by the Vice-Chancellor, the Professors of Divinity, the Civil Law, and Physic, and the Chief Apothecary of the town. The Master of Caius College is requested to assist the Distributors. Meetings of the distributors, to consider and determine the claims of applicants for the benefit of this charity, take place on the third Tuesday of *May*, and the third Tuesday of *November*, in every year, and all applications of Scholars must be made by the Tutors of their respective colleges.

The Trustees wish it to be understood that they are willing to apply to "Institutions for Nursing Sisters," for nurses to attend poor sick scholars and to pay their wages in case of necessity: they make grants on account of medicine, medical attendance, nursing, diet, and other necessaries in sickness: applications to be made to the Vice-Chancellor for the time being, or, if nurses from the institutions be required, to the Regius Professor of Physic.

STUDENTSHIPS FOR CANDIDATES FOR HOLY ORDERS.

WORDSWORTH STUDENTSHIPS.

These Studentships were founded in 1892 by W. Nicholson, Esq., of London, in memory of Christopher Wordsworth, D.D., late Bishop of Lincoln, and sometime Head Master of Harrow School.

Candidates, who must before the date of the Election have taken Honours in some Tripos, are required to present to the Electors (1) a certificate of good conduct signed by the College Tutor, or in the case of a Non-Collegiate Student, by the Censor; (2) a declaration in writing of their intention to take Holy Orders in the Church of England; (3) a written undertaking to keep residence at Cambridge for one year from the date of election and to study for such part or section of a part of the Theological Tripos as the Electors shall determine. Preference is to be given to candidates who have been educated for two years at Harrow School or at Winchester College, and the Electors are also to have regard (1) to the class taken by the Candidate in his Examination for his Degree, (2) the testimonials furnished by his College Tutor or Censor, and (3) his need of pecuniary assistance to enable him to remain in residence.

The Electors are the five Divinity Professors, and the Election takes place annually toward the end of the Easter Term, after th

publication of the Tripos lists. Candidates are desired to send their applications and other papers under cover to the Regius Professor of Divinity, Divinity School, Cambridge, not later than May 31.

STEEL STUDENTSHIPS.

Candidates, who before the date of the Election must be at least twenty-one years of age, and must, generally speaking, have taken Honours in some Tripos, are required to present to the Trustees a certificate of good conduct signed by the College Tutor and Dean, or in the case of a Non-Collegiate Student by the Censor, together with a statement that their continuance in residence would have the approval of the College or of the Censor. In the selection of Students the Trustees have regard to the fitness of the Candidates for entering at once on a course of definite preparation for Holy Orders at the University, with a view to their future usefulness in parochial or missionary work.

The present Trustees are the Rev. Dr Atkinson, Master of Clare College, and the Regius and Ely Professors of Divinity; the Election takes place annually toward the end of the Easter Term, after the publication of the Tripos lists. Candidates are desired to send their applications and other papers under cover to the Ely Professor of Divinity, Divinity School, Cambridge, not later than May 31.

WINCHESTER (CHRIST'S HOSPITAL) EXHIBITION.

A scheme established by the Charity Commission in 1896 provides that the Governors of Christ's Hospital, Winchester, shall maintain an Exhibition of the yearly value of not more than £15, tenable for not more than four years by Students in Divinity at the University of Cambridge.

BARNARD RANDOLPH EXHIBITION.

In accordance with a scheme established by the Board of Education in 1906, a Barnard Randolph Exhibition is offered in every fifth year to a graduate student of Divinity in the University of Cambridge who is in need of pecuniary assistance to enable him to pursue the study of Divinity in the University, and whose parents are or have for not less than three years been *bona fide* resident in the County of London, with a preference for candidates otherwise duly qualified who have for not less than two years been in attendance at St Paul's, Merchant Taylors' or the City of London School. Candidates must have taken honours in a Tripos and must undertake to reside

for a period of one year, and to enter for such part of the Theological Tripos as the Governors, who are the five Professors of Divinity, shall determine. The value of the exhibition will usually be about £30.

PERSE GRAMMAR SCHOOL.

Stephen Perse, M.D., senior Fellow of Caius College, by a clause in his Will[1], dated September 27, 1615, bequeathed certain property in charge to his executors, to purchase divers grounds and tenements, to be applied, amongst other purposes, to that of erecting and establishing within three years (if possible), after his decease, a convenient house capable of containing one hundred Scholars to be used for a Free Grammar School.

The School is now conducted according to a New Scheme under the Board of Education, sealed 1910. Regulations are made for religious instruction. The subjects of secular instruction include the ordinary branches of English education together with Mathematics, Greek, Latin, German, French, Chemistry, Physics, Music, Drawing, and Drill, or other Physical Exercises. The fees are £15 a year for boys under 13, £18 a year above that age. Boarders are taken in by the Head Master, and Mr I. H. Hersch in houses built on the Cherryhinton Glebe just outside Cambridge.

There is a Preparatory School in Bateman House, Bateman Street, the fee for which is £9 per annum below 8 years of age, and £12 above.

The School is under the management of a Governing Body, consisting of 14 persons, of whom three are nominated by the Council of the Senate of the University of Cambridge, three by Gonville and Caius College, five by the Borough Council of Cambridge, three by the County Council.

The University having purchased the site of the old buildings in Free School Lane, a large and handsome school capable of containing 300 boys has been erected on the Hills Road.

Head Master, W. H. D. Rouse, Litt.D., M.R.A.S., F.R.G.S., *University Teacher of Sanskrit, formerly Fellow of Christ's College, Cambridge, and a Master at Rugby School.*

ADDENBROOKE's HOSPITAL

Was opened in the year 1766, having been founded by John Addenbrooke, M.D., formerly fellow of Catharine Hall. It was further endowed in 1814 by a bequest of £7000 from Mr John Bowtell, late bookseller and stationer in Cambridge, and is supported chiefly by voluntary contributions. In 1864 it was greatly enlarged and altered, and almost rebuilt, and now contains one hundred and fifty beds for patients, a children's ward and isolation wards and large out-patient departments.

Certificates of attendance on the practice in it are recognized by the University, by the Royal Colleges of Physicians and Surgeons, and by the other licensing medical bodies.

The Physicians and Surgeons attend daily in the wards, and Clinical Lectures are delivered weekly during Term time and also in the long Vacation. The composition fee for attendance on the Medical and Surgical Practice and the Lectures is eight guineas.

THE UNIVERSITY LIBRARY.

This great Library, containing at present more than 700,000 volumes, has been enriched at different times by royal and private benefactors, amongst whom, as donors of Books, the names of Dr Richard Holme (1424), Archbishop Rotherham (1480), Archbishop Parker (1574), Dr Andrew Perne (1589), Dr Richard Holdsworth (1648), Henry Lucas (1663), Bishop Hacket (1670), King George I. (1715), Henry Bradshaw (1886), Sir Thomas Francis Wade (1888), Samuel Sandars (1894), and Viscount Morley of Blackburn (1902), may be mentioned as pre-eminently distinguished.

The permanent sources of its increase are as follows:

1. The Copyright Act, under which the Library is entitled to a copy of every book published in the United Kingdom.

2. The Rustat Fund, arising from an estate at Ovington in Norfolk. This estate was bought with £1000 given to the University in 1666, by Tobias Rustat, Esq. M.A., Yeoman of the Robes to King Charles II., to be laid out in land, the rents to be applied in the purchase of choice books for the Library. The available annual income is now about £100.

3. William Worts, Esq. M.A., of St Catharine's College, ordered by his Will, in 1709, that the annual surplus of the rents and profits of his estate at Landbeach, in the county of Cambridge, after the discharge of the other outgoings, should be applied to the use of the Library. This surplus now amounts to about £700 a year.

4. In 1826, the Rev. John Manistre, M.A. Fellow of King's College, bequeathed £5000, to purchase books. This sum has been invested, and produces the annual income of £140.

5. A portion of the Benefaction Fund has been invested to form an *Endowment Fund*, which at present produces an annual income of about £300.

6. By Grace of the Senate (May 31, 1866) a portion of the quarterly payment made by all Members of the University to the Chest was assigned to the support of the Library. The sum now allowed is £6,000 a year (Grace, May 21, 1910).

7. By the Statutes of 1882, the Common University Fund is applicable to the Library; an annual grant of £500 is made to the Library from this source.

THE UNIVERSITY PRESS.

The management of the University Press is committed to a Syndicate consisting of the Vice-Chancellor or his deputy, and fourteen other members of the Senate elected by Grace, two of whom retire by rotation every year. Secretary, Mr A. R. Waller, M.A. Assistant Secretary, Mr S. C. Roberts, B.A.

On the death of the Right Honourable William Pitt, many distinguished personal friends of that statesman and admirers of his public conduct entered into a subscription for the purpose of erecting some memorial worthy of his name.

By means of the funds thus raised a marble statue of Mr Pitt, executed by Westmacott, was erected in Westminster Abbey; and a bronze statue of him, executed after a model by Chantry, was placed in Hanover Square, London. A large sum still remained unexpended; and the Committee at whose disposal the Funds were placed, desiring to employ the surplus in some mode that might contribute to the honour and usefulness of the University in which Mr Pitt had received his education, offered to erect a building which should form the front of the University Printing Offices, and be designated by the name of the Pitt Press.

This offer was accepted; and a large sum of money was expended by the University in purchasing the necessary site. The first stone of the New Building was laid in 1831 by the Marquis Camden, the chairman of the before-mentioned Committee, attended by the Earl of Clarendon, the Earl of Harrowby, Lord Farnborough, and Henry Bankes, Esq. M.P., also Members of that Committee.

The edifice was completed in 1833.

The publishing business of the Press is carried on, under the management of Mr C. F. Clay, M.A., at the Cambridge University Press, Fetter Lane, London, E.C.

THE FITZWILLIAM MUSEUM.

Richard, Viscount Fitzwilliam, formerly of Trinity Hall, (M.A. 1764,) who died 5th February, 1816, bequeathed to the University his splendid collection of books, paintings, illuminated MSS., engravings, &c., together with the annual proceeds of £100,000 South Sea Annuities, for the erection of a Museum for their reception.

The dividends on the above-mentioned Stock having accumulated to a sum exceeding £40,000, the existing building was commenced on the 2nd of November, 1837, from the designs of George Basevi, and was carried on under his superintendence until his death in 1845, when C. R. Cockerell, R.A., succeeded him. In the course of the year 1847 it became evident that the available funds would not suffice for the entire finishing of the Hall: the further works were therefore suspended for a period of years sufficient to allow of the accumulation of the requisite sum, and the Pictures, Books and other articles which comprise the Fitzwilliam Collection, together with the Mesman Collection described below, and other donations, were removed into the new building. The entrance hall was completed in 1875 at a cost of more than £20,000 from the designs of E. M. Barry, R.A. The total cost of the building amounted to about £116,000.

Among the most valuable pictures in the original collection are three of the Venetian School, viz. *Hermes, Aglauros and Herse* by Paul Veronese; *Venus and Cupid* by Palma Vecchio; and *A Gentleman and his Mistress* by Titian; and one by Rembrandt, engraved as the *Portrait of an Officer*. The collection of early prints is one of the richest in Europe. The bulk of this collection is contained in a large number of bound albums in the library of the Museum. The works of the early engravers of Germany and the Low Countries, including those of Dürer and Rembrandt, are separately mounted in solander cases.

Daniel Mesman bequeathed a collection of Pictures to the University. His brother the Rev. Charles Mesman, to whom they were bequeathed for his life, having given up his life-interest in the bequest, the collection came in 1834 into the immediate possession of the University. The collection amounts in number to 248 Paintings and 33 Drawings and Prints. The majority of the Pictures are small examples of the Flemish and Dutch schools.

In 1850, John Disney, F.R.S., F.S.A., of the Hyde, near Ingatestone, Essex, presented a collection of Ancient Marbles, eighty-three in number. The collection of ancient marbles formed by Dr E. D. Clarke was transferred in 1865 from the

University Library to the Sculpture Gallery of the Fitzwilliam Museum.

In 1861 John Ruskin presented to the Museum twenty-five water-colour drawings of great interest and beauty by J. M. W. Turner, R.A.; and in 1862 Mrs Elizabeth Ellison, of Sudbrooke Holme, Lincolnshire, presented thirty pictures by modern English painters. Seven pictures, by Adrian Vandervelde, Ruysdael, Paul Potter, Franck, Patel and Nikkelen, were presented in 1864 by A. A. VanSittart, late Fellow of Trinity College. In 1872, by an arrangement with the executors of the Rev. R. E Kerrich, the Museum acquired a portion of certain collections bequeathed to it by that gentleman; viz. seven paintings, two hundred volumes of books, and many valuable portfolios of ancient prints. A small collection of oil-paintings, including three important works by Hogarth, was bequeathed by the Rev. J. W. Arnold, D.D., in 1859, and placed in the Museum in 1873. In 1876, a further gift of seventeen pictures was made by A. A. VanSittart, M.A., including fine examples of Hobbema, Ruysdael, and Wynants. In 1878 the Museum acquired, by the bequest of the Rev. C. Leasingham Smith, eleven pictures of various schools, including works of Salvator Rosa, Peter Molyn, Marieschi, and a miniature portrait by Samuel Cooper.

Fifteen paintings on panel by early Italian masters were purchased from the late Charles Butler in 1893. These include a Pisan or Sienese Crucifixion of about 1200 A.D., and a fine altar retable by Cosimo Rosselli, together with other interesting examples of the schools of Siena and Florence during the fourteenth and fifteenth centuries.

In addition to the permanent collection there are numerous pictures and other works of art on loan from time to time. Drawings by Old Masters are lent each term by His Majesty the King from Windsor Castle and by the Duke of Devonshire from Chatsworth.

The University purchased in 1864 a collection of coins from the Executors of the late Colonel Leake. In 1876 a considerable purchase of rare prints, towards the completion of the collection of German and Flemish masters, was made at the Liphart sale; also a collection of ancient Phœnician, Greek, and Roman glass from tombs in the island of Cyprus was purchased from General L. P. di Cesnola. A number of other objects from Cypriote tombs have been added to the collection. In the same year nineteen albums of ancient engravings, four of them containing exclusively the etchings of Rembrandt and his scholars, were transferred to the Fitzwilliam Museum from the University Library; and the most important portions of their contents have been incorporated with the collections of Lord Fitzwilliam and Mr Kerrich. In 1890 and 1891 a considerable number of early printed books illustrated with woodcuts were purchased for the Library. In 1886, the Committee of the Antiquarian Society recommended that the Director

of the Fitzwilliam Museum should receive under his charge the Collection of Coins belonging to the Society and consisting of, 1st, an old Collection of English, Roman and foreign Coins; 2nd, Dr Bacon's Collection, mostly English and foreign; 3rd, 17th century tokens. This offer was accepted by Grace of the Senate, March 25, 1886. In 1899 a collection of coins, ancient, medieval, and modern, numbering about 12,000, was presented by the Rev. W. G. Searle, M.A., Queens' College, who has largely increased his benefactions since that date.

In 1906 J. R. M°Clean, M.A., Trinity College, presented a most valuable collection of over 5000 Greek coins and he has since repeatedly added Greek coins to this collection.

The three galleries in the basement have been re-arranged. The Central Gallery contains the collection of Greek vases and glass and Cypriote Antiquities, Greek and Roman Marbles, Bronzes and Inscriptions, and the two North Galleries the Egyptian Antiquities. Among these are an important series of Models of Boats and of Domestic Scenes, with other Antiquities of the Eleventh and Twelfth Dynasties from tombs at Beni Hasan, acquired in 1903. In the South Gallery, which has been partitioned off from the rest, is the room containing the coins and Mediaeval Manuscripts.

Between 1880 and 1902 the late Richard Pendlebury, M.A., Fellow of St John's College, presented a collection of printed music, both vocal and instrumental, together with a number of works of reference in the same subject. The Pendlebury Collection, as it is called, amounts to about two thousand bound volumes. Members of the University and others have the privilege of borrowing volumes from it under special regulations.

In 1902 F. Barrett-Lennard presented a valuable collection of transcripts of the works of G. F. Händel, chiefly in the writing of the composer's amanuensis, J. C. Smith. The collection (known as the Barrett-Lennard Collection) is preserved in a book-case believed to have been the property of Händel.

In 1904 F. M°Clean, M.A., F.R.S., F.R.A.S., of Trinity College, bequeathed 200 manuscripts of great interest, upwards of 200 early printed books, and a valuable collection of objects of art, including ivories, enamels, gems and some fine Egyptian antiquities. Most of these belonged to classes previously unrepresented in the Collections. The Manuscripts range in date from the ninth to the sixteenth century; among them are many finely illustrated *Horae* and some excellent specimens of Greek calligraphy. Illustrated Catalogues of the M°Clean bequest are in course of publication.

In 1910 the collection of modern engravings was enriched by John Charrington, M.A., of Trinity College, who presented a collection of over 300 proofs and early impressions of David Lucas's mezzotints after John Constable, R.A.

In 1912 the Museum received the greatest benefaction that has come to it since its original foundation. Mr C. Brinsley Marlay, M.A., of Trinity College, who died on June 18, bequeathed to it a very large and valuable collection of pictures and miscellaneous works of art, together with a sum of £80,000 for the enlargement of the existing building and the cost of the necessary increase of the staff. This collection, to be called the Marlay collection, cannot be placed on exhibition until the new galleries are erected.

The following catalogues of the collections in the Museum are now published: *A Short Catalogue of the Pictures*, edited by E. O. Vulliamy, M.A.; *Illustrated Catalogue of the Pictures*, by F. R. Earp, M.A.; *Catalogue of the Engraved Gems*, by J. Henry Middleton; *Catalogue of the Engraved Works of Albert Dürer*, by C. H. Middleton-Wake, M.A.; *Catalogue of the Fitzwilliam Collection of Music*, by J. A. Fuller Maitland, M.A., and A. H. Mann, Mus.D.; *Catalogue of the Egyptian Antiquities*, by E. A. Wallis Budge, Litt.D.: *Catalogue of the Manuscripts*, by M. R. James, Litt.D.; *Catalogue of the Greek Vases*, by Ernest A. Gardner, M.A.; *Catalogues of the M^cClean bequest* (1) *Manuscripts* by M. R. James, Litt.D., (2) *Miscellaneous objects* by O. M. Dalton, M.A.

The care and arrangement of the Museum is entrusted to a Director, and its general management to a Syndicate composed of the Vice-Chancellor, and eight other members of the Senate, two of whom in rotation retire every year, their places being supplied by two other members elected by the Senate. They meet in the Museum at least twice in every Term, four members (the Vice-Chancellor or his deputy being one) constituting a quorum; but in cases of emergency arising during vacation, a smaller number may act, provided they are unanimous.

THE MUSEUM OF ARCHAEOLOGY.

This building, which was formally opened by the Vice-Chancellor, May 6, 1884, consists of two parts, a Museum of Classical Archaeology and the Museum of General and Local Archaeology and of Ethnology. The Fitzwilliam Museum Syndicate and the Director are responsible to the University for the care of the entire building, but for administrative and financial purposes the Museum of Classical Archaeology and the Museum of General and Local Archaeology are separate.

MUSEUM OF CLASSICAL ARCHAEOLOGY.

This Museum consists of four Galleries of Casts (A, B, C, D), a Library with a room for the Director, and a Lecture-Room, together with large accommodation in the basement. A house adjoining has been secured as a residence for the Assistant.

The administration of the Museum of Classical Archaeology is entrusted to a Curator under the direction of a Committee of six members of the Senate, of whom three shall be nominated to the Senate for election by the Special Board for Classics and three by the Fitzwilliam Museum Syndicate.

The Reader in Classical Archaeology is ex officio Curator of the Museum.

The four Galleries of Casts are arranged in a chronological series, each Gallery representing, as far as practicable, a marked period in the history of Art, as follows:

A. The Archaic period (down to the early part of the 5th century B.C.).

B. The age of Pericles (Paionios, Alkamenes, Pheidias, Polykleitos, 5th century B.C.).
C. The age of Philip and Alexander (Skopas, Praxiteles, Lysippos, 4th century B.C.).
D. The Hellenistic schools of Pergamon and Rhodes, and the Graeco-Roman period, together with portrait-statues and busts.

Of these casts a certain number were already in the Fitzwilliam Museum, and have been transferred to this building; but the great mass of them have been purchased out of the Fitzwilliam income.

The LIBRARY consists, in the first place, of the chief part of Colonel Leake's books, which have been transferred from the Fitzwilliam Museum, forming a good working basis for further additions. A subscription raised by Professor Colvin in 1883–4 for this particular object was laid out by him in the purchase of upwards of 850 volumes, and a large number of works on Archaeology have been added since.

The LECTURE-ROOM is not only used for University Lectures, but is available, by permission of the Syndics, for other archaeological lectures. It is also used for the meetings of the Cambridge Antiquarian Society.

REGULATIONS FOR THE FITZWILLIAM MUSEUM OF CLASSICAL ARCHAEOLOGY.

I. AS TO THE SCULPTURE GALLERIES:

The Rules for admission to the Galleries of the Fitzwilliam Museum of Classical Archaeology are the same as those for admission to the Picture Galleries of the Fitzwilliam Museum.

II. AS TO THE LIBRARY:

1. The Library is open to Graduates of the University on the same days and hours as the Sculpture Galleries.

2. The Director is authorized to grant permission to use the Library for purposes of Archaeological study to Undergraduates on the recommendation of their College Tutor, and to other persons at his discretion.

3. No books shall be taken out of the building without a written order from the Director. The Director may at his discretion allow books to be taken out

(1) For a period not exceeding twenty-four hours when they are required in Cambridge for the illustration of lectures or for comparison with objects which cannot be conveniently brought to the Museum.

(2) From not earlier than half an hour before the Library is closed on any day to not later than half an hour after the Library is opened on the next occasion.

4. The titles of all books removed from the building, and the names of the persons borrowing them shall be entered in a book kept for the purpose.

Director. Sydney C. Cockerell, M.A.

Assistant. Henry Seggers Cowman.

MUSEUM OF GENERAL AND LOCAL ARCHAEOLOGY AND OF ETHNOLOGY.

This Museum, which occupies the Eastern and Southern portions of the building, consists of four Galleries (E, F, G, H), and a room for the Curator, together with a portion of the basement.

The nucleus of this Museum is the 'Cambridge Antiquarian Museum and Library,' and comprises the collections formed by the Cambridge Antiquarian Society since its foundation in 1840. During this period a large number of specimens of local antiquities were brought together, including more than one collection of intrinsic value and importance, relating to the district of which Cambridge may be looked upon as the centre. The Society never possessed any local habitation of its own, and its collections were long housed in one or other of the University buildings; but when the proposal for a University Museum of Archaeology took definite form, the Society offered to present the whole of its collections and library to the University, if only they could be adequately housed and cared for. This arrangement was carried into effect when the present building was completed; and the collections of the Society, to which important additions continue to be made, now occupy the Eastern Gallery next to the entrance. Two important ethnological collections formed in Fiji, the one by the Hon. Sir Arthur H. Gordon, G.C.M.G., M.A. of Trinity College, the other by A. P. Maudslay, Esq., M.A. of Trinity Hall, were presented by them to the University in 1884, and the entire series of South Sea Island native manufactures collected by Baron A. von Hügel was then placed on deposit in the Museum.

The most important collections since added, are: *Archaeological*—Roman objects in bronze, glass, earthenware and stone from France and Italy, by J. Barratt, Esq. M.D.; Roman earthenware vessels from Great Chesterford, Essex, by Prof. Hughes and F. J. H. Jenkinson, M.A.; Saxon cinerary urns, personal ornaments, &c., from a burial ground near St John's College, by Museum excavation; local and foreign antiquities, bequeathed by Walter K. Foster, Esq.; stone implements and other objects of predynastic date from Egypt, by the Egypt Exploration Fund; Benin bronzes, by Mr W. D. Webster; and the Murray Collection of Irish antiquities (chiefly prehistoric by purchase through private subscriptions. *Ethnological*—Solomon Islands, by Professor Bevan; New Hebrides, by Bishop Selwyn; Islands of Torres Straits and British New Guinea, by A. C. Haddon, Sc.D.; New Guinea, &c., by Brady Bequest; Polynesian Islands, by George Brady, Esq., M.D.; Andaman Islands, by Colonel Sir R. C. Temple, Bart.; Nicobar Islands, by E. H. Man, Esq.; Ellice Islands, and the Maldives and Laccadives, by J. S. Gardiner, M.A.; New Zealand, by Lord Peckover and C. J. P. Cave, M.A.; British New Guinea by Sir W. Macgregor; Borneo, by C. Hose, Sc.D.,

and R. Shelford, M.A.; Selangor, Malacca (Malay and Sakai), by W. W. Skeat, M.A.; Lower Siam, by purchase (private subscription); British Guiana, by Sir J. A. Swettenham and Major W. Cooke Daniels; Eastern Pacific, by Professor Bevan. The Starr collection of Mexican Folk-Lore, and the Owen collection of dresses and ornaments of the Musquallia Indians have been received on permanent deposit from the Folk-Lore Society.

The management of this Museum is entrusted by Grace to the Antiquarian Committee. This body consists of the Vice-Chancellor, the Director of the Fitzwilliam Museum, two members of the Fitzwilliam Museum Syndicate appointed by the Syndicate, the President of the Cambridge Antiquarian Society, and two members of the Council of the Cambridge Antiquarian Society appointed by the Council of that body, every member of the Committee keeping his place on the Committee so long only as he holds the qualification in virtue of which he has been appointed, and of three other persons to be elected by Grace of the Senate. They are bound to meet at least once a term and to present an annual Report to the Senate; they may also report to the Senate at any other time when they deem it desirable.

The Curator, to whom the care of the Museum is entrusted, is appointed by the Antiquarian Committee, with the consent of the Vice-Chancellor, and acts as Secretary to the Committee.

The Museum is open daily, from 10 to 6 in summer (10 to 5 during the vacation), and from 10 to 4 in winter.

Curator.

Baron Anatole von Hügel, M.A., Trinity.

THE CAMBRIDGE OBSERVATORY

Was erected in 1822-4, after the designs of Mr J. C. Mead, of London, at an expense of upwards of £18,000. About £6000 of this sum was contributed by subscriptions, and the remainder was granted from the public chest of the University.

There is a very fine Transit Circle by Simms. The object glass of the telescope is an excellent one, by Cooke, of 8 inches aperture. There are two divided circles of 3 feet in diameter, each of them being read off by means of four micrometer microscopes.

This instrument was procured by means of a grant from the Special Sheepshanks Fund mentioned below.

The Transit Clock is by Hardy. There are also two other clocks, one by Molyneux and Cope, and one by Graham, with several smaller instruments, of which some have been purchased by the Plumian Professors according to the regulations of their foundation, and others have been bought by the University, or have been presented to the Observatory by generous benefactors.

In 1835, a telescope, of nearly twelve inches aperture and twenty feet focal length, made by M. Cauchoix of Paris, was presented to the Observatory by his Grace the Duke of Northumberland, Chancellor of the University. The equatoreal mounting of the telescope was completed under the superintendence of G. B. Airy, Esq., then Plumian Professor, and was erected in a dome twenty-seven feet in diameter.

In December 1858, the Representatives of the late Rev. Richard Sheepshanks, M.A. F.R.S., fellow of Trinity College, gave £10,000 stock, 3 per cent. Consols, for the promotion of the science of Astronomy in the University.

The annual proceeds of one-sixth part of this stock are to be applied every year to the maintenance of "The Sheepshanks Astronomical Exhibition," and the annual proceeds of the remaining five-sixths are to be applied to the following purposes, viz.:

To the causing to be made the best possible observations and calculations for advancing the science of Astronomy (whether Physical or Gravitational or Mensurative), or the sciences of Terrestrial Magnetism and Meteorology, or other sciences usually pursued continuously in an Observatory; or to the erection of Buildings or procuring of Instruments proper for, and appropriated to, those Observations; or to the payment of actual observers and actual computers personally employed on the Observations and Calculations.

The entire endowment is invested in the names of Trustees, who are the Master, Fellows and Scholars of Trinity College; but the immediate expenditure of the sums annually available for the purposes above mentioned is intrusted to the Observatory Syndicate.

In March, 1863, a further sum of £2000 was transferred to the University by Miss Sheepshanks to be employed for the benefit of the Observatory, with special preference for its employment in the purchase of one or more large instruments or classes of instruments, if such should be required.

In 1889 Mr R. S. Newall, F.R.S., offered to the University his refracting telescope with a view to its being used for the development of stellar physics. This offer was accepted by the University and the instrument was erected at Cambridge in 1891 on a site to the S.W. of the Northumberland Dome, in a field purchased as an addition to the Observatory grounds. The instrument was the first of the large refractors of modern days; it has an aperture of 25 inches, and a focal length of 29½ feet. The discs for the object-glass were cast by Messrs Chance of Birmingham, in 1862, and they were worked by Messrs T. Cooke and Sons of York. The mounting, which is remarkably solid and steady, was made by the last-named firm, and was completed about the year 1871. The building is of iron, and has a hemispherical dome, with an internal diameter of 40 feet. The expense of removal of the Telescope and iron building from Gateshead-on-Tyne and the

re-erection at Cambridge was met by a contribution from the Trustees of the Sheepshanks Fund, and a gift from Prof. Adams with the special view of purchasing additional land to improve the site.

In 1905 the late F. McClean, F.R.S., bequeathed a sum of £5000 for improving the instrumental equipment in connexion with the Newall Telescope.

In 1898 a Telescope was erected for Photographic purposes. The object-glass is a triple of 12½ inches aperture and 19¼ feet focal length by Messrs Cooke and Sons. The novel form of mounting is by Sir Howard Grubb, Dublin. The cost of this instrument and of the building which contains it was defrayed from the accumulations of the Sheepshanks bequest, and the instrument is accordingly known as the Sheepshanks Telescope.

In 1908 the Royal Society presented the equipment which had been placed by them in the hands of Sir W. Huggins in 1871, and has been used and developed by him since that time in his astrophysical researches. The equipment consists of (i) a refracting telescope (with an object glass 15 inches in diameter and 15 feet in focal length) to which is attached a spectroscope designed by Sir W. Huggins for both visual and photographic work, and (ii) a Cassagrain reflecting telescope (with a mirror of speculum metal eighteen inches in diameter, and about seven feet in focal length) to which a spectroscope is attached with optical parts made of Iceland spar and quartz. These two telescopes were made and mounted on a single polar axis by Sir H. Grubb of Dublin. They are erected in a new dome made by Cooke and Sons, on a site to the south of the Sheepshanks telescope, contiguous with the Astrophysical Building which was built in 1909.

In 1909 Major E. H. Hills, C.M.G., R.E., presented a valuable outfit of spectroscopic apparatus. It comprises amongst other instruments a powerful quartz spectroscope.

In 1911 Lady Huggins presented the large and valuable set of physical apparatus, including induction coils, air pumps and spectroscopic apparatus, wherewith Sir W. Huggins and she had carried on their recent researches.

By Grace of Nov. 27, 1862, it was ordered:—

That the Observatory Syndicate consist of the Vice-Chancellor, the Lucasian, the Plumian and the Lowndean Professors, and six other Members of the Senate to be elected by Grace.

That of these six Members two retire by rotation on Dec. 31 in every year, and that their places be supplied by two other persons elected at the next ensuing Congregation.

That the Syndicate be empowered to order new Instruments for the Observatory, to direct the requisite repairs of the buildings, and audit the accounts.

That the Syndicate meet at the Observatory once at least

in every Term, and annually, in the month of May, inspect all the Instruments, &c. belonging to the Observatory, and afterwards make a Report to the Senate as well of the state of the Observatory as of the proceedings of the previous year.

By Grace of the Senate, June 9, 1892, the present Lowndean Professor, Sir R. S. Ball, was appointed Director of the Observatory, and H. F. Newall, M.A., Trinity College, was entrusted with the charge of the Newall Telescope. The Assistant Observers are appointed by the Director with the consent of the Vice-Chancellor.

The volumes of Observations have been published from time to time (the expense being defrayed by the Press Syndicate). Copies have been distributed to the principal Observatories and Academies.

The Observatory is open to members of the University and their friends every weekday between half-past Twelve and half-past One, and the Director usually gives notice in the *University Reporter* at the beginning of each Michaelmas and Lent Term that the Northumberland Telescope will be open to members of the University and their friends on fine and clear Saturday evenings during the ensuing full term, between the hours of 8 and 10.30 p.m.

THE MUSEUMS AND LECTURE-ROOMS.

THESE buildings were commenced in 1863, from the designs of Anthony Salvin, architect. Under his direction accommodation was provided for all the Professors of the Natural Sciences, except Anatomy, Chemistry, and Geology. The style and plan selected were fortunately such as readily to admit of extension and addition. The range of building in three floors, extending from the Lecture-Room of Comparative Anatomy to Corn Exchange Street was erected in 1877, from the design of W. M. Fawcett, M.A. architect. It provided private rooms and work rooms for Comparative Anatomy, and Physiology. In 1880 two large rooms called "Museums of Philosophical Apparatus" were thrown into one, so as to provide suitable space for the Library of the Philosophical Society. In 1882 a Laboratory for Animal Morphology was constructed above the upper floor on the south side of Mr Salvin's quadrangle; and in 1884 a second Laboratory for the same science on the west side. In 1890 a range of buildings was erected, from the design of W. M. Fawcett, M.A., architect, on the ground next Corn Exchange Street, to provide additional Class-Rooms fo

Physiology, a new building for Human Anatomy, and a large Lecture-Room common to the two departments.

The Laboratory for Engineering and the Mechanical Sciences designed by W. Marshall, Esq. has more recently been erected between the Chemical and the Cavendish Laboratories on the site of the old Perse School House, part of which is incorporated in the new building. An extension of the Laboratory, built as a Memorial to the late John Hopkinson, F.R.S., and his son J. G. Hopkinson, with funds given by Mrs Hopkinson and her son and daughter, was opened in 1899.

Since the removal of the Botanical Department to the Downing site this Engineering Department has been greatly increased by the addition of many rooms formerly used by the Botanists, and also by the erection of a new Drawing Office. The Geological Collections, &c. were removed from the Woodwardian Museum to the Sedgwick Museum, designed by Mr T. G. Jackson and erected on the Downing site in 1903. The new Botanical School, designed by Mr Marshall, and erected on the same site, was opened the same year. The Law School, adjacent to the Sedgwick Museum, and by the same architect, was first used in 1904. The Agricultural School, designed by Mr Arnold Mitchell, has recently been erected on the Downing site to the south of the Botanical School and was opened by the Duke of Devonshire in May, 1910. The Museum of Archæology, designed by Mr T. G. Jackson, R.A., is now in course of erection on the Downing site on the frontage to Tennis Court Road; towards the funds for the erection of this building the Foster family of Cambridge have been munificent contributors. The foundation stone of the new building was laid by the Baroness von Hügel in May 1910.

The Examination Halls erected in the garden formerly belonging to Mr Mortlock were first used in 1909 on the occasion of the Darwin Centenary. The larger Hall is 106 feet long, 51 feet wide and 30 feet high, the smaller which is divisible into two unequal parts is 106 feet long, 30 feet wide and 16 feet high, and is lighted entirely from the roof. Each is throughout ventilated by two fans driven by electricity; the ventilation is on a system suggested by Dr W. N. Shaw.

The Literary Lecture Rooms which occupy the remainder of the Mortlock Garden site contain Lecture Rooms for the use of the Literary, Historical, Mathematical, Economic and other Schools together with a larger room arranged to contain the Libraries of the various departments. The building was designed by Mr George Hubbard, F.S.A. and was ready for use at Michaelmas, 1911.

The Drapers Company of the City of London is presenting to the University a building for the accommodation of the department of Physiology. This building is now in course of erection

on the Downing site in accordance with plans prepared by Mr T. G. Jackson, R.A., at a cost of about £22,000.

Adjacent to the Drapers Building for Physiology a new building also from the plans of Mr Jackson is in course of erection for the department of experimental Psychology. The greater part of the funds for the erection of this building (between £3000 and £4000) is being presented to the University by the family of Dr C. S. Myers. The University is about to extend the Agricultural School by the addition of a building of about the same size as the existing School to be paid for by funds provided by the Development Commissioners who are also providing funds for the research to be carried on and for the upkeep. The Architect will be Mr Arnold Mitchell. The Engineering Laboratory has recently been enlarged by the replacing of the old Head Master's House of the Perse School by a building specially designed for the work of the department planned by Mr William C. Marshall. A building for the study of Solar Physics under Professor Newall is about to be erected on a site purchased from St John's College to the south of the Observatory. The funds for the erection of the building and for its maintenance being provided by the Development Commissioners. The Department of Forestry is about to find a home in a new building about to be erected on the Downing Ground, the plans for which have been prepared by Mr William C. Marshall.

In the last 12 or 14 years upwards of a quarter of million of money has been expended in the provision of the new Laboratories, Lecture Rooms and Museums; a very large proportion of this large sum has been provided by the munificence of benefactors to the University. Without these splendid gifts, which to a considerable extent are due to the exertions of the University Association (the Treasurer of which is Mr E. H. Parker) the University would not have been able to provide the accommodation necessary for the rapid expansion of her great and famous scientific departments.

I. The Museum of Zoology.

The Collections belonging to this department are partly in the building on the east side of Mr Salvin's court, partly in the room called the Bird Room over the adjoining lecture-room.

The collection of skeletons of Vertebrates, which include a few stuffed specimens, was commenced by Sir Busick Harwood Professor of Anatomy from 1785—1814; but it owes its present development to the exertions of the Reverend William Clark Professor of Anatomy from 1817—1866. During his tenure of office no opportunity was lost of acquiring specimens. Of these some were purchased by the University or by subscription, others were presented by himself. Since the removal of the collection

into the existing Museum in 1865 it has been largely increased by the exertions of the late Professor Newton, J. W. Clark, M.A., Trinity, Superintendent from 1866—1891, and especially S. F. Harmer, M.A., D.Sc., F.R.S., King's, Superintendent from 1892—1909; and has become one of the most complete in this country for educational purposes.

The collection of organs in spirit originated in a small number of choice preparations presented to the University by Mr Lawrence. Subsequently, the Museum of Sir Busick Harwood was purchased in 1815, after his death, for £367. 10*s.*; a considerable number of specimens were acquired at the sale of Mr Brookes' Museum in 1830; and in 1836, the valuable collection of Dr Macartney, Professor of Anatomy in Trinity College, Dublin, was purchased by the University. It has since been increased by the collection of Professor Schröder van der Kolk of Utrecht, presented by the late Professor Sir George Humphry. The series is under constant revision, and additions are made to it every year as opportunities occur.

With the continued increase of all parts of the collection, the Museum has become inadequate for the proper display and storage of the specimens; and new buildings are urgently required. As at present arranged, the Mammals occupy the ground-floor of the Museum: the Fishes, Amphibia, and Reptiles are in the galleries; and the Invertebrata in the annexe on the east side, formerly used by the Professor of Physiology as a class-room.

The fishes in spirit, among which are the very interesting collections formed by Charles Darwin, Esq., M.A., F.R.S., of Christ's College, during the voyage round the world of H.M.S. 'Beagle, and by the Rev. R. T. Lowe, M.A. of Christ's College, in Madeira, have been placed in presses in the Gallery constructed in 1877 round the room in which the Ornithological collections are placed for the present.

The Bird Room contains the collection of British Birds presented by the Cambridge Philosophical Society to the University in 1865; the Swainson collection of birds purchased by subscription in 1840; the collection presented by F. B. Goodacre, M.D., St John's, in 1863; the Strickland collection presented by the widow of the late H. E. Strickland, Esq., M.A., F.R.S., in 1867; the Selby collection deposited in 1869 by the trustees of the late P. J. Selby, Esq.; and the Hepburn collection, presented in 1870 by the devisees of the late James Hepburn, Esq., of St John's College, long resident at San Francisco.

On the 18th June, 1907, the Senate accepted a bequest made by the late Alfred Newton, M.A., F.R.S., Professor of Zoology and Comparative Anatomy from 1866 to 1907, of the whole of his Natural History Collections and Library, together with a sum of £1000 upon trust to provide for the maintenance of the said Library. The Newton Collection, a large part of which had been

presented during the life-time of the donor, includes unique series of the Dodo, Solitaire and other extinct Birds and of the eggs of Palaearctic Birds, and is particularly rich in specimens illustrating the Avifauna of Jamaica and the Mascarene Islands. The library is one of the best and most comprehensive selections of works dealing with the study of Birds, and contains many extremely valuable editions of ancient and modern travels.

On the 26th February, 1874, the Senate accepted the offer of Miss Frances Strickland, of Apperley Court, to found a Curatorship endowed with a permanent stipend of £150 per annum. The chief duties of the 'STRICKLAND CURATOR' are the proper custody and accurate cataloguing of the Strickland and other Ornithological collections belonging to the University.

1874 Osbert Salvin, M.A., F.R.S., Trinity Hall.
1883 Hans Gadow, M.A., F.R.S., King's.

A collection of Invertebrata has been gradually formed. It consisted, in the first instance, of a series, partly in spirit, partly dry, hastily put together for the instruction of students. The cabinet of shells formed by the late S. P. Woodward, author of the *Manual of the Mollusca*, was added in 1867. Since then the collection has been increased by several important acquisitions: (1) an extensive collection of Shells, with a valuable conchological library, bequeathed by Robert M^c^Andrew, Esq., F.R.S., in 1873, catalogued and the nomenclature revised by the Rev. A. H. Cooke, M.A., King's; (2) a valuable collection of Shells, bequeathed by Miss Jane Saul in 1895; (3) a series of Invertebrata in spirit formed by Dr Dohrn of Naples, and purchased in 1883; (4) the collection of Foraminifera formed by H. B. Brady, Esq., F.R.S., and presented by him in 1883 and following years. From this extensive collection Mr Brady selected a representative series, which he further illustrated by coloured figures from his monograph of the group in the Reports of the Challenger Expedition; (5) the valuable series of marine Polyzoa, presented by Miss E. C. Jelly in 189 and subsequent years. This formed the beginning of a collectio of Polyzoa which has been largely added to from other source especially by Dr S. F. Harmer, since the date of its commencemen

The museum also possesses very large collections of marin invertebrata, brought back by various scientific expeditio organised from Cambridge, among which those presented b Prof. J. S. Gardiner, F.R.S., deserve special mention.

The collection of British Insects is extremely good. It has be formed by the union of the old collections belonging to the Phil sophical Society, the Selby collection, the Brown collection—(ma by the late Messrs J. and T. Brown of King's Parade)—and t collection of Coleoptera and Diptera made by the late G. R. Crote M.A. of St John's College, who bequeathed a sum of money form a fund for the purchase of books or specimens. Numero additions have recently been made to the British collecti

among which should be mentioned especially the Blackburne-Maze collection of British Lepidoptera, made by the late W. P. Blackburne-Maze, Esq., and presented in 1910 by his son C. J. Blackburne-Maze, Esq. The Museum also possesses Mr Crotch's collections of Coccinellidæ and Erotilidæ. The entomological department has been largely developed by the exertions of Dr D. Sharp, Curator in Zoology, from 1890—1909.

Recently, during the Superintendentship of Mr Punnett, half the ground-floor of the annexe has been devoted to the exhibition of series illustrating evolution and heredity. A large cabinet has been obtained through the generosity of T. H. Riches, M.A., Caius, and specimens have been presented by Prof. Bateson, Prof. Punnett and others illustrating these subjects. It is proposed to call this department the "Darwin Gallery," and it is hoped before long to extend it.

A Catalogue of the Museum has been prepared, but remains for the present in manuscript.

This Museum, in common with the other Museums of Natural Science, is under the control of the 'Museums and Lecture-Rooms Syndicate,' and is managed by a Superintendent, now elected by the Special Board for Biology and Geology with the consent of the Vice-Chancellor.

1910 Leonard Doncaster, M.A., King's.

Assistant to the Superintendent, S. T. Burfield, B.A., Selwyn.

A Curator in Zoology was appointed in 1877, now called Curator in Entomology. His duties are assigned to him by the Superintendent. The appointment is made by the Special Board for Biology and Geology, with the consent of the Vice-Chancellor.

Regulations.

1. That the Balfour Library be under the charge of the Professor of Zoology, and that it be housed in the Department of Zoology.

2. That the Library be open to students and workers in the Department of Zoology, and to such other persons, whether members of the University or otherwise, as shall have obtained the permission of the Professor of Zoology.

3. The rules governing the use of the Library may from time to time be made by the Professor of Zoology, subject to the approval of the Vice-Chancellor.

4. That the income of the Balfour Library Endowment Fund be paid to the Professor of Zoology, to be spent by him on the upkeep of the Balfour Library or to be added to the capital of the Fund.

5. That the accounts of the Fund be audited annually by the Financial Board.

6. That these Regulations be subject to alteration by Grace of the Senate, provided that no change be made in the name of the Library or in that of the Fund, and that the Library continue to be the Departmental Library of the Department of Zoology.

II. Department of Human Anatomy.

This building is the northern portion of the large block erected in 1890, and consists of three floors.

On the ground floor are large work-rooms and preparation-rooms with storage room, and the private room of the Professor of Anatomy.

The first floor is occupied chiefly by the Museum of Human Anatomy, which consists of an extensive series of specimens illustrative of human osteology and a very fine series of the skulls of men of different races. There are also many dissections, spirit preparations, and models for teaching purposes.

On the first landing is the Anthropological Laboratory in which the practical classes in that subject are conducted.

Adjoining the gallery of the Museum is the bone-room, wherein are mounted specimens of bones for the use of students; and the Laboratory of Anthropology.

The second floor is occupied by the dissecting room, which is capable of accommodating 250 students.

Between the Departments of Anatomy and Physiology is a large lecture-room, common to the two Departments, and capable of seating 280 students.

III. The Medical School in Downing Street.

The new Medical School, erected from the designs of Mr E. S. Prior, on the north side of Downing Street, at a cost of some £34,000, was opened by King Edward VII on March 1, 1904, and is assigned to the departments of Medicine, Surgery, Pharmacology, Pathology and Public Health. Connected with the Pathological Laboratory is the Humphry Museum—intended to accommodate specimens chiefly in Morbid Anatomy—required for the teaching of the departments above mentioned.

The Pharmacological and the Pathological Laboratories are thoroughly equipped with apparatus and specimens not only for teaching purposes, but also for carrying on original research.

The new building also contains a medical library where the most recent literature—both British and Foreign—can be consulted by Students.

IV. The Botany School.

The Herbarium was founded by Professor John Martyn more than a hundred and fifty years since: but when Professor Henslow was appointed to the chair of Botany in 1825, he found nearly th

whole of Martyn's collection gone hopelessly to decay. Professor J. Martyn also made a valuable donation of books to the Museum; these and many other books which have been recently acquired are carefully preserved and available for use. The Library of Charles Darwin, which Dr Francis Darwin has generously placed in this Department, has been catalogued and is accessible to those engaged in research.

The Herbarium includes selected sets of plants gathered by many botanical travellers; the whole herbarium of the late C. M. Lemann, M.D.; and nearly the whole of the valuable herbarium of the late Dr Lindley. The fine collections of Algæ formed by the late Dr and Mrs J. E. Gray (of the British Museum) were presented by them to the Herbarium. The Herbarium of the late celebrated Rubologist, Mons. Gaston Genevier of Nantes, was obtained in 1880. The late Professor Babington's valuable Herbarium and Library were left by him to the University for the Botany School. The Herbarium of the late Rev. Dr Churchill Babington was presented in 1889. The Rev. J. D. Gray has recently (1908) presented an exceptionally good collection of British plants. The collections are open to the use of botanists with the permission of the Professor or the Curator.

In 1887, Lady Bunbury presented the whole of the Herbarium and Botanical Collections of the late Sir Charles James Fox Bunbury to the Botanical Museum. These include Lichens, Fruits and Seeds, a considerable general Herbarium (British and Foreign), and a collection of Fossil Plants.

The Museum contains also a large collection of specimens illustrative of subjects treated of in lectures.

The Botany School, designed by Mr W. C. Marshall, comprises a basement and three floors, with a mezzanine between the first and second floors. There is also a flat roof, available for experimental purposes.

Curator of Herbarium—C. E. Moss, B.A., D.Sc. (Victoria), Emm.
Curator of Museum—H. Hamshaw Thomas, M.A., Downing.

V. The Mineralogical Museum.

The formation of the Collection commenced with the minerals collected by Dr Edward Daniel Clarke, which were purchased by the University after his death for the sum of £1500. A collection of minerals suited for the purposes of instruction was afterwards presented by Dr Whewell. Many fine specimens of common and rare minerals have at different times been given by the late Marquis of Northampton, the Rev. C. Francis, G. W. Hallam, Esq., J. Hibbert, Esq., Mrs Calverley, Mrs Peacock, Miss Whitehurst, W. Hopkins, Esq., J. W. Clark, Esq. and others. In 1858, H. W. Elphinstone, Esq., M.A. of Trinity College, presented the collection of the late Henry

Warburton, Esq., M.A., F.R.S., which includes the minerals formerly in the possession of Dr W. H. Wollaston. In 1860, the collection of Dr James Forbes Young was presented by his brothers, Sir Charles George Young and H. Young, Esq. In 1866, a collection containing many choice minerals was presented by Lord Lilford. A valuable series of specimens of gold, collected by the late J. Hepburn, Esq., was presented to the Museum in 1870.

In 1841, Viscount Alford gave the University the rich collection of minerals formed by Sir Abraham Hume, Bart. This collection includes one of diamonds, of which a catalogue was published by the Comte de Bournon.

In 1857, Charles Brooke, Esq. M.A., F.R.S., of St John's College, presented the collection of minerals, in many respects unrivalled, made by his father Henry James Brooke, Esq. F.R.S., on condition that it be maintained entire as the Brooke collection.

In 1897 the Rev. Thos. Wiltshire, M.A., Hon. Sc.D., of Trinity College, presented his fine collection. It contains many remarkably good specimens found during the last forty years in Swiss, American, and English localities.

In 1899 the Carne collection, consisting mainly of Cornish minerals, together with the cabinets in which it was contained, was bought for the University, a sum of over £500 being raised by subscription to defray the cost.

The mineralogical collection is contained in two rooms on the first floor of the west wing of the building. The entrance is at the south-west corner of the Court. The minerals are arranged in several table-cases covered with glass. These cases resemble those in use in the École des Mines of Paris and the Polytechnic School of Turin, space for duplicates and for the specimens required for the illustration of lectures being supplied by tiers of drawers placed underneath. The collection is arranged mainly according to the classification adopted in E. S. Dana's system of Mineralogy.

The lecture and demonstration rooms, and the chemical laboratory are at the north end of the wing and on the ground floor below this end; they are entered by the passage used for thoroughfare. The west windows of some of these rooms and of some of those in the gallery are provided with platforms for supporting the heliostat or other instrument used to give the bright signal needed in the determination of the geometrical characters of minerals.

The Museum is open daily between the hours of 10 A.M. and 4 P.M.

Assistant Curator—A. Hutchinson, M.A., Pembroke.

VI. The Engineering Laboratory and Mechanical Workshops.

The Engineering Laboratory in Free School Lane, which is in the charge of the Professor of Mechanism and Applied Mechanics,

was opened in 1894. Towards its cost the sum of £5000 was raised by public subscription. A further sum of £5000 was given by the widow and family of the late Dr John Hopkinson in 1898, to erect a wing of the Laboratory in his memory. This wing, which has provided a large extension of the original accommodation, was opened in February, 1900. In 1903 the Laboratory was further enlarged by the completion of a new Drawing Office and by taking in the greater part of the buildings vacated by the Department of Botany. The Laboratory includes rooms and apparatus for the experimental study of mechanics and elasticity, the strength of materials, heat and heat engines, electricity and its practical applications. Amongst the apparatus are a 50-ton testing machine and three smaller testing machines, a large horizontal compound steam engine specially arranged for experimental work and five other steam-engines (three with direct-coupled dynamos) and five internal combustion engines, together with many appliances for the practical study of electricity. The Laboratory is also furnished with apparatus for the practical study of hydraulics, including motor-driven centrifugal pump (presented by Messrs Dick, Kerr & Co., and Messrs Mather & Platt) and two turbines. The Museum contains the original kinematic models of the late Professor Willis. Adjoining the Laboratory are the Mechanical Workshops, in which practical instruction is given in wood work and iron work, including pattern-making, fitting, turning, and forging. These are fitted with numerous lathes and vices, machines for shaping, planing, slotting, and drilling, and all the appliances necessary for teaching pupils and for making instruments and machinery. There is also a drawing office furnished with the necessary appliances for Mechanical drawing and designing.

Courses of Lectures and practical demonstrations are given in the Engineering Laboratory qualifying for the Mechanical Sciences Tripos, and also for the Special Examination in Applied Science.

VII. The Optical Lecture-Room.

This room is at the south-west corner of the upper floor of the Museums adjacent to the rooms occupied by the Lucasian, Lowndean and Plumian Professors. It is arranged as a lecture theatre, the fittings having been designed, perhaps in part by Sir G. B. Airy, but mainly by Sir G. G. Stokes, so as to be adapted to optical demonstrations with the aid of sunlight reflected from outside by heliostats. The lectures of the Lucasian Professor are still delivered in this room; and it is also the stated place of meeting of the Cambridge Philosophical Society.

The arrangement for the practice of students in astronomical observation, which was formerly connected with this lecture room, have now been transferred to the Observatory.

VIII. The Chemical Laboratory.

The Chemical Laboratory is a large building in Pembroke Street, facing the South side of Pembroke College; the older portion was erected in 1887 from the design of Mr J. J. Stevenson upon a plan proposed by Professor Liveing, and in 1908 an eastern wing was added from the design of Messrs Stevenson and Redfern. The principal entrance is from Pembroke Street, but access can also be obtained from the Museums' Court and Free School Lane; a bronze bust of Professor Liveing adorns the entrance hall. The ground floor contains the laboratories for elementary work, comprising the main laboratory provided with accommodation for 130 students, an auxiliary laboratory to accommodate 80 students, and a room between them which is used for large operations; communicating with this suite are two balance rooms and two rooms for the conduct of operations with noxious gases, etc. Separated from this set of rooms by the entrance hall are three lecture rooms connected directly with one suite of preparation and specimen rooms. The large lecture room seats 240, and is accessible by separate entrances from the street and from the rear: the two smaller, each seating 60, are approached from the entrance hall. The mezzanine floor at the west end of the building contains laboratories for special purposes, and the mezzanine on the main staircase gives access to the private room of the Professor of Chemistry and a room for organic analysis; on the mezzanine floors at the east end are four smaller laboratories for the use of the lecturers in Chemistry. On the first floor are found a large advanced laboratory, which accommodates about 65 students, and an auxiliary laboratory with benches for 30 workers; these are connected through a large room which is used for special operations. To the west of these rooms are a balance room, the lecture and private rooms of the Jacksonian Professor and another laboratory devoted to organic Chemistry. At the east end, communicating directly with the advanced laboratory, are the private laboratories of the Professor of Chemistry and a large physico-chemical laboratory. Higher up are the library and several rooms for special investigations; the attic floor contains rooms for the housekeeper and the assistants, and for a spectroscope with a concave grating. One part of the roof has been arranged as a large flat area upon which work can be carried out in the open air.

The basement contains laboratories for demonstration purposes and two rooms fitted entirely with fire-proof materials in which operations with easily inflammable substances can be safely conducted. Under the set of three lecture rooms are receiving and store rooms and rooms for gas analysis and high temperature work, together with the metallurgical laboratory, furnace room and balance room occupied by the Goldsmiths' Reader in Metallurgy. To the east of the entrance hall are the machinery room

containing two small steam engines, a dynamo, air pumps and other machinery, the accumulator room and the boiler house. Further east lie a large research laboratory connected with a balance room, and a lecture room, to seat 150, with its accompanying preparation room.

The whole building is warmed by steam and hot water, and steam is laid on to all the rooms for use in chemical operations. Tubes from the air pumps are led into the different rooms, some giving low exhaustion for filtering are distributed to the working benches, while those giving the highest exhaustion are carried to the balance rooms, lecture rooms, and a few other points. The large lecture room, and the low rooms on the mezzanine floors are lighted by electricity, and there are leads from the dynamo and storage battery to all the lecture rooms for experimental purposes. A separate small storage battery can be placed in connection with any of the laboratories where an electric current is needed. The whole of the working rooms are ventilated by a shaft 100 feet high heated by the boiler furnaces. The Laboratories are open for the use of members of the University who comply with the rules, daily during term time and during July and August, from 10 a.m. till 6 p.m. The fee for the use of the laboratory is £3. 3*s.* a term: ordinary apparatus is supplied, but all chemicals used and all damage done to the apparatus of the laboratory must be paid for. No one is admitted to work in the advanced laboratories until he has proved his competence to the satisfaction of the Professor of Chemistry or the Jacksonian Professor; nor are any experiments or researches allowed which are not approved by one or the other of those Professors.

Assistant to the Professor of Chemistry—John Read, Ph.D. (Zürich).

IX. The Cavendish Laboratory.

This Laboratory, in which every facility is furnished for the prosecution of physical research, was the munificent gift of William Cavendish, Seventh Duke of Devonshire, K.G. late Chancellor of the University.

The building was erected from the designs of W. M. Fawcett, M.A., of Jesus College, at an expense of about £10,000.

An addition has been recently erected on the Mortlock site at a cost of about £8000, the greater part of which sum was provided by the Nobel Prize awarded to Lord Rayleigh, who handed over the Prize to the Department for this purpose.

The ground floor contains a set of rooms for operations requiring great steadiness, such as exact measurements. A store-room, a workshop, and a battery-room are also provided on the ground-floor.

The first floor contains a spacious lecture-room with a preparation-room, a large apparatus-room, a private room for the professor, and a large working laboratory, fitted with tables standing

on beams of their own, so as to be independent of the vibrations of the floor. All the tables in the building are supported in the same way, and there are in every floor small trap-doors by means of which bodies may be suspended over the tables in the room beneath and through which electric and other communications may be made.

The Laboratory is open daily from 10 A.M. till 5 P.M., under the superintendence of the Professor of Experimental Physics, for the use of any members of the University who may desire to acquire a knowledge of experimental methods, and to take part in physical researches.

Experimental lectures upon Mechanics, Heat, Sound, Electricity and Magnetism, are given daily during Term, under the direction of the Professor of Experimental Physics, and are open to all members of the University.

X. Philosophical Library.

The use of the Library of the Cambridge Philosophical Society was offered to the University in 1881; and the conditions suggested by the Society having been accepted by the Senate (2 June, 1881), the books were transferred to the large room on the ground floor of the central building, with the view of commencing a general Scientific Library. The number of books and periodicals has already been largely increased by donations, exchanges and purchases; and the Library thus formed is found to be of great service to the Professors and others who work in the New Museums. It is open daily during Term from ten to one and from two-thirty to six, and during vacation according as the Committee may from time to time determine.

THE SEDGWICK MUSEUM.

The original Museum consisted exclusively of those specimens, English and Foreign, which are described in Dr Woodward's Catalogues, printed in 1728-9. The English Fossils were bequeathed by him to the University; and by a Grace of the Senate, dated Feb. 26, 1729, the Vice-Chancellor was empowered to purchase, for a sum not exceeding £1000, the Foreign Fossils described in those catalogues.

The immense collection which grew around the original Woodwardian Museum is housed in a building erected as a memorial to the late Professor Sedgwick, and opened by His Majesty King Edward VII. on March 1, 1904.

The original collection possesses a great historical value, as representing the condition of a progressive science during the latter half of the 17th century, and has not been incorporated among the more recent additions to the Museum. It contains amongst other

things the fossils collected by Agostino Scilla, a distinguished Sicilian painter who published in 1670 a work entitled "La Vana speculazione disingannata dal senso," in which he shows by comparison with recent forms that Fossils are really the remains of Organisms. Pencil drawings of these fossils made by Scilla to illustrate his work are preserved in the Museum.

Professor Green, 1778—1788, added a few valuable organic remains to the Woodwardian cabinets: and Professor Hailstone, 1788—1818, formed a collection of simple minerals, and other specimens illustrative of the physical structure of the British Isles and of some portions of the Continent.

During fifty-two years continual additions were made to the collection by the personal labours and munificence of Professor Sedgwick, by contributions from Cambridge Graduates and Undergraduates, by the purchase of specimens from time to time out of the old Woodwardian surplus fund, and, since the promulgation of the new Statutes, by special grants from the Senate. The later additions have been recorded in the annual reports.

The palæozoic collections added to the Museum during forty-four years previous to 1855 were arranged and classified by Professor M^c^Coy, and his catalogue of them was published, with an introductory Essay by Professor Sedgwick.

A Catalogue of the Fossils of the older Palæozoic strata was prepared by J. W. Salter, with a Preface by Professor Sedgwick, the last work which proceeded from his pen.

Catalogues of the Reptiles and Birds by Professor H. G. Seeley, and of the Type specimens in the Museum by Mr Henry Woods, M.A., of St John's College, have been printed by the University.

The Museum contains many collections of note, among which may be mentioned those of Leckenby, Fletcher, Hugh Strickland, Montague Smith, Wiltshire Meyer, and Whidborne, and portions of others which have an exceptional value from having been made by specialists such as Barrand, Bonney, Hudlestone, Binney, and Turnbull; also the Petrological Museum arranged by Harker, the Ellis collection of Graptolites, the Watson collection of Building Stones, Marbles, &c., besides numerous additions to the general collection by Marr, Woods, Reed, and other members of the staff.

THE SELWYN DIVINITY SCHOOL.

The original Divinity School, probably the oldest University building, was on the north side of the 'Schools Quadrangle,' under the present Catalogue-Room of the University Library. This School was incorporated in the Library in accordance with a report of the Library Syndicate in the year 1856. In the same year William Selwyn, D.D., of St John's College, Lady Margaret's

Professor of Divinity, set apart £700 a year from the income of his chair as an augmentation of the stipend of the Norrisian Professor, proposing at the same time, if the Norrisian Professorship should meanwhile become vacant, to continue the same contribution during his tenure of his office for the furtherance of theological studies in such way as might seem best.

In accordance with this provision a Trust was formed in the year 1864 to receive and administer the sums so set apart with a view to building a Divinity School; and shortly before Prof. Selwyn's death, on April 24, 1875, when the accumulated Fund amounted to nearly £10,000, a Syndicate was appointed (Dec. 3, 1874) to consider the best site for such a building. In accordance with their report, a site opposite St John's College was purchased by the University for £3750 (Grace of May 27, 1875). On Nov. 2, 1876, designs prepared by Mr Basil Champneys, M.A. of Trinity College, for the Divinity School and Literary Lecture Rooms adjoining it, in "English Gothic of the early part of the sixteenth century," were approved by the Senate, and the Divinity School was occupied on Oct. 24, 1879. The entire cost of the Divinity School, including fittings and furniture, amounted to a little more than £11,000, of which about £10,700 was provided by Dr Selwyn's gift. The niches on the exterior have since been filled (1892—1898) with a series of statues, through the liberality of the late Mr Samuel Sandars, M.A., of Trinity College, and Mrs Sandars. The statues, executed by Mr Edmund Kett of Cambridge, represent nine eminent Cambridge theologians (Archbishops Cranmer and Parker, Bishops Fisher, Pearson, Andrewes and Lightfoot, Erasmus, John Lightfoot and Whichcote).

The Divinity School contains a large Lecture Room, capable of holding about 250 students, a smaller Lecture Room, a Library, and four rooms for the Professors. The Library is open to Students between 5 and 6.30 P.M. on every week day, except Monday.

THE LAW SCHOOL AND SQUIRE LAW LIBRARY.

These buildings, which are situated in Downing Street, adjoin the Sedgwick Memorial Museum on the East, and the Archaeological Museum, now in process of erection, on the West. All were designed by Mr T. G. Jackson, R.A. The funds for the building of the Law Library, for the purchase of furniture, and for the original stocking of the Library with books, were provided under the will of the late Miss Rebecca Flower Squire, who died November 26, 1898. Provision has also been made, under the same will, for the salary of a Librarian and for the further purchase and renewal of books.

In addition, a sum of £1000 has been received from the Master and Fellows of Gonville and Caius College in trust for the benefit of the Squire Law Library; such sum to be entitled the Charles Monro Fund and the annual income to be devoted to the purchase and binding of foreign books.

REGULATIONS FOR THE SQUIRE LAW LIBRARY.

1. The Library shall be called the Squire Law Library.

2. The Library shall be open, during Term, from 9 A.M. to 1 P.M. and except on Saturdays from 3 to 7 P.M., on all days on which the University Library is open, and in Vacation, at such hours and on such days as the Special Board for Law shall from time to time determine: provided that except in the month of September it shall be open on all days on which the University Library shall be open.

3. The Library shall be open to

PETERHOUSE,

OR

ST PETER'S COLLEGE.

(FOUNDED A.D. 1284.)

Copies of the Statutes in the British Museum; Old Statutes MSS. HARLEY, *No.* 7032, *p.* 187. *New*,—*No.* 7046, *p.* 132 (Printed in "Documents relating to the University and Colleges of Cambridge," Vol. II. pp. 6—116). *The Statutes as approved by the Queen in Council 29th June*, 1882, *are printed in the London Gazette.*

THIS most ancient College or House was founded by HUGH DE BALSHAM, Bishop of Ely, for a Master and fourteen Fellows.

According to the Statutes of 1882, the foundation consists of a Master, eleven Fellows, and twenty-three Scholars.

The Master, who is elected by the Fellows, must be a Master of Arts, or of some equal or superior degree, in the University of Cambridge or Oxford.

The Fellows are to be elected from among the Graduates of the College, or, if the Society think fit, from among the other Graduates of Cambridge or Oxford. One of the Fellowships is entitled a Professorial Fellowship, and can be held only by a Professor of the University. Fellowships are tenable for six years, unless in the following cases: any Fellow who becomes either the Head or a Fellow of another College immediately vacates his Fellowship in this College: any Fellow who has been presented by the College to any Benefice of the clear annual value of £400 or upwards shall vacate his Fellowship one year after presentation: any Fellow who serves the College in one of the privileged offices of Tutor, Assistant Tutor, Senior Bursar or Dean, and has been a privileged Officer for at least two years, retains his Fellowship for six years independently of the time he has been a privileged officer, and, if he holds such an office for twenty years, retains the Fellowship for life: any Fellow who holds a Professorship in the University or who holds the office of Public Orator, or Registrary, or University Librarian, retains his Fellowship notwithstanding the expiration of six years, while he holds such University office. A Fellow may, with consent of the College, resign the pecuniary emoluments of his Fellowship, and, retaining all its other privileges, become a Supernumerary Fellow: in this case the College proceeds to the election of a new Fellow. The College has power to elect to one Fellowship a person eminent for Science or Learning, whether a Graduate of Cambridge or Oxford, or not. The Master and Fellows may also elect any member of the College

whom they think it desirable so to distinguish, to be an Honorary Fellow.

It is directed in the Statutes of 1882 that the Scholarships and Bye-fellowships of the College shall be consolidated and form a common fund to be called the Open Scholarship Fund, out of which there shall be founded :—

	£		
Twelve open Scholarships of	60	per annum each,	at least.
Six ditto	40	ditto	ditto
Five ditto	20	ditto	ditto

At present there have been founded

Scholars are elected from among Residents and non-Residents. Foundation Scholarships are adjudged to Residents (irrespective of age) according to the results of the various Annual College and University Examinations, for proficiency in Mathematics, Classics, Natural Science, Moral Science, Theology, Law, History, &c., and are tenable until the holder is of standing to take the degree of B.A. Entrance Scholarships are adjudged after competition among candidates who have not commenced residence in the University, and are not more than 19 years of age at the time of the Examination, of which due notice is given. Exhibitions may also be adjudged to candidates at the same competition, without limit of age.

In case of special merit the Master and Fellows have power to prolong the tenure of scholarships; also to promote from one to another, or to confer upon a Scholar a second scholarship in consideration of distinguished merit.

The Master and Fellows have also power to apply a certain part of the Open Scholarship Fund in donations to deserving Students, whether Scholars or not. The income of the 'Hugo de Balsham Fund' is applied in aid of students engaged in advanced study or research.

There is an Exhibition from the Company of Clothworkers, and one from the Company of Ironmongers. To the Miller Exhibition the Master and Fellows elect some person educated at Huntingdon Free Grammar School, if any such duly qualified person presents himself: if not, some otherwise duly qualified person.

Prizes are awarded to those who are most successful in the various subjects of the Annual Examinations.

The Tait Prize is awarded periodically for an Essay on a subject in Mathematical or Experimental Physics.

PEMBROKE COLLEGE.

(FOUNDED 1347.)

THIS College was founded under the name of VALENCE-MARY, by Mary de St Paul, the widow of Aymer de Valence, Earl of Pembroke; and King Henry VI. was so liberal a benefactor to it, as to obtain the name of a second Founder.

There are *thirteen* Foundation Fellowships open to persons of every *nation*, and unrestricted as to counties.

Although there may be no Fellowship vacant, yet a candidate is never considered as superannuated.

Foundation and Minor Scholarships and Exhibitions are awarded from the Scholarship Fund.

There are six Scholarships on the original Foundation.

Scholarships have been founded by Dr Watts, Archbishop Grindal, Mr Smart, Mr Scrivenor, Mr James, Bishop Lany, Sergeant Moses, Dr Mapletoft, Mr Parkin, and Dr Stuart; three Scholarships of £80 a year were founded by Mr Beatson: a Bachelor Scholarship was founded in memory of Mr Prior, formerly Tutor, and two Scholarships (of £60 a year), one for Classics and one for Natural Science, were founded by Mr Shoolbred. Scholarships have also been founded by Joseph Webster Drew, M.A., LL.M., formerly Scholar of the College, and Mrs Drew; and by Mr Meryon in memory of his son, L. K. Meryon, formerly a member of the College.

There are at present thirty-six Foundation Scholars, ten Minor Scholars elect, eighteen Exhibitioners, and seven Exhibitioners elect.

There is also one Exhibition, of the yearly value of £70, founded by Mr John Holmes, for a Scholar educated at Blackrode School in Lancashire. This Exhibition is given by the Governors of the School, and the Scholar who holds it also receives from the College an additional Exhibition, the gift of Mr Warren, formerly a Blackrode Scholar, of the yearly value of £5.

There is an annual Examination after the division of the Easter Term in Mathematics, Classics, Theology, and the subjects of the other Tripos Examinations, when prizes in books are awarded in each year for proficiency in the various subjects. The Foundation Scholarships and Exhibitions are in general adjudged on the results of this Examination.

Gratuities are awarded to members of the College on the result of the Open Competition for the Home Civil Service and the Civil Service of India and of the Final Examination for the Civil Service of India.

Prizes of books are offered annually for Compositions in Greek and Latin Verse and for English Essays.

A prize of books is also given to the best reader in Chapel, whose general good conduct has gained the approbation of the College.

The sum of £30 is also offered annually in one or more gratuities for proficiency in the Hebrew and Greek Scriptures. Undergraduates or Bachelors of not more than three years' standing may compete for these gratuities at the annual College Examination.

The Neil Prize, founded in memory of Robert Alexander Neil, formerly Tutor, is offered annually to graduate members of the College below the standing of M.A. for the best dissertation on any subject in the life, history, literature or art of Ancient, Mediaeval or Modern times.

The Blackburne-Daniell Prize, founded in memory of Francis Reginald Blackburne-Daniell, formerly a member of the College, is awarded to the student of the second year who acquits himself most creditably in a Tripos Examination or in the annual College Examination.

GONVILLE AND CAIUS COLLEGE.

(FOUNDED 1348.)

THIS College, originally styled Gonville Hall, was founded i
1348, by EDMUND GONVILLE, rector of Terrington, in Norfol
son of William Gonville, and endowed for a Master and thre
Fellows. The original site was between Free-School Lane and th
churchyard of St Botolph's.

The name of the College and its situation were both change
by WILLIAM BATEMAN, Bishop of Norwich, whom Gonville ha
appointed to be his executor. In 1353, Bateman established th
College where the Gonville Court at present stands; and pr
viously to this removal he had changed Gonville's statutes f
statutes of his own, and altered the name to the "Hall of th
Annunciation of Blessed Mary the Virgin." Thus, and by certa
endowments, he made himself a SECOND FOUNDER.

The revenues were afterwards increased by various Benefacto

In 1558, JOHN CAIUS, M.D., the THIRD FOUNDER, obtained th
Royal Charter by which the former foundations were all confirme
and his own foundation was established. By this charter the Co
lege was thenceforward to be called GONVILLE and CAIUS Colleg

By the revised statutes made under the provisions of the O

1890, 1892, 1893, 1904, the College is to consist of a Master,
least twenty Fellows exclusive of the Drosier Fellows, and su

By the will of the late WILLIAM HENRY DROSIER, M.I
Senior Fellow of the College, who died on May 13, 1889, the e
dowments of the College are increased by six new Fellowshi
called the Drosier Fellowships.

A new Corporate Fellowship, called the Monro Fellowsh
has been founded by the aid of the benefaction of the late Charl
Henry Monro, M.A., Senior Fellow of the College, who died
February 23, 1908. There are at present in all twenty-ni
Fellowships.

FELLOWSHIPS.

The government of the College is in the hands of the Mas
and twelve of the Fellows.

The Fellows of the College are to be chosen from those perso
(being otherwise qualified according to the Statutes) whom t
Governing Body shall think to be of the greatest merit a

most fit to be Fellows of the College as a place of education religion learning and research.

The Fellowships are not vacated by marriage, but terminate in general at the end of six years from the time of election. They may however be retained if the Fellow at the end of that time be holding certain University or College Offices: or shall have held some one or more of such College Offices during the space of twenty years; or shall have been permitted by a special vote of the Governing Body to retain his Fellowship on account of his literary or scientific reputation or labours or on the ground of his holding a University Readership or Lectureship. The Governing Body have power on or within a year after electing a Fellow to attach any special condition to the tenure of his Fellowship which may seem to them desirable in the interests of the College. A Fellowship may in certain cases be prolonged or an ex-fellow re-elected at a General Meeting of the Master and Fellows.

SCHOLARSHIPS AND EXHIBITIONS.

The Scholarships are of two kinds. (1) *Entrance Scholarships* (of values varying from £40 to £80). These are competed for before admission to the College; candidates must be under 19 years of age on the first day of the academical year in which the examination is held. The College has the power to offer not more than two Entrance Scholarships in any one year without restriction of age. The subjects of examination are generally Mathematics, Classics, Natural Science, Modern Languages, Oriental Languages and History. (2) *Foundation Scholarships*. These are awarded, on the results of the Annual College examinations, to persons already in residence and without restriction of age. They are given for proficiency in any of the branches of study mentioned above, as also for Theology, Law, Moral Sciences and Mechanical Sciences, and in some cases to candidates or selected students for the Indian Civil Service. The annual value ranges from £40 to £100. These Scholarships are as a rule tenable until the Scholars are of standing to take the degree of B.A., but in cases of special merit the tenure is prolonged for a year or more.

An Entrance Scholarship and an Entrance Exhibition are offered for Students who intend to read Law. The subjects of examination are the same as for the Classical Entrance Scholarships.

An Entrance Scholarship or Exhibition may be offered to a candidate in Mathematics who will read for the Mechanical Sciences Tripos.

An Entrance Scholarship or Exhibition may be offered to a candidate in History who will read for the Economics Tripos.

A candidate who obtains a first class in certain of the Triposes may, with the permission of the Governing Body, hold a Founda-

tion Scholarship or have his Scholarship prolonged for one
two years, if he becomes a Candidate for the Theological, a
Moral Sciences Triposes, for the subjects of which Entran
Scholarships are not as a rule given.

The Salomons Scholarship of about £70 a year for three yea
for Civil and Electrical Engineering (founded by Sir David
Salomons, Bart.) will ordinarily be vacant every three years.
is awarded as an Entrance Scholarship, the subjects of Exami
ation being the same as for the Mathematical Entrance Schola
ships. The successful candidate is required to read for t
Mechanical Sciences ("Engineering") Tripos.

Exhibitions are given under the same conditions as Schola
ships, but for a somewhat lower standard of merit. Donatio
of smaller sums are made to students who have acquitt
themselves creditably in the examinations.

Three Chapel-clerkships (one of them as a rule Choral) of £
each tenable for one year are given at the end of the second ye
of residence. Candidates in sending in their application m
show that they have need of pecuniary help and must be reco
mended by the Tutors to the Governing Body.

Two Exhibitions at least of £30 each are given to reside
Bachelors of Arts who are candidates for Holy Orders.

The Yatman Exhibition of about £34 a year is given, witho
competitive examination, to a student who needs help a
declares his intention of being a candidate for Holy Orders

There is a Musical Scholarship of £60 tenable for three yea
The duties of the Scholar are to sing in the Chapel Choir or
act as deputy for the Organist as may be required and he
required to read for the Mus.Bac. degree.

There are besides three Choral Exhibitions, of £40 ea
tenable for three years. The duties of the Exhibitioners
to assist in the daily choral services of the College Chapel, a
they are required to read for a degree.

Scholarships or Exhibitions may be awarded, or continued
the fourth year of residence, to undergraduates or graduat
who are candidates for a Tripos or part of a Tripos and are a
candidates for the Indian Civil Service Open Competition.

POST-GRADUATE RESEARCH STUDENTSHIPS.

A Studentship of £100 (the "Frank Smart" Studentship) f
the encouragement of Botanical research was founded in 1887 y
F. G. Smart, M.A., M.B., and Mrs F. G. Smart, of Tunbri e
Wells. It is open to all members of the College who have k t
not less than nine nor more than fifteen terms. The Students p
is tenable ordinarily for two but may in certain cases be gi n
for one year only, or may in special circumstances be contin d
for a third year. The Governing Body of the College may, i o

suitable candidate belonging to the College presents himself, offer the Studentship *pro hac vice* to other members of the University.

The Shuttleworth Studentship, of the annual value of about £110, is given in the first instance to a candidate whose subject is Zoology or Physiology, or, failing candidates in these subjects, then to a candidate whose subject is some other branch of Natural Science. The regulations for election and tenure are the same as for the "Frank Smart" Studentship.

The Ramadge Law and History Studentship, founded upon the benefaction of the late Frederick Ramadge, M.A., Barrister-at-Law, formerly Fellow of the College, will be awarded in alternate years. The Studentship is open to all members of the College who have kept not less than nine nor more than fifteen terms. It will be of the value of about £100 and will be tenable for one year. Failing candidates whose subject is Law or History, the Studentship may be awarded in respect of some other branch of literary study.

The Christopher James Studentship of about £80 in value is given by preference for research in Languages or for Archaeological Study.

Two Studentships of £120 a year tenable for one, two, or three years, are not restricted as to subject and may be given either for literary or for scientific research. The stipend of one of these has been assigned to the 'Wollaston' Studentship for Physics, which is open to members of British, Colonial or American Universities; and of the second, temporarily, to the 'Sir Thomas Gresham' Studentship for Economics, similarly open.

A Research Studentship has been held for two years at a time from Michaelmas 1904 by a *Lector*, who is a French Graduate of a French University, and delivers lectures in his own language and holds conversation classes. Research Studentships are not awarded by the result of a competitive examination.

TANCRED STUDENTSHIPS.

There are also connected with the College:

Four Studentships in Physic, founded by Christopher Tancred, Esq., each of which has been of the annual value of about £80.

The Candidate who is elected to one of these Studentships is obliged to enter at this College within a month from the time of election; or to remove hither, if he be a member of any other College.

These Students are required to take the degree of Bachelor of Medicine as soon as they are of sufficient standing for the same; and they may hold the Studentship for three years after their degree. Students therefore who are elected previous to admission at any College, can hold them eight years. The electors to these

Studentships are the Master of Gonville and Caius College, the Master of Christ's College, the President of the College of Physicians, the Treasurer of Lincoln's Inn, the Master of the Charterhouse, and the Governors of Greenwich and Chelsea Hospitals. The Governors of the Trust hold their meetings at Lincoln's Inn, on the last Wednesday in May, and on the Wednesday after St Martin's day[1]. The next expected vacancy will be in 1912.

HARROW SCHOLARSHIPS.

Two Scholarships, founded at Harrow School, A.D. 1830, by John Sayer, M.A., Barrister-at-Law, and formerly a Senior Fellow of the College, of the annual value of £60. The Scholars are elected by the Governors of the School and proceed to this College.

EXAMINATIONS, ANNUAL PRIZES, &c.

Candidates for Honours are examined annually in the subjects of the several Triposes. Scholarships are awarded, in case of sufficient merit, in connexion with each of these subjects; and prizes of £3 in books are given to every Student who is placed in the First Class.

There are two Greek Testament Prizes independently of those which are given on the results of the annual Theological Examination.

Prizes of the value of £3 each are given annually for the best discussions of two questions, one of Pure, the other of Applied Mathematics; the competitors to be members of the College of not more than twelve terms standing.

Three Composition Prizes of £3 each are annually offered, one for Latin Prose Composition, one for Latin Verse Composition and one for Greek Verse Composition; the candidates to be of not more than eight complete terms standing.

A prize of £5, open to members of the College of not more than twelve terms standing, is given annually for an Essay on some subject connected with English History or English Literature; and prizes of £3 each are given annually restricted respectively to Students of the first, second and third years.

Two prizes of £3 each are given annually for Essays in French and German respectively;

A prize of £3 is given annually for Musical Composition; and

A prize of £3 is given annually for an Essay on some subject connected with Natural Sciences: open to members of the College of not more than twelve terms standing.

1 Forms of petition and all information respecting the Tancred Studentships may be obtained from J. W. C. Frere, Esq., 28, Lincoln's Inn Fields, London.

The George Ludorf Siddle Prize of about £9 is given triennially for an Essay on some subject connected with the British Colonies.

A prize of £6 in books (the "Frank Smart Prize") is awarded annually to the undergraduate who is most distinguished in the subject of Botany at the annual College Examination.

The Marke Wood Medal is given annually for proficiency in shooting.

A prize of £10 is given under certain conditions to a student who attains a high place in the Indian Civil Service Open Competitions. Prizes also of £10 each connected with the same competition are given under certain conditions for proficiency in (i) Arabic, (ii) Sanskrit, or (iii) Persian.

The Thruston Medal of the value of £10 (taking the place of the Thruston Prize) "shall be given triennially to that member of the College (being of not more than fifteen years' standing from the first day of the Michaelmas term of the Academical year in which he matriculated), who has published in the course of the preceding three years the best original investigation in Physiology, Pathology, or Practical Medicine." The remainder of the Thruston Fund, about £15 a year, may be given in the form of a grant or grants in aid of research in the subjects named. Application should be made to the Master. The Medal will be next awarded in 1914.

PLATE to the value of £10, the gift in 1774 of Dr Schuldham, is awarded each year to one judged worthy amongst the commencing Bachelors of Arts.

ADMISSION.

All Candidates for admission are required to pass an entrance examination in Classics and Mathematics. There are two ordinary times of Examination, viz. in March and June. Scholars elected prior to entrance, as well as Holders of Certificates from the Oxford and Cambridge Schools Examination Board or the Syndicate for the Local Examinations excusing from the Previous Examination, are exempt. Certificates of other Examinations or certificates of graduation at other universities or exceptional evidence of competence may at the discretion of the Master and Tutors be accepted. A candidate for admission may also be allowed to substitute for part or the whole of the College Entrance Examination the University Previous Examination, if passed before the beginning of residence. An Entrance Examination for admission to the College may also be held at certain of the Public Schools in March and June. Special regulations are issued for the admission of 'Advanced Students' and 'Research Students.'

TRINITY HALL.

(Founded 1350.)

The College Statutes are published among the Parliamentary Papers of 1881.

This College was founded by William Bateman, Bishop of Norwich, in the year 1350. The Founder's words are:

"Volumus quod Collegium Scholarium supradictum vocetur Collegium Scholarium Sanctæ Trinitatis de Norvico, et quod Domus quam inhabitabit dictum Collegium nominetur Aula Sanctæ Trinitatis de Norvico."

The College was further incorporated by an Act of Parliament of the reign of Elizabeth under the name of "The College or Hall of the Holy Trinity in the University of Cambridge."

The foundation was subsequently augmented by Simon Dallig, Bishop Nykke, Robert Goodknape, Dr Hewke, Dr Hervey, Dr Mowse, Horatio Goodbehere, Henry Latham, and other benefactors.

The College continued to be governed by the Statutes of the Founder until the year 1860, when new Statutes were enacted.

These Statutes were repealed in 1882, and the College is now governed by Statutes framed under the authority of the Universities of Oxford and Cambridge Act, 1877.

FELLOWSHIPS.

There are thirteen Foundation Fellowships. All the Fellows have the same stipends and privileges, and they and the Master constitute the Governing Body of the College. Fellowships are tenable for six years from the date of election. The holding of certain College offices or Professorship in the University prolongs the tenure of the Fellowships.

There is one Professorial Fellowship at this College.

LAW STUDENTSHIPS.

The study of the Law, for which this College was especially designed by the founder, has been provided for by the establishment of Law Lectureships and at least three Law Studentships; the latter are tenable for three years, and are of the annual value of £50. They are to be given to graduates of the College in Arts or Law, who intend to prepare themselves for practice in some branch of the Legal profession. The holders of these Studentships are not required to reside in the University.

SCHOLARSHIPS AND EXHIBITIONS.

A fixed proportion of the divisible revenues of the College is annually to be paid over to the Scholarship Fund. The governing body is empowered to distribute this among the Scholars and Exhibitioners in the way it may think best, but any residue which remains at the end of one year must be applied subsequently to the purposes of the fund, or in rewards and assistance to meritorious students.

The College Scholarships are tenable up to the time of taking the B.A. or LL.B. Degree. They are awarded according to the results of the various College Examinations in Classics, Mathematics, Law, History, and the subjects of other Tripos Examinations. Scholarships obtained at one Examination may be augmented on a subsequent occasion.

Entrance Scholarships are awarded according to the results of Examinations held in June and December. The Examination in June is limited to those who intend to study Law, and candidates must attain to a certain standard in at least three of the following subjects: Mathematics, Classics, French, German and English History. In the December Examination the subjects are either Mathematics or Classics or Natural Science or History or Engineering[1].

ANNUAL PRIZES.

A prize of £15 was left in 1874 by Mr Jonas Cressingham, who was long a Member of the College, to be offered annually for an English Essay. The subject is given out in the Lent Term. B.A.s of not more than one year's standing are allowed to compete for this prize.

A prize of £4 is offered in each term for proficiency in English Language and Literature. This prize was founded by the pupils of the late Rev. H. Latham, for many years a tutor and lately Master of the College.

A Prize of £3. 3*s*. for a Latin Essay is offered annually.

Prizes of £5 and £3 are given to those who have distinguished themselves in the College, Inter-Collegiate and University Examinations.

The College, at the present time, consists of a Master and thirteen Fellows, besides Scholars and other Students.

KING's COLLEGE.

(FOUNDED, 1441.)

THIS College was founded and munificently endowed by KING HENRY VI. for a Provost and seventy Scholars. Under the Founder's Statutes every vacancy had to be at once filled up by the admission of a Scholar from the sister foundation of King Henry VI. at Eton.

By the Statutes of 1861 Open Scholarships were founded, and provision was made for the admission to the College of Undergraduates not on the foundation.

Under the present Statutes (of 1882), the foundation consists of a Provost, forty-six Fellows (exclusive of Honorary, Additional, and Supernumerary Fellows), and forty-eight Foundation Scholars. Four of the Fellowships are appropriated to Professors in the University; the remainder are open to all Graduate members of the College whose standing does not exceed seven years from the 25th of March next preceding the date of their commencing residence in the University, and in any year one person who does not satisfy these conditions may be elected a Fellow.

Twenty-four of the Foundation Scholarships are appropriated to Eton College, and twenty-four are open. Of the former, at least four are offered every year for competition as Entrance Scholarships, and two as Undergraduate Scholarships. At least six Open Foundation Scholarships are offered every year, but the number to be offered as Entrance and Undergraduate Scholarships respectively may vary from time to time. Entrance Scholarships are tenable for two years, and may be prolonged for a further period of two years. The holders of Entrance Scholarships as well as other members of the College are eligible to Undergraduate Scholarships. An Undergraduate Scholarship is tenable till the holder is of five years' standing from the 25th of March next preceding the date of his commencing residence in the University, and may be prolonged for a further period of two years. The emoluments of a Foundation Scholarship are £80 a year, subject to a possible reduction in the case of a prolonged Undergraduate Scholarship. An Eton Scholar may have in addition, under certain conditions, Tuition free and Rooms rent free, and the Council have power to allow Tuition free to the holder of an Open Undergraduate Scholarship. A candidate for an Eton Scholarship may be elected to an Open Foundation Scholarship, and he is then entitled to tuition free and to rooms rent free until he takes his first degree.

When this happens an Eton Scholarship is, for that turn, treate as an open one.

An Entrance Scholarship Examination is held annually in th Michaelmas term, upon the results of which, besides the Entranc Foundation Scholarships already mentioned, both Eton and ope Minor Scholarships and Exhibitions * are awarded. Exhibition are also awarded upon the results of the Annual College Examit ations. Some of the Exhibitions are reserved for candidates wh stand in need of pecuniary assistance to enable them to obtain University education.

An Entrance Scholarship of the value of at least £70 a year h been founded in memory of Laurence Saunders, M.A., former Scholar, who suffered in the Marian persecution; the prese annual value is £80.

From the legacy of Dr Vintner, formerly Fellow, an Exhibitic of £70 a year to be awarded for proficiency in Natural Scien has been founded. Two Exhibitions have been established fro the benefactions of Dr Price and other former members of tl College. These Exhibitions are open to all Undergraduates the College in their first or second year of residence.

Under the will of Mr T. A. Soley, certain Exhibitions of £ a year for 3 years are offered to persons in need of such assis ance, who are sons or grandsons of freemen of the Drape Company and are nominated by the Company, on condition th they attain in an examination held by the College the sa standard as that required as a qualification for other Exhibitio in the College.

Under the will of Mrs Laura Mary Fielder the College receiv in 1908 a legacy of £3000, from which three Exhibitions ha been founded, to be awarded for proficiency in Greek.

In 1911—12 a studentship, called the Augustus Austen Lei studentship, was founded by Mr A. H. A. Morton, formerly Fell who endowed it by the gift of £4000 Consols. A student elected annually in June from among members of the Colle under M.A. standing, who have either taken or passed t examinations qualifying for the B.A. degree. The student required to undertake a course of study or research in one f the following subjects: Divinity, Classics, History, Classical r Medieval Archaeology, and Medieval and Modern Languag In June, 1912, the studentship was awarded to R. C. Brooke, B

In 1911 Mr S. B. Phillpotts, senior Fellow, gave £800 five p cent. stock to found an Exhibition for a son of a clergyman of Church of England, in need of assistance, and receiving his edu tion in the College. Failing suitable candidates satisfying th conditions, the exhibition may be awarded to a chorister.

Examinations for Choral Scholarships are held from ti to time, as vacancies occur. The examination is chiefly musi l, but candidates are required to pass in elementary Classics a d

* At the Entrance Examination in December, 1912, besides Foundation Scholarships, there will be offered for competition one Laurence Saunders Scholarship value 80*l*. a year, one open Minor Scholarship value 60*l*. a year, three open Ex ti tions value from 40*l*. to 70*l*. a year for candi te standing in need of pecuniary assistance ge Soley Exhibition and one Fielder Exhibitio

Mathematics. Choral Scholars are required to take part in the Choral Services in the Chapel. They must be candidates for a degree, but not necessarily for honours.

Applications for admission to the College should be made to the Provost.

Undergraduates of the College are (with a few special exceptions) required to be candidates for honours.

Persons who enter the University as Advanced Students may be admitted with the same status as graduate members of the College.

Some peculiar privileges appertain to this College. The Provost has absolute authority within the precincts, and, by special composition between this Society and the University, its Undergraduates are exempt from the power of the Proctors and other University Officers within the limits of the College.

ANNUAL PRIZES.

Dr COOKE (formerly Provost) founded a prize of £6 which is given annually to an Undergraduate in his first year who has deserved well by application to his studies and general orderly behaviour. This year awarded to Armstrong.

Dr GLYNN, in the year 1800, founded two prizes of £10 each, which are awarded annually to such two Undergraduates in their second year as have been most distinguished for learning and regularity of conduct. This year awarded to Blair and Forrester-Paton.

There are two £5 prizes for Declamations, founded in 1786, by T. James, D.D., formerly Fellow. This year prizes were awarded to Birch and Hardman.

This year the prize for Divinity and Classics was awarded to Davey, and the prize for Mathematics to Sen.

MARTIN THACKERAY, M.A., formerly Fellow and Vice-Provost, bequeathed to the College, in 1862, the sum of £1000 to form a fund of which the income in each year is to be paid to the Scholar of the College educated on the foundation of Eton College who shall in the Examination of the year for the Degree of B.A.

have taken the highest degree amongst the Wranglers in the Mathematical Tripos.

Sir G. W. G. Craufurd, M.A., formerly Fellow, gave £500, from the interest of which prizes are awarded on the results of the annual examination in Divinity.

The Society consists of a President and eleven Foundation Fellows.

The Fellowships are tenable for six years from the day of election; but no Fellow can retain his Fellowship for more than one year after his institution to a College living, the net annual value of which exceeds £400.

St CATHARINE's COLLEGE.

(Founded 1473.)

This College or Hall was founded by Robert Wodelarke, D.D. Chancellor of the University, and Provost of King's College, for a Master and three or more Fellows. The foundation was afterwards enlarged by the benefactions of Mr William Basset, Mr Richard Nelson, Mr Robert Sympson, Mr John Chester, and others, but principally by the endowments of Mrs Mary Ramsden of Norton and Fockerby in the county of York. The late Rev. C. W. Burrell, M.A., also left a considerable sum for the enlargement of the ecclesiastical patronage of the College. In 1874, Mr Yorke, formerly Skerne Fellow, bequeathed a sum of money to the College.

The Statutes, confirmed by order of the Queen in Council May 3, 1882, provide that there should be a Master and six Fellows.

The proceeds of Mr Frankland's foundation are now added to the general Scholarship fund.

The College at present consists of a Master, six Fellows, and twenty-six Scholars.

Of the twenty-six *Scholarships*,	£

The income of a fund of about £3000 in Consols is also available for the purpose of Scholarships and Exhibitions. From these funds Scholarships and Exhibitions, varying in value from £50 per annum to £20, are annually given after open Competition or at the College Examination in June.

The Rev. T. Jarrett, M.A., Regius Professor of Hebrew, left by will the sum of £1000 to found a scholarship to be called by his name.

Besides these Scholarships, if there be a surplus, grants are made to deserving Students of the College, if candidates for Honours in any Tripos.

All the Scholarships are perfectly open to candidates from ar school or place of birth.

Bishop Sherlock founded the Librarianship, worth £20 p annum, with an allowance for rooms. He also considerably au mented the stipend of the Master's Sizar. The Bible Cle receives his Commons, with rooms rent free.

THE COLLEGE OF ST JOHN THE EVANGELIST.

(Founded 1511.)

This College was founded by Lady Margaret, Countess Richmond and Derby, mother of King Henry VII. and Fou dress of Christ's College. It succeeded the hospital of St Jol founded about 1210, from which Hugh Balsham, Bishop of E removed his scholars to Peterhouse in 1284. In consequence the death of the Foundress before the completion of her desig much difficulty was experienced in establishing the College as large a scale as was originally intended. It was mainly owi to the exertions and beneficence of John Fisher, Bishop Rochester, executor of the Foundress, and Chancellor of the U versity, that sufficient funds were obtained to endow thirty-t Fellowships, of which he founded four, and twenty-four Schol ships, of which he founded two. There were numerous subsequ endowments for Scholarships. Nineteen additional Fellowsh were founded in the reign of Henry VIII. Of these two w founded by Rev. James Beresford, one by Sir Marmaduke C stable, one by Mr Halitreholme, one by Lady Jane Rokeby, one Mr John Bayley, two by Rev. Edward Gregson, one by R Robert Symson, two by Rev. Dr John Keyton, one by Rev. William Fell, one by Dr Thomas Thimbleby, two by Rev. Roger Lupton, four by Archdeacon Hugh Ashton. In 1589 was founded by a bequest from Mr Henry Hebblethwaite: in 1 one by a bequest from Dr Francis Dee, Bishop of Peterborou Endowments to found Fellowships were bequeathed in 1632 Mr William Platt, and an endowment for one Fellowship in 1 by Rev. The Council may extend the tenure of a Fellow for periods of five years They may also elect persons eminent for science or learning, such Fellows not to vacate by lapse of time; and may elect Professors or Readers of the University, their tenure to terminate with that of their office of Professor or Reader. KING'S HALL.

MICHAEL-HOUSE.

TRINITY COLLEGE.

(FOUNDED 1546.)

THIS noble and magnificent College, the Mastership of which is in the appointment of the Crown, was formed by the consolidation and extension of the earlier foundations (1) of Michael-house, founded in 1324 by Hervey of Stanton, Chancellor of the Exchequer in the reign of EDWARD II, and (2) of King's Hall, founded in 1337 by EDWARD III., in pursuance of an uncompleted plan of his father.

HENRY VIII. took these into his own hands, and from the revenues of the above Societies, very largely increased by himself, he founded in 1546 one spacious College, for the maintenance of a Master and sixty Fellows and Scholars, dedicating it to the Holy and Undivided Trinity. Queen MARY afterwards added twenty Scholarships, and through subsequent benefactions the foundation now consists of a Master, sixty Fellows (at the least), eighty Scholars (at the least), the Chaplains, the Librarian, and the three Regius Professors of Divinity, Hebrew, and Greek respectively.

In addition to the Fellowships mentioned above, there are certain Ely Fellowships on the Foundation of A. W. G. Allen, of which three have up to the present been founded.

The GOVERNMENT of the College is vested in a Council, consisting ordinarily of the Master, four other *ex-officio* Members, and eight elective Members in virtue of the Statutes made in accordance with the provisions of the "Universities of Oxford and Cambridge Act, 1877," and approved by Her Majesty in Council, May 3, 1882.

FELLOWSHIPS.

DOWNING COLLEGE.

(Founded Sept. 22, 1800.)

The Charter and Statutes are printed.

The sole founder of this College was Sir George Downing Bart.,[1] of Gamlingay Park, in this county; who, by a Will, date 20th December, 1717, devised his estates in the counties of Cam bridge, Bedford, and Suffolk, first to Sir Jacob Garrard Downing and afterwards to other relations in succession, and in failur thereof, to build and found a College in this University, upon plan to be approved by the two Archbishops and the Masters o St John's and Clare Colleges. This direction was the reason fo giving them the power which they possessed in elections an other matters, by the original Charter and Statutes.

Sir George died in 1749, and Sir Jacob in 1764, and (the othe devisees having previously died without issue) upon this even the foundation ought immediately to have been carried int execution. But the estates were in the possession of Lad Downing, and afterwards of her devisees, without any real title and when the University sued in Chancery for the establishmen of the College, the party in possession resisted the suit in tha court. In 1769, a decree was obtained in favour of the foundatior

The persons named as trustees in the Founder's Will havin died in his lifetime, the execution of the trusts devolved upon th heirs at law; who after combating a long series of opposition an litigation, and overcoming obstacles of various descriptions, pre ferred a petition to the Crown for a Charter; and at length, i 1800, the Privy Council decided to recommend the foundation t his Majesty.

On the 22nd of September, 1800, the Great Seal was affixed t the Charter by Lord Loughborough. By this Charter the Colleg was incorporated with the University: was endowed with all th privileges of the same, and with all the estates devised by it Founder; and also with the power of holding landed property i addition to the value of £1500 per annum.

The members appointed in the Charter, for the purpose of takin possession of the estates, administering the revenues, superintend ing the building of the College, and for the other necessary pur poses were

The first Statutes were framed in 1805. In 1860 new Statutes were given by the University Commissioners under the provisions of 19 and 20 Victoria c. 88, and in 1882, revised Statutes under the provisions of the Oxford and Cambridge Universities Act, 1877. According to these Statutes the College shall consist of a Master, two Professors (one of the Laws of England, and one of Medicine), of at least six Fellows, and of at least six Scholars.

The Master, who is elected by the Professors and Fellows, must be a Master of Arts, Master of Laws, Doctor of Medicine, or of some superior degree in the University, and of not less than thirty years of age.

The Professors are elected in accordance with the provisions of the Statutes of the University for Elections to certain Professorships, the Electors being the Board of Electors defined by that Statute, together with the Master if he be not a Candidate. The Law Professor must be, at the time of his election, a Graduate in Law or Arts of one of the English Universities of ten years' standing from his matriculation, and also a Barrister-at-Law. The Medical Professor must be, at the time of his election, a Graduate in Medicine of one of the Universities of the United Kingdom, and of not less than twenty-five years of age. The Professors have by the Charter the same privileges, franchises, and liberties as any Professor in the University, and are bound to read a course of lectures in their respective faculties, on the usual terms upon which public lectures are given. They are capable of holding any of the lay offices in the College.

Candidates for Fellowships must have taken a degree in Arts, Law, or Physic in one of the Universities of Cambridge or Oxford. The electors are the Members of the Governing Body. The Fellowships are tenable for seven years from election, provided that no year in which a Fellow shall have been engaged during two terms in College work shall be reckoned in his term of seven years, and provided also that any Fellow who has held the office of Tutor during twenty-five years shall be entitled to retain his Fellowship for the rest of his life.

A Fellow vacates his Fellowship by election to a Professorship of the College, by becoming a Foundation Member of any other College in any University in the United Kingdom, or by institution to an Ecclesiastical benefice in the gift of the College, the net annual value of which is not less than four hundred pounds.

Provision is made for one or two Chaplains according to the circumstances of the College, the right of appointment being vested in the Governing Body.

SCHOLARSHIPS.

The Foundation Scholarships vary in value from £50 to £80. Foundation Scholarships are tenable *at least* until the holder be of standing to take the degree of Bachelor of Arts.

The Examination takes place in March.

The Minor Scholarships vary in value from £30 to £50 per annum, and are tenable until their holders are of standing to compete for a Foundation Scholarship. Exhibitions not exceeding £30 in value may be offered to candidates who fail to obtain scholarships.

ON-COLLEGIATE STUDENTS OF THE UNIVERSITY.

(FITZWILLIAM HALL.)

The "Non-Collegiate" body was created in 1869, when Undergraduates began to be admitted members of the University thout being compelled to attach themselves to any of the enteen endowed Colleges. The government has been entrusted by the University to a Board, the members of which are cted by the Senate. The Board appoint the Censor and the ff.

In 1892 Fitzwilliam Hall, a house built in 1727, was reconstructed to serve as the centre of the corporate life of the idents, to whom it stands in the same relation as an endowed llege to those junior members of the College who live outside walls. Here the Students meet the Censor and Staff for ervision and instruction, dine in Hall, transact the business of Amalgamated Clubs and of various societies, hold weekly ates or concerts, and make use of the Library, Reading Room, iting Room and general club accommodation. Fitzwilliam ll has given its name to the Amalgamated Clubs and, by usage, he "non-collegiate" body as a whole.

The Worshipful Company of Leathersellers have granted a Exhibition of £25 a year, tenable for four years from Matric lation, to G. H. Hewitt.

Three Exhibitions of £15 a year, tenable by members of tl University Training College for Schoolmasters, are given by tl Censor. Exhibitions were awarded last year to W. H. Stok (augmented), J. L. Cohen and F. Meixner.

Exhibitions may be awarded by the Board to Candidates f Honours in their third year. An Exhibition of £25 has bee awarded to G. H. Harris and a grant of £10 to W. H. N. Mumfor

A Student, usually in his third year of residence, is annual appointed Librarian at a stipend of £15. Last year H. Bedfor and for the present year P. Rolfe, B.A., have been appointed.

Prizes of £7 have been awarded to T. A. Sullivan for Histor £3 to P. Dunsheath, Advanced Student, for Mechanical Science and £2 to M. J. le Goc, B.A., for Natural Sciences.

An Annual Prize of about seven guineas in books for pr ficiency in the Greek Testament has been founded by M J. Y. Gibson. Last year it was awarded to G. H. Harris.

MEMBERS OF THE SENATE NOT ON THE BOARDS OF ANY COLLEGE OR HOSTEL.

HE privilege of being a member of the Senate without being the boards of any College was formerly granted only to resnts in Cambridge, *Commorantes in villa;* but it has been tended by the new University Statutes to all persons qualified be Members of the Senate, that is, to all Masters of Arts and w, and Doctors in Divinity, Law, and Medicine, who have had eir names consecutively on the boards of their College, or who ve paid up all the back fees, which have been unpaid while ir names were not on the boards.

Every such person has a vote in the Senate and the use of the iversity Libraries, Museums, &c. The University dues are r shillings and threepence a quarter, which sum is paid by all mbers of the University from the date of admission.

These payments are made through the College, as long as a son's name is retained on his College boards; but those persons o form the present list pay direct to the Registrary, usually in annual sum of seventeen shillings every Michaelmas.

n case any person wishes to have his name placed on the Unisity Register, whose name has for any period since his first ree been removed from the boards of his College, he must furh to the Registrary a certificate, signed by the Master of his lege, that his name has been removed from the boards, with date of the removal, and that up to the time of such removal the University dues have been paid. As soon as he has paid arrears (but not until then), his name can be placed on the gister: and as soon as this is done after the completion of his ster's degree, he acquires the right of voting; if he restores his ne after having removed it, 180 days must elapse after his admisn to the Register before he acquires the right of voting.

n the following list, the names are arranged according eniority, under the highest qualifying degree. Where any son has graduated in more than one faculty, it is so stated; the name of the College is added to which every one formerly nged.

LAWS.

1.—The design of the Society is to promote and to publish critical researches into the languages and literatures of the Indo-European group of nations, and to promote philological studies in general.

2.—Any Student of Philology is eligible as a member of the Society.

3.—The annual subscription of each Member of the Society is one guinea, due on the first of January in each year. A member elected in the Michaelmas Term shall, however, on signifying his wish to the Treasurer, be permitted to pay no subscription for the current year, but in that case he shall not be entitled to receive any of the Society's publications for that year.

4.—Any Member may compound for all future subscriptions by one payment of ten guineas; or, after fifteen years' subscriptions have been paid, by one payment of five guineas (the right to compound for all future payments for five guineas after ten years' subscriptions have been paid being reserved in the case of members who have joined the Society before Feb. 12, 1891).

5.—Every Member whose subscription for any year is paid is entitled to a copy of all the publications of the Society for that year.

6.—Any person who is desirous of becoming a Member of the Society

may be proposed by two Members of the Society, at any of its ordinary meetings, and, if approved by the Council, may be elected by ballot at the next meeting.

7.—No candidate shall be declared elected, unless he have in his favour at least two-thirds of the Members voting.

8.—Distinguished Philological Scholars who are resident abroad may be elected Honorary or Corresponding Members in the same way as ordinary Members. They shall pay no subscription, but shall be entitled to receive the Transactions and other documents published or printed by the Society, and to be present at and to communicate papers to the meetings.

9.—The general direction of the Society shall be committed to a Council, consisting of a President, three Vice-Presidents, a Treasurer, two Secretaries, a Librarian, and not more than twelve nor less than seven other Members. Each Member of the Council shall have notice of the meetings of that body, at which not less than five shall constitute a quorum. Except for grave cause such meetings shall be held within the limits of University Full Term only, and shall be summoned by the President in consultation with the Secretary.

10.—All questions involving extraordinary expenditure shall be submitted to the Society at one of its general meetings.

11.—The President, Treasurer, Secretaries, Librarian, and at least three ordinary Members of the Council, shall be elected annually by ballot, at a general meeting to be held in the Lent Term, the three senior Members of the Council retiring annually, and the President being capable of being elected two years in succession and no more.

12.—Of the three Vice-Presidents, one shall retire annually by rotation, and be incapable of re-election for the two years next following.

13.—No Member whose subscription is more than one year in arrear shall be entitled to vote or read papers at any meeting.

14.—The names of any Members whose subscription is more than two years in arrear, may, after due notice, be removed from the list of the Society, and such removal may be announced at the next general meeting and published in the proceedings of the Society at the discretion of the Council.

15.—The President, or in his absence, the Chairman *pro tem.*, shall have, in addition to his own vote, a casting vote in case of equality of numbers in any division.

16.—The accounts of the Society shall be audited annually by two auditors, to be elected at a general meeting in the Lent Term.

17.—The meetings of the Society shall take place at least once in each term, the time and place of meeting being determined by the Council from time to time.

18.—Members may introduce to the meetings of the Society strangers, not being resident members of the University, who may, with the sanction of the Council, read communications to the Society.

19.—No communication shall be read to or published by the Society without the approval of the Council and the author's name.

20.—Any proposed change in these laws shall first be submitted to the Council, and, if approved of by them, to the Society at one of its general meetings.

21. No law shall be altered or repealed, and no fresh law enacted, without the concurrence of at least two-thirds of the members voting.

By resolutions of the Society it is directed that ordinary meetings of the Society shall begin at 4.15 p.m. in the Michaelmas and Lent Terms and at 4.45 p.m. in the Easter Term, and shall close at 5.45 p.m. at the latest in the Michaelmas and Lent Terms, and at 6.15 p.m. in the Easter Term, unless on the motion of a member to be put from the Chair it shall be resolved on any occasion to extend the meeting to a later hour.
